

APRIL 2014

Norco IMC invites you to take a look back to April 3, 1993, when Norco College helped host the "Day of the Child."

The celebration had free entertainment, activities, and many resources for young children and their families. Members of Norco College joined the National Assoc. for the Education of Young Children, the Kiwanis Clubs of Corona, staff from local schools, and other community groups to provide the event for the children in the community.

Kids enjoyed puppet shows, storytelling, face-painting, balloons, and small animals from farms in the area.

While the focus for the children was playing, parents were able to visit booths set up to provide information about community resources available for families.

The event continues today, and the Corona-Norco Day of the Child is now a non-profit organizations. April 2014 marked the 22nd annual "Day of the Child."
