**Sen.3.21.01 ~~Up to \$1,200 from Executive Contingency (92199) for two Umoja events.~~
Funding of Upto \$1,200 from campus events (92213) for two umoja events.**

**Motion Author: Edwin Romero
(Action Item)**

The Associated students of Norco College will consider allocating \$1,200 from Executive Contingency for two events, hosted by Umoja.

Motion: Aimee

Second: Nate

Deionn: I am the current president of UMOJA. We are allocating for \$1,200. My advisor spoke to Edwin to move some money from our banquet money to our activities money for these events, however, Edwin thought we should allocate for more money from ASNC. We have over 160 members who have put in many hours so we want to reward them for their hard work. Our meetings are every Thursday from 12:50 PM-1:50PM.

Edwin: I support this because they should be able to use the money if it is there. I think this should change from Executive Contingencies to Campus Activities. You would have about 12,000 dollars left in there if you decide to go. We will be collaborating with Puente for an upcoming event as well. However, some of our events are black people only since we are a minority on campus and these events are the only time we can celebrate our culture and come together.

Aimee: They have been involved so I think they should receive this money.

MK: They have been active in ICC, so I do think they deserve this moneu.

Autumn: Any objections for this money to be coming out of campus events?

Voting: 15-0-1

MK abstains.

Approved majority.

Sen.3.21.02 Fund up to \$2,000 from 92213 (Campus events) to fund STEAM Week

**Motion Author: Edwin Romero
(Action Item)**

The Associated students of Norco College will consider funding up to \$2,000 for steam week, April 22-26 hosted by the Stem Club.

The Chair reserves the right to modify the order of business as it deems appropriate.

Motion: Nathaniel

Second: Rudy

Patricia: We want to start off STEAM week doing an earth celebration and want you to be a part of it. We want to challenge the campus to put as much as recycling as we can in those red bins that will be putting around campus, and these boxes will have the letters of STEAM. From that recycling whatever money is raised, would come back to ASNC. The Science Department wanted to suggest doing a strawless week to take care of our marine animals. We have our Solar Engineering Challenge in which we have two teams building solar-powered benches. We will also be having a solar-powered charging station for electronics. There will be two In-N-Out trucks on campus, one for STEAM week and one for financial aid. You can get your blood pressure checked for free by the booth. We will also have a UCR representative coming who will be giving out homemade soaps. The way to get your free meal is to visit two booths and have two tickets to show the In-N-Out trucks. Norco Music will be providing music for that day and Art Club will be providing some type of art demonstration. We need extra help for the STEM Resource Fair, so if you guys can come help, please do so. I would also like to say we have one of the cleanest campuses and we want to keep it that way so you all are doing a great job, and let's keep it that way.

~~Sen.3.21.03 ICC Easter Egg Hunt asking for funding up to \$3,000.~~
~~Sen.3.21.03 ICC asking for funding up to \$3,000 for Easter Egg Hunt.~~

Motion Author: M.K Pena
(Discussion Item/Action Item)

The Associated students of Norco College will be discussing funding the Eater egg hunt and their part in the event from 11 to 6 pm.

Motion: Sarah

Second: Nate

MK: One of the clubs, Veterans, came up with this idea to have an easter egg hunt. We only have about \$3,000 left so we didn't want to use it all for this event. I suggested the idea to ask ASNC, I talked to RCC and MVC about it and MVC used \$2,500 and RCC used about \$200-\$500. The money would go towards eggs, candy, decorations, and a Easter Bunny costume, and whatever is left would come back.

Aimee: I move to amend Sen. 3.21.03 ICC asking for funding up to \$3,000 for Easter Egg Hunt from line item 92213, and line item 92199.

Second: Tere

Approved Unanimously

President: The event should be mandatory on April 20th, but we will discuss it.

Edwin: We would start setting up at 11 PM, the actual event will be from 2-5 PM. Since it is a last minute idea, I agree that we should vote on it so it is fair.

Voting 4-11-1 whether or not event is mandatory.

Approved 13-0-1

The Chair reserves the right to modify the order of business as it deems appropriate.

MK abstains, Shawn and Sarah absent.

Approved Majority

Sen.3.21.04 Removal of Lounge hours from ASNC officers' duties

Motion Author: Nathaniel Ilo

(Discussion Item/Action Item)

The Associated students of Norco College will consider removing article IV section 12 from the Associated Students of Norco College Bylaws.

Motion: Aimee

Second: Teresa

Nate: As you all know, it is a part of our duty to overview the lounge and this is why it is up for discussion because a lot of you haven't been doing them and some of you have told me you don't want to be doing them. If this was to be removed, we would possibly be hiring someone as an employee to look over the lounge.

Francisco: The grant for the Student Ambassadors to be in charge of the lounge and to be paid for it is running out this year.

Nathaniel: Then, it would be considered volunteer hours?

Edwin: The Ambassador program had begun as a volunteer program, but since the grant was received, ambassadors had started to get paid. Now that it is going away, it will be a volunteer program again.

Shawn: I think we should create a position for a student who wants volunteer hours, since we all are trying to transfer somewhere and volunteer hours are recommended.

Aimee: I hope you all know that you are supposed to give Edwin your hours at the end of the year so it can be on your transcript.

Edwin: Abstain is saying you are here but you do not want to vote.

Sarah: I move to postpone this line item to next week, after we talk to Mark about this.

Second: Francisco

Voting: 11-5-0

Approved majority to postpone voting to next week's agenda.

Sen.3.21.05 Request up to \$1,100 for promotion items for Election Day from line item 92199

Motion Author: Nathaniel Ilo

(Action Item)

The Associated students of Norco College will consider a request of \$1,100 from the Executive contingency funds for the use of Administration committee to purchase promotional items to use as incentives to help students vote on Election Day.

Motion: Aimee

Second: Sarah

The Chair reserves the right to modify the order of business as it deems appropriate.

Nate: My idea was to bring caterers since incentive works for people and it will force people to vote. My goal was to get first 50 people to vote and they would get food. Then, the next 50 people would get waba grill and last 50 would get Jamba Juice. However, Amber and I went to Odilly and she rejected the idea, since she says that that time is the busiest for them. Now, we are thinking vouchers.

Shawn: We can pick up food and then have people in ASNC hand it out. The people that have food handlers card.

Approved Unanimously

IX. ASNC Advisor Report

Edwin: You all have been doing a great job in the committees. Speech Me is this Saturday which I need volunteers for. AB 1504 is being discussed, a bill which requires every college to pay \$2 in both Fall and Spring for a student representation fee.

X. Executive/Committee Reports

Administration: I want to apologize for leaving Chill-Out early. I should have stayed until the end.

Aimee: What are consequences for not doing lounge hours?

Nate: I will get back to you.

Edwin: In the past, it would be considered as absences.

Finance: The budget is pretty much up to date but, we need to add some stuff. I will be presenting it next week.

Activities: I have contacted a DJ, DJ Niki. The event is April 19. Setup is at 2 but please send me your schedules so I can decide shifts.

Rudy: I decided to do a ASNC Hangout Day either at the beach or the park. It will be April 27th and we will vote on it in a poll.
