**NORCO PRESIDENT**

Dear President Davis:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met November 4-5, 2010 to review the Substantive Change Proposal Addendum from Norco College to add courses delivered at 50% or more through a mode of distance education or electronic delivery.

The Committee acted to approve the Substantive Change Proposal Addendum from Norco College.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Sincerely,

Susan B. Clifford, Ed.D.  
Vice President
