

**RIVERSIDE CITY COLLEGE**  
**SCHOOL OF NURSING**

**Concurrent Enrollment Program (CEP) (RCC-CSU)**

**General Information**

The CEP program is a 2 ½ - 3 year (full-time) program for qualified participants who are selected from a pool of RCC ADN students who have met all CEP program eligibility requirements and have applied for admission to the CEP. The graduate earns an Associate in Science Degree in Nursing and is eligible to apply for the National Council Licensure Examination for Registered Nurses (NCLEX-RN) for licensure as a Registered Nurse in the State of California.

**Application to the School of Nursing**

Students applying to the School of Nursing must have all eligibility, general education, and prerequisite requirements completed at the time of application. General education courses must be CSU certified prior to be considered for the program. The applicant is responsible for ensuring that **ALL** official up-to-date transcripts and other necessary documentation have been received by Riverside City College at the time of application.

1. Admission will be denied to an applicant who earned a grade of “C-” or less in a nursing program at another college.
2. Foreign transcripts must have a “Detailed Evaluation,” and be submitted by the application deadline. Information can be obtained from the Counseling Office.
3. Students must have applied to the college prior to making application to the ADN (RN) program.
4. Meeting minimum requirements of the program does not guarantee admission into the program.

**Application Filing Period**

**SPRING SEMESTER** - Application filing period between first business day of July to first business day of August.

**FALL SEMESTER** - Application filing period between first business day of November to first business day of December.

**PETITIONING STUDENTS:** (Students applying to repeat a course or for transfer): Year round

Applications may be obtained at the Nursing [website](#) during the application filing periods. Applications must be submitted electronically to [nursing@rcc.edu](mailto:nursing@rcc.edu). Please verify current application filing period dates on the Nursing website or School of Nursing at (951) 222-8407.

**Requirements for Eligibility and Prerequisite Courses**

To be considered for participation in the CEP, the following is required:

- Complete the RCC nursing program application. Indicate on the application the *Concurrent Enrollment ADN/BSN* option.
- Complete all RCC and CSU prerequisite and lower division GE requirements (see *CEP Program Map*).
- Verify with RCC School of Nursing Office for validation that prior coursework meets CSU General Education requirements for fulfilling lower division categories A, B, C, and D.
- Meet the overall minimum GPA of 2.75 in all RCC nursing preadmission required courses and an overall GPA of 2.75.
- Maintain a 2.0 grade point average in all coursework while enrolled in the CEP program.

- Register for and attend a CEP Information Session.
- The *Test for Essential Academic Skills (ATI TEAS-TEAS 6)* is required for all applicants to the ADN (RN) program. Please see *RCC SON TEAS Test* policy in the Enrollment Handbook for detailed information.

## **Advising**

An RCC Nursing Counselor, Nursing Educational Advisor, and Nursing Enrollment and Evaluation Specialist are available for information regarding the CEP and application advisement. Once admitted to the CEP, CSU advisors will be available on their respective campuses to meet in-person, via email or by phone.

## **Anatomy and Physiology Requirement**

Riverside City College encourages students to complete the entire series of Anatomy and Physiology at one school. This is due to the concern of possible missing components in curriculum when completed at separate colleges. Nursing applicants that have taken Anatomy and Physiology at two separate colleges are required to receive approval for these courses by requesting a “Course Equivalency” form from the Counseling or Evaluations Departments.

## **Selection Procedure**

Available enrollment spaces are selected by rank order (highest points) of the multicriteria factors and random selection (see Enrollment Criteria for Concurrent Enrollment RN Program (RCC-CSU) Students). Riverside City College reserves the right to designate a certain number of spaces for contract agreements and/or meet requirements of grant- designated outcomes.

Applicants with a regionally accredited Bachelor’s degree from the U.S.A. will be waived from completing the 6 general education courses, but must have taken the science prerequisites, satisfy the Psych 9 requirement, and have taken courses in English Composition, Communication and Sociology/Cultural Anthropology.

Students must pass the *ATI Test for Essential Academic Skills (ATI TEAS – TEAS 6)* prior to program enrollment. Please see *RCC SON TEAS Test* policy in the Enrollment Handbook for detailed information.

For specific information regarding the SON selection criteria, please see the *Nursing Enrollment Committee Policy and Procedure Manual*.

If a student is not offered a space in the program, a new application is necessary for the following application period. The School of Nursing has no wait list.

## **Transcript Requirements**

Transcripts are “Official” when they are sent directly to RCC from the sending institution, or are hand-delivered by the student in a sealed envelope from the sending institution. Copies of transcripts/diplomas not accepted. Transcripts are “Up-to-date” when they are received by RCC no more than 90 days after the sending institution issued them, as verified by the date that the institution stamps on the transcript. If you need to request an official copy of your transcripts from other colleges previously attended, a Transcript Request form is available in the Transfer Career Center. Transcripts that are not official and not up-to-date will be returned to the student, and will lower priority status if the official transcript is not submitted by the deadline. Please be aware that your transcripts will be purged after one year if you have never been enrolled at RCC, or if you have not been an RCC student for four years.

## **Recommended Electives During Program**

It is highly recommended that all nursing students enroll in a Nursing Learning Lab (B and/or C course) each semester. These electives provide opportunities for additional self-paced practice and mastery of nursing skills. Instructional guidance and computer assisted materials which support semester student learning outcomes are also available.

## **Expenses (per year)**

1. Students pay Health Services Fees (\$25), parking (\$150), Student Services Fees (\$30) and tuition (\$46) per unit each semester. The cost is approximately \$6,000 for four semesters and an intersession.
2. Students furnish their own uniforms. The cost is approximately \$250.
3. The costs of nursing books, supply bag, iPad, testing platform and other required supplies are approximately \$2,500 for two years.
4. Physical examination/lab work costs are approximately \$98 - \$600.
5. Background checks/CPR costs approximately \$220.
6. It is recommended that students carry personal health and accident insurance including hospitalization. Policies are available to college students at reasonable rates. The college provides liability insurance at no cost to the student.
7. Students are required to purchase standardized testing package for use during the program. Estimated cost is \$580.

*When planning expenses, students should be aware they may have to limit their hours of employment due to extensive ADN Program requirements. Scholarships and grants are available to those students who qualify.*

## **California Board of Registered Nursing Legal Limitation of Licensure: Misdemeanors/Felony Notification**

Graduates of the Associate Degree Program are eligible to apply for the NCLEX-RN for licensure. This requires that applicants submit fingerprints and report any prior conviction of any offense other than minor traffic violations. Failure to report such convictions can be grounds for denial of licensure. The Board of Registered Nursing investigates convictions by obtaining information on the underlying facts of the case, dates and disposition of the case, and subsequent rehabilitation.

Questions pertaining to the legal limitations of licensure for such convictions should be addressed by the student to the Board of Registered Nursing **prior** to beginning the Associate Degree Program: Board of Registered Nursing, California is P.O. Box 944210, Sacramento, CA 94244-2100 or call (916) 322-3350; website [www.rn.ca.gov](http://www.rn.ca.gov).

### **Health Examination and CPR Certification**

Students will be admitted to the program pending submission of a CPR card (American Heart Association BLS Healthcare Provider Course) valid for 2 years, and a completed health examination form with clearance permitting unrestricted functional activities essential to nursing practice in accordance with the American with Disabilities Act (1990). Health Exam and CPR Certification are not required at the time of application.

### **Background Check/Drug Screen**

All new and readmitting students are required to demonstrate a clear background check and drug screen prior to enrollment in clinical courses. See *Background Check/Drug Screen* policy for further details. The background check requires that students be able to provide a valid social security number. The process for obtaining the background check is available in the School of Nursing office.

### **Citizenship and Immigration Status Verification Required for VN/RN Licensure**

The Federal Personal Responsibility and Work Opportunity Reconciliation Act requires government agencies to eliminate “public benefits” to individuals who cannot provide proof of their legal status in the United States. “Public benefit” has been interpreted to include a license issued by a state. This means that all applicants for licensure as vocational/registered nurses will be required to submit verification of citizenship or legal residence status in the United States. A license will not be issued until legal status in the United States has been confirmed by the Immigration and Naturalization Service.

### **Disclosure of Social Security Number/Tax ID Number**

Disclosure of one’s social security number or tax ID number is mandatory for licensure by the BRN in accordance with Section 30 of the Business and Professions Code and Public Law 94-455 (42USCA 405 (c)(2)(C)).

### **Fingerprint Requirement**

One requirement to qualify for the licensing examination is the submission of Live Scan fingerprints. These are evaluated by the California Department of Justice and the FBI.

*The Riverside Community College District Board of Trustees has adopted policies and procedures and has endorsed practices which provide for the District and its employees and students to be in compliance with all the applicable laws relating to prohibition of discrimination on the basis of gender, age, race, color, national origin, religion, disability or sexual orientation.*
