
The governing board of the Riverside Community College District shall confer the degree of associate in one of the eight areas of emphasis upon the student who has demonstrated competence and who has completed the following requirements:

Residence Requirement:

In order to receive an A.A. /A.S. degree from Riverside Community College District, a student must complete 15 units in residence at one of the colleges within the Riverside Community District.

Academic Coursework Taken at other Colleges and Universities:

Official transcripts from all schools and colleges attended must be dated within the preceding 90 days/3 months, be in their original sealed envelope, and be submitted to the Admissions and Records office at the student's home college. Course credit is accepted from all regionally accredited institutions as listed at www.collegesource.org. Credits from institutions, which are in candidacy status, will be accepted after full accreditation is granted. The two years preceding full accreditation will also be applicable towards the AA/AS Degree. Honors for graduation will be calculated in the same manner.

Grade Point Average Requirement:

A student must have a minimum grade point average of not less than 2.0 ("C" average) in work taken at Riverside Community College District. If coursework taken at one or more accredited colleges is used to satisfy degree requirements, the overall cumulative grade point average must not be less than 2.0 and will include the combination of all grades from all transcripts used.

Petition for Graduation:

Students may apply for degrees and certificates during the following application periods:

Summer—First day of summer term through July 15 to apply for summer 2016, fall 2016, winter 2017, spring 2017

Fall—First day of fall term through Oct. 15 to apply for fall 2016, winter 2017, spring 2017

Winter—First day of winter term through Feb. 1 to apply for winter 2017, spring 2017

Spring—First day of spring term through April 1 to apply for spring 2017

Certificate and Associate Degree Applications:

Students will need to log into their WebAdvisor account online and choose Degree Application or Certificate Application from the Students Menu in order to apply for their degree/certificate. All official college transcripts or verifying documents must be on file with Norco College in order for the Evaluations/Graduation office to review applications and determine eligibility. A graduation check with a counselor is recommended before applying.

Second Degrees:

A student may earn more than one degree (AA/AS) from Norco College. Students who have met degree requirements in a previous academic year and have not maintained continuous enrollment will be awarded the degree in the term in which the application is submitted, provided all current degree requirements are met.

Catalog Rights:

Graduation requirements apply to students who are enrolled for any term (summer, fall, winter, spring) indicated by this catalog ~ summer 16 through spring 17. Students who enrolled prior to this current year and who have maintained continuous enrollment have the option of meeting the current requirements or those in effect at the time their continuous enrollment began. Continuous enrollment is defined as attendance of one term during each academic year.

Scholastic Honors at Commencement:

Honors at commencement will be awarded to students with a cumulative GPA of 3.30 or higher. Their names are listed in the commencement program as receiving the Associate Degree with Distinction (3.30 GPA) or with Great Distinction (3.70 GPA). A gold tassel will be worn by students graduating with honors. Coursework taken during the final spring semester will not be used to calculate honors at commencement. Grade point averages are not rounded up. If coursework taken at one or more accredited colleges is used to satisfy degree requirements, the overall cumulative grade point average will include the combination of all grades from all transcripts used.

Dean's List:

Each semester, those students who have demonstrated outstanding scholastic achievement by completing at least 12 units of credit-graded work in one semester or 12 units of credit-graded work earned in no more than one academic year (fall, winter and spring, with summer being excluded) with a grade point average of 3.0 or better (completed units will be considered only once for a particular Dean's List) will be recognized by a letter from the Dean of Instruction.
