# How to Enroll

Spring 2025 Dual Enrollment Pathways

## Step 1: Apply to Norco College

*If you are currently enrolled in a class at Norco College, or were enrolled in a class last term, you may skip this step.*

If you are a new student or you have not taken a class at Norco College during the last two terms, you must complete a **new college application**.

## Step 2: Create a DualEnroll.com Account

Go to **<https://norcocollege.dualenroll.com>** and follow the steps to create or update your account and profile.

You will need to confirm your account via email or text message.

## Step 3: Steps in DualEnroll.com

After **creating or updating your DualEnroll.com profile**, select the dual enrollment classes that you want to enroll in for the upcoming term.

Make sure that you **complete all steps that appear in DualEnroll.com** and that your parent/guardian completes their consent.

You will be registered in classes after your steps are complete and when registration is open for the term.

**Check your DualEnroll.com account for updates on your registration.**

## Step 4: Attend Your Classes

For courses offered online only, you will need to log into **CANVAS** with your **college email address**.

**If you need to drop or withdraw from your dual enrollment class**, login in to **DualEnroll.com** and request to drop or withdraw. *Make sure you check your course drop dates when the course starts.*

**Need help? Register for a workshop with Norco College Dual Enrollment staff.**

Norco College  
Intersegmental General Education Transfer Curriculum (IGETC) 2024-2025  
For Transfer to CSU and UC

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University (CSU) or University of California (UC) system without the need to take additional lower-division general education courses. For certain majors at some of the UC campuses it may be more advantageous to complete a campus-specific general education pattern. IGETC certification is valid for community college transfer students only. Those who have already transferred to the CSU/UC systems may under some circumstances return to Norco College to complete IGETC requirements. A course can only be certified if it was approved for IGETC when it was taken. This is the approved list for courses taken Fall 2024 through Summer 2025. See [www.assist.org](http://www.assist.org) for prior years.

**Note: Riverside City College and Moreno Valley College are separate colleges and the courses that are approved for IGETC may vary. Students who wish to take courses at another institution and apply them towards IGETC should always first consult with a counselor to make sure the course will fulfill the intended requirement. Transfer students will receive IGETC certification after completing all of the subject areas below with a min. “C” grade or better (A grade of “C-“ is not acceptable.)**

 POL-21 Latinx Politics (Same as ETS-21)

**Note:** Norco College's POL-1/1H or ETS/POL-21 fulfills the CSU graduation requirement in both U.S. government and California state and local government. Students who have completed ETS/POL-23, or who have received a score of 3 or higher on the AP U.S. Government and Politics exam, or who have taken a U.S. government class at an out-of-state institution may have fulfilled the U.S. government requirement but will still need to fulfill the California state and local government in order to graduate from the CSU.

**IGETC Advisement: Former UC, CSU and students with coursework from other four-year institutions**, including outside the U.S., should consult with a counselor to determine whether they should complete IGETC or the lower-division general education requirements at the campus they plan to attend. For the UC: Students who initially enroll at a UC campus, then leave and attend a California Community College, and subsequently return to the same UC campus, are considered "re-admits" by the UC. Such students cannot use IGETC. However, students who enroll at a UC campus, then leave and attend a California Community College, and subsequently return to a different UC campus may use the IGETC pattern. It is recommended that students meet with a counselor to discuss possible further IGETC limitations.

**Notes:**

1. Courses cannot be double-counted to satisfy more than one area, even if a course is listed in more than one area. The only exceptions to this are several courses in Area 6A – Language Other Than English, which can also be counted towards area 3B.
2. \*\* UC limits transfer credit for some courses. Students may review the UC Transfer Course Agreement (TCA) with a counselor for information on course limitations.
3. A grade of "P" in approved coursework taken as Pass/No Pass through RCCD is acceptable for IGETC certification. It is important to keep in mind that some CSU and UC campuses may have limitations on the number of "Credit/No Credit" ("Pass/No Pass") courses that may be used to meet degree requirements. The UC system allows a maximum of 14 semester units graded "Pass/No Pass" (Credit/No Credit) basis of the 60 transferable semester units required for admission. There is no system-wide policy for CSU campuses. Therefore, each campus has established its own policy on limitations of courses transferred with grades of "Credit/Pass".
4. Some of the UC campuses do not accept or recommend IGETC for certain majors, (*i.e.* Engineering, Sciences). Students should consult with a counselor to determine the most appropriate general education pattern for their major and intended transfer institution. For updated information about IGETC limitations visit:  
<https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/preparing-to-transfer/general-education-igetc/igetc/campus-guidance.html>
5. IGETC area 7 is effective for students beginning at a CCC in fall 2023 and beyond. Students with continuous enrollment prior to fall 2023 may choose to complete the pre-fall 23 IGETC pattern without Area 7 and with 9 units from at least two different disciplines completed in Area 4.
6. There may be transfer limitations on certain types of credits - please consult with a counselor to discuss any such limitations.
7. It is highly recommended to make an appointment with a counselor to complete a student educational plan (SEP).

**IGETC for STEM** - Students pursuing certain Associate Degrees for Transfer may be eligible to complete IGETC for STEM, deferring two to three lower-division GE courses until after transfer. IGETC for STEM is applicable only to majors in which the Transfer Model Curriculum explicitly indicates the availability of the option. **At Norco College, currently only ADT's in Biology, Chemistry, and Environmental Science allow IGETC for STEM.**

**"IGETC for STEM" certification as part of an Associate Degree for Transfer in Biology, Chemistry, or Environmental Science would require:**

**Complete the following courses *before* transfer:**

- All courses in Areas 1, 2, 5, and 7 of the traditional IGETC; and
- One course in Area 3A; one course in Area 3B; and one course in Area 4 (the second area 4 course will eventually need to be from a different discipline).

**Complete the following courses *after* transfer:**

- One remaining lower-division general education course in Area 3;\*
- One remaining lower-division general education course in Area 4 (in a different discipline from the first area 4 course);\* and
- One course in Area 6 for UC-bound students who have not satisfied it through proficiency.\*

\*These deferred lower division courses must be replaced with calculus and/or science courses required by the major before transfer.

***Please consult with a Norco College counselor to discuss which general education pattern is the best option for you based on your individual major, goals, and transfer institution.***

Norco College

California State University General Education Requirements 2024-2025

The courses listed below will fulfill the lower division general education requirements for all CSU campuses.

To obtain a Bachelor's degree from a CSU campus, a student must complete 48 units of general education. A community college can certify 39 of these units as having fulfilled the CSU lower division general education requirements. The remaining 9 units of upper-division general education coursework are to be taken at the CSU campus after transfer. A course can only be certified if it was approved for CSU GE when it was taken. This is the approved list for courses taken Fall 2024 through Summer 2025. See www.assist.org for prior years.

**Note: Riverside City College and Moreno Valley College are separate colleges and the courses that are approved for CSU GE may vary. Students who wish to take courses at another institution and apply them towards CSU GE should always first consult with a counselor to make sure the course will fulfill the intended requirement.**

### CSU Graduation Requirement in United States History, Constitution and Government:

Although this is not part of the general education requirements, it is a CSU graduation requirement that you can complete at a community college before you transfer. ETS-2, HIS-6/6H, 7/7H, 31, or 34 may also be used to partially fulfill area C or D. HUM-16 may also be used to partially fulfill area C. HIS-61 or POL-1/1H may also be used to partially fulfill area D. ETS/POL-21 or 23 may also be used to fulfill area F or to partially fulfill area D. ETS/HIS-14 may also be used to fulfill area F or to partially fulfill area C or D.

#### 1. U.S. History

ETS-2 Introduction to Chicana and Latinx Studies (Same as HIS-31)  
ETS-14 African American History I (Same as HIS-14)  
HIS-6 United States History to 1877 or HIS-6H Honors United States History to 1877

HIS-34 History of Women in the United States  
HIS-61 US History from a Chicana/o/x Perspective: 1848 to Present Day  
HUM-16 Arts and Ideas: American Culture

#### 2. Constitution and Government

ETS-21 Latinx Politics (Same as POL-21)  
POL-1 American Politics or POL-1H Honors American Politics  
POL-21 Latinx Politics (Same as ETS-21)

**Note:** Norco College's POL-1/1H or ETS/POL-21 fulfills the CSU graduation requirement in both U.S. government and California state and local government. Students who have completed ETS/POL-23, or who have received a score of 3 or higher on the AP U.S. Government and Politics exam, or who have taken a U.S. government class at an out-of-state institution may have fulfilled the U.S. government requirement but will still need to fulfill the California state and local government in order to graduate from the CSU.

#### Notes:

1. Courses cannot be double-counted to satisfy more than one GE area, even if a course is listed in more than one area.
2. Upper division transfer students will need to complete a minimum of 60 transferable units, their "Golden 4" courses, and at least 30 units of general education.
3. "Golden 4 courses" in areas A-1, A-2, A-3, and B-4 must be completed with grades of "C-" or better. However, RCCD requires a "C" grade or better to meet course prerequisites.
4. It is highly recommended to make an appointment with a counselor to ensure proper academic planning and to complete a student educational plan (SEP).
5. There may be transfer limitations on certain types of credits - please consult with a counselor to discuss any such limitations.
6. CSU GE area F is effective for students beginning at a CCC or a CSU campus in fall 2021 and beyond. Students with continuous enrollment prior to fall 2021 may choose to complete the pre-fall 21 CSU GE pattern without Area F and with 9 units from at least two different disciplines completed in Area D. For purposes of area F, continuous enrollment is defined as attendance in at least one semester per calendar year at a CSU or California Community College or a combination of the two. See a counselor for details.

**CSU GE for STEM** - Students pursuing certain Associate Degrees for Transfer may be eligible to complete CSU GE for STEM, deferring two lower-division GE courses until after transfer. CSU GE for STEM is applicable only to majors in which the Transfer Model Curriculum explicitly indicates the availability of the option. **At Norco College, currently only the ADT in Biology allows CSU GE for STEM.**

**"CSU GE Breadth for STEM" certification as part of an Associate Degree for Transfer in Biology would require that the student has completed:**

- a. All courses in Areas A, B, E and F of the traditional GE Breadth curriculum; and
- b. One course in Area C1 Arts and one course in Area C2 Humanities; and
- c. One course in Area D

**Please consult with a Norco College counselor to discuss which general education pattern is the best option for you based on your individual major, goals, and transfer institution.**

**NORCO**  
**COLLEGE**  
**RIVERSIDE COMMUNITY COLLEGE DISTRICT**  
*Associate Degree Requirements*  
**2024-2025**

**Graduation Requirements**

The governing board of Riverside Community College District shall confer the associate degree or certificate of achievement upon the student who has completed the following requirements:

1. **Residence Requirement**

For an associate degree, students must complete 12 units in residence within the District.

For a certificate of achievement, students must complete 50% of the certificate's coursework at any of the colleges within the Riverside Community College District with 1 course completed at the college awarding the certificate.

For an apprenticeship certificate, registered apprentices must complete at least two terms of an approved registered apprenticeship program at Riverside Community College District, with a grade of "C" or better.

2. **Grade Point Average Requirement**

Completion of the requirements for the associate degree with a minimum cumulative grade point average of 2.0 in the degree-applicable courses. If units accumulated beyond those required for the degree lower a student's cumulative grade point average below 2.0, RCCD may compute the grade point average based solely on those courses used to satisfy the degree requirements, provided that the coursework used to compute the grade point average fulfill all major/area of emphasis and general education requirements.

If coursework is applied towards degree requirements from an institution using a "+/-" grading scale, the original grade points assigned by that institution as indicated on the transcript will be used to calculate the cumulative grade point average. Honors for graduation will be calculated in the same manner.

Each course in the associate degree's major requirements must be completed with a grade of "C" or better or a "P" if the course is taken on a "pass-no pass" basis.

Each course in a certificate of achievement must be completed with a grade of "C" or better or a "P" if the course is taken on a "pass-no pass" basis.

3. **Unit Requirement**

Associate of Arts and Associate of Science degrees require a minimum of 60 units of degree applicable coursework. Associate Degrees for Transfer (ADTs) require 60 units of CSU or UC transferable coursework.

Some courses are considered "non-degree applicable" and do not count towards the 60 unit minimum. For a listing of non-degree applicable courses and to see which courses are CSU-transferable, please see the Courses section of the catalog.

4. **Catalog Rights**

Graduation requirements apply to students who are enrolled for any term (summer, fall, winter, spring) indicated by this catalog: summer 2024 through spring 2025. Students who enrolled prior to this current year and who have maintained continuous enrollment have the option of meeting the current requirements or those in effect at the time their continuous enrollment began. Continuous enrollment is defined as attendance of one term during each academic year.

5. **Academic Coursework Taken at Other Colleges and Universities**

Transcripts from other accredited institutions, submitted as official documentation of a student's record, must be printed no more than 90 days/three months ago, be in a sealed envelope from the institution and be submitted to the Admissions & Records office at the student's home college. Course credit is accepted from institutionally-accredited institutions. Credit from institutions which are in candidacy status will be accepted after full accreditation is granted. The two years preceding full accreditation will also be applicable towards an associate degree.

6. **Petition for Graduation**

Students may apply for degrees and certificates during the following application periods:

Summer: First day of Summer term through July 15 to graduate in Summer

Fall: First day of Fall term through October 15 to graduate in Fall

Winter: First day of Winter term through February 1 to graduate in Winter or Spring

Spring: First day of Spring term through April 1 to graduate in Spring

Students who want to participate in the commencement ceremony must file their application by April 1 and may be missing no more than nine units to graduate. Students may earn more than one degree at the college.

### **Certificate and Associate Degree Applications**

Students will need to log into their MyPortal/WebAdvisor account online and choose Degree Application or Certificate Application from the Students Menu in order to apply for their degree/certificate. All official college transcripts or verifying documents must be on file with Norco College in order for the Evaluation/Graduation office to review applications and determine eligibility. A graduation check with a counselor is recommended before applying.

### **7. General Education Requirements**

General Education is designed to introduce students to a breadth of study through which people comprehend the modern world. It reflects the conviction of Riverside Community College District that those who receive their degree must possess in common certain basic principles, concepts, and methodologies both unique to and shared by the various disciplines.

Students who have been awarded a bachelor's degree from an institutionally-accredited institution in the United States will be exempt from the general education requirements should they pursue an Associate of Arts or Science degree at one of the District's colleges. This does not apply to ADT's.

Students pursuing an associate degree must complete either the RCCD GE, CSU GE, or IGETC general education pattern:

Plan A: The RCCD general education pattern which requires a minimum of 24 units. (See page 3 of this document)

Plan B: The California State University General Education (CSUGE) pattern which requires completion of a minimum of 39 units. (See CSU GE Pattern, separate handout)

Plan C: The Intersegmental General Education Transfer Curriculum (IGETC) pattern which requires completion of a minimum of 34 (UC) or 37 (CSU) units. (See IGETC Pattern, separate handout)

**Students should see a counselor for advice in selecting the general education plan that will best match their educational and career goal.**

### **Scholastic Honors at Commencement**

Honors at commencement will be awarded to students with a cumulative GPA of 3.30 or higher. Their names are listed in the commencement program as receiving the Associate Degree with Distinction (3.30 GPA) or with Great Distinction (3.70 GPA). A gold tassel will be worn by students graduating with honors. Coursework taken during the final spring semester will not be used to calculate honors at commencement. Grade point averages are not rounded up. If coursework taken at one or more accredited colleges is used to satisfy degree requirements, the overall cumulative grade point average will include the combination of all grades from all transcripts used.

### **Dean's List**

Each semester, those students who have demonstrated outstanding scholastic achievement by completing at least 12 units of credit-graded work in one semester or 12 units of credit-graded work earned in no more than one academic year (fall, winter and spring, with summer being excluded) with a grade point average of 3.0 or better (completed units will be considered only once for a particular Dean's List) will be recognized by a letter from the Dean of Instruction.

### **Transfer Limitations**

Students who wish to transfer are encouraged to complete an associate degree prior to transfer. Transfer requirements are different than associate degree requirements. There may be transfer limitations of credits based on institutional accreditation, course modality, AP/IB, CLEP and other forms of Credit for Prior Learning (CPL) and any other relevant factors - please consult with a counselor to discuss any such limitations.

## Communication, Media and Languages - Associate of Arts Degree - NAA495/ NAA495B/NAA495C

Communications is the study of how humans construct meanings through interactions. Courses in this area may focus on the knowledge and skills needed to communicate effectively in oral, written, or visual forms; on the study of language and culture; and/or on a critical understanding of the structures and patterns of different kinds of communication as they affect individuals and society. Studies in Communication, Media and Languages is designed for students interested in pursuing further studies in English, Journalism, Mass Communication, Media Studies, Communication Studies and World Languages at four-year institutions. It may be useful for students interested in pursuing careers in communications, graphic design, journalism, law, marketing, public relations, radio and television, translating, and writing, among others.

### Program Learning Outcomes

Students possessing an Associate Degree in Communication, Media and Languages can be expected to demonstrate achievement of the following learning outcomes:

1. Analyze college level texts to understand and apply themes and evidence in appropriate communication formats.
2. Evaluate purpose and audience to create well-developed, supported, and stylistically fluent responses in written or verbal form.
3. Evaluate and apply appropriate evidence in support of arguments made in different forms of communication.
4. Recognize and understand the role of nonverbal, verbal, interpersonal, visual, mass media, and cultural indicators inherent in different communication mediums.
5. Understand how socioeconomic and cultural factors work in constructing knowledge in different forms of communication.
6. Use a variety of research methods to collect and evaluate sources and evidence to apply in various forms of communication.

**The student must complete 18 units of study across three disciplines; 9 units must be taken in a single discipline with a grade of "C" or better or a "P" if the course is taken on a "pass-no pass" basis.**

**Not all courses listed in the Area of Emphasis degree are offered at all three colleges; please check your college catalog to see if a course you are interested in is offered at your college.**

## Social and Behavioral Studies - Associate of Arts Degree - NAS499/NAA499B/ NAA499C

Social and Behavioral Studies is a collection of academic disciplines dedicated to the scholarly study of the human experience. As a comprehensive and multidisciplinary area of study, Social and Behavioral Studies will afford the student an opportunity to explore and examine the nature and multitude of interactive relationships amongst and between individuals and between the individual and their social environment; ranging from the development of the individual, to the nuances of interpersonal interaction, to the dynamic structures of national and global communities. Ultimately, the student of Social and Behavioral Studies will gain a heightened awareness of the nature of their individuality, attain a greater understanding and appreciation of the complexities and diversity of the world in which they live and, become better equipped to succeed in an increasingly diverse and complex society.

Career paths typically chosen by undergraduate students emphasizing Social and Behavioral Studies include: Law Enforcement, Law, Human Relations, Human Resources, Social Work, Professional Childcare and Public Service Agencies, Teaching across the educational and academic spectrum, Consultation in the public and private sectors, Governmental Advisors, Speechwriting, and both domestic and international business professions.

### Program Learning Outcomes

Upon completion of this area of emphasis, the successful student should be able to:

1. Demonstrate a knowledge and understanding that the development, maintenance, and adaptation of the individual self and the personality is a product of the interaction between the individual and their social environment.
2. Demonstrate a breadth of knowledge of the social and cultural environments at the local, regional and global levels.
3. Demonstrate a working knowledge of the many facets and intricacies of social interaction from the intrapersonal, to the interpersonal to the societal levels.
4. Demonstrate an ability to apply the theories and principles of human development, human interaction, cultural diversity, and global awareness to their everyday lives.

**The student must complete 18 units of study across a minimum of three disciplines listed below with a grade of "C" or better or a "P" if the course is taken on a "pass-no pass" basis.**

**Not all courses listed in the Area of Emphasis degree are offered at all three colleges; please check your college catalog to see if a course you are interested in is offered at your college.**

### Associate in Art for Transfer Degree

The Associate in Art in Social Justice Studies for Transfer degree will be awarded upon completion of 60 California State University (CSU) transferable units including the above major requirements and the Intersegmental General Education Transfer Curriculum (IGETC) or California State University General Education (CSUGE) requirements and with a minimum grade point average of 2.0. All courses in the major must be completed with a grade of 'C' or better (or a 'P' if taken as Pass/No Pass).

## Sociology - Associate in Arts for Transfer (ADT)

The Associate in Arts in Sociology for Transfer degree is designed to prepare the student for transfer to four-year institutions of higher education and specifically intended to satisfy the lower division requirements for the Baccalaureate Degree in Sociology at a California State University. It will also provide the student with a sufficient academic basis from which to pursue a career in the social science professions. The student will be afforded the opportunity to study the nature of the human affinity for aggregation and the complexities of societal organization. The breadth of Sociology will be examined to include the historical and contemporary theory and research as the basis from which to gain an in-depth awareness and understanding of the world in which we live.
