

January 21, 2025

Dear Norco College Partner,

We are writing to extend a warm invitation to you and your organization to be a part of the Norco College Industry Partners and Awards Breakfast. As we gear up for this highly anticipated event, we are seeking partners who share our commitment to fostering educational excellence and promoting collaboration between academia and industry.

The event will take place on Friday, March 28, 2025, and breakfast begins at 7:30 a.m. at the Norco College Amphitheater. This year's theme, "Empowering Talent, Elevating Industry, Inspiring Innovation," perfectly aligns with the outstanding contributions of the recipients of the President's Award. The Naval Surface Warfare Center, Corona Division, and NDR Therapeutic Riding exemplify this theme through their dedication to providing internships that empower Norco College students with real-world experience, elevating their potential and inspiring innovative solutions in their respective fields.

Norco College takes pride in its dedication to providing high-quality education and preparing students for success in their chosen fields. The 2025 Industry Partners and Awards Breakfast serves as a platform to celebrate these accomplishments and recognize the outstanding partnerships that contribute to the growth and success of our students.

By sponsoring this event, your company will gain valuable exposure to a diverse audience of industry professionals, educators, and community leaders. This is an excellent opportunity to showcase your commitment to education, innovation, and community development. As a sponsor, you will receive prominent recognition before, during, and after the event, along with networking opportunities with key stakeholders.

Thank you for considering this partnership opportunity. We look forward to the possibility of working together to make the Norco College Industry Partners and Awards Breakfast a truly memorable and impactful event. Please contact Marie Thermidor in the RCCD Foundation Office with any questions at 951-565-6081 or by email at Marie.Thermidor@rccd.edu.

Sincerely,

Monica L. Green, Ed.D.
