Other Information

23.	Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit).
	Regarding #20, Student Learning Outcomes and Assessment, additional courses were added to our assessment software system in 2016-17 as a result of additional programs and due to a catalog clean up which reconciled the software with the catalog. In addition, all faculty have set up a six year assessment cycle for each of their classes and this is being followed closely.

The data included in this report are certified as a complete and accurate representation of the reporting institution.
