Edwin Romero: This is something that has been going on for a long time. There are several things going on, but we are going to help the counselors because they are going to identify students who need assistance. We are going to be helping them pay for gift cards. They are specifically the students who work with CalWORKS and students who have single parents.

**Motion Author: Tamilore Ajayi  
(Discussion/Action Item)**

*The Associated Students of Norco College will hold discussion on providing students in need with gift baskets with essential goods.*

Tami Ajayi: We do have students on campus that are without a home and need essential items. We were talking about doing a gift basket that contained some essential items. The average amount for each basket is about \$20. Mark has the information about how many students we have that are without a home.

*The Chair reserves the right to modify the order of business as it deems appropriate.*

Edwin Romero: I believe that the gift baskets can come out of the activities fee budget. We already have an ask for Thanksgiving, and we would need that approval today. That way we can do both and move forward right away.

**VII. ASNC Advisor Report**

Edwin Romero: Scholarship applications are coming out. There are scholarship application workshops are happening that the financial aid office is putting on. There is one tomorrow at 9am. It will give you more questions to ask. I can hyperlink this if you guys would like this flyer. You are not competing with anyone but the students at Norco College.

**VIII. Executive/Committee Reports**

Exec

Angelica Calderon: We discussed having COVID testing on campus. It would be helpful if we have free COVID testing on each of our campuses. They also plan on having students on campus for sports, and they would need to be tested weekly. They also talked about having a health fee for each student. It was just a discussion, but we are going to see what we can do and see if it is allowed. We are also going to see about funding. The student trustee has not been communicating with us.

*The Chair reserves the right to modify the order of business as it deems appropriate.*

### Student Debt Relief

Angelica Calderon: There was a meeting last Friday. They did discuss moving the financial aid. Students have the BOG waiver, if they get it then they should use that to pay your fees before giving you the financial aid.

Edwin Romero: We heard from the financial aid directors and it is about \$5,000 total so they felt that we needed to write a resolution, so students do not get into debt. Financial aid pays their tuition and not their fees.

### Admin

Anisha Solhotra: No report.

### Finance

Tharek Phounsavat: Sent out the budget a little later than usual. Only new thing is the reimbursement for Sean Davis. We still have a lot of money so we can keep spending.

### Activities

Tami Ajayi: We had the magic show last Thursday, and I just wanted to hear some pros and cons. One of the pros was that the turnout was good. One con was that there should have been co-hosted. We still have the inspirational story contest going on. We also have the holiday stress workshop going on. It is on November 19<sup>th</sup> from 1 to 2. Please help me spread the word and post the flyer.

### Relations

Samia Irfan: We are just trying to get funding for the gear. Shirts should be coming in this week. I did send something in the chat about the third-party platforms. ASNC is trying to figure this out and only 6 people have done it and there is about 20 of us. Make sure to share it with clubs and organizations

### Organizations

Isaac Nuñez: We just had our last meeting last week. Veterans club has their toy drive. Tami did say she wanted to participate. If you want to participate you can email me and I can send you stuff to get involved. There is a Veteran's Day panel happening tomorrow.

### ISPC

Angelica Calderon: They were discussing about the students and how they changed the language from tri-chair to co-chair because before it excluded students from leadership roles.

### Guided Pathways

Tharek Phounsavat: They wanted me to ask you guys a question regarding faculty. What are something that professors that do that you guys recommend other professors to do?

Valerie Diaz: Some professors are good at reminding their students of their homework and assignments. Just working on communication.

*The Chair reserves the right to modify the order of business as it deems appropriate.*
