STUDENT INVITATIONAL X

SPRING 2021

NORCO
COLLEGE

The *Student Invitational* is an exhibition of selected works by students currently enrolled in Studio Art classes at Norco College. Collectively, these works are a cross section of the Studio Art Program at Norco College.

This year marks the 10-Year Anniversary of student art exhibitions at Norco College. The very first exhibition at Norco College Art Gallery was the *1st Annual Students of Art & Design*, held in Spring 2012 and organized by the founding Gallery Director/Professor Emerita, Karin Skiba.

While we would prefer to present these works in person inside the Norco College Art Gallery, we hope you will enjoy scrolling through the images presented here. In-person exhibitions will return in Fall 2021 and by Spring 2022, the Studio Art students will once again be exhibiting their work in the Norco College Art Gallery.
