

MARCH 2014

Norco IMC invites you to take a look back at the birthday celebrations held for Norco College in its first few years.

Each milestone was marked with a birthday cake and candles. In the beginning, it was a gala event held in the lounge of the Student Services building. Students, staff, and faculty were invited to enjoy the celebration.

"Everyone is invited to have a piece of cake and some punch and help us celebrate our birthday," said Brenda Davis, Provost, as she cut the cake during the Third Birthday Celebration.

By the Fifth Birthday Celebration, the event grew more formal and included speakers such as the Student Provost and a Board of Trustee member as well as a look back at the first five years. The location had also changed to the newly built Amphitheater.

In those early years, the highlight of each birthday celebration was everyone singing Happy Birthday to Norco College!
