IX. ASNC Advisor Report

Pizza is from Cyndi to thank us for helping with the sense survey.

For the Ad Hoc committee the president would like to have surveys for the Norco college population.

There was a meeting in the district regarding the galaxy program

The food pantry hours are now available

There is a blood drive going on monthly, we just need to publicize it.

X. Executive/Committee Reports

Admin: No report

Finance: At ISPC meeting. Will get back to us with shade sales. Sent out the updated budget.

Activities: Every person will be paying for their shirts; ASNC-\$10, \$15 for others. Please respond to the group message for the volunteer list. Make a poster for the veterans benefit concert. We will be accepting cans on Nov. 15 till 2pm. Not going to be here on Thursday so please listen to my senators.

Relations: Pink week posters are done; more will be posted after the rain.

Org: There will be a sex trafficking presentation on Friday Oct. 19. Oct. 11 The Political science will have a district attorney come out. There is a finalized date for the ICC retreat which is Nov. 2

President: Me, Edwin and Raiann had a galaxy workshop. Melissa is the controller, she works with the finance department she said to Dr. Isaac that RCCD will move their finances to Galaxy. Allegedly takes about 5 business days to get back, but from experience it takes about 10 weeks to reimburse.

Shawn: are they saving a bunch of money by switching?

Edwin: they never really mentioned that was the motive.

P: Melissa said it's not really a convenience for the students. Its more for the district.

Raiann: There is a negative feedback towards Galaxy, no one really supports Galaxy. I will definitely be talking to Dr. Collins

*The Chair reserves the right to modify the order of business as it deems appropriate.*

P: something that triggered me was that it doesn't matter who puts the requisition in first it depends on the position.

R: If we aren't able to break the fight then our last resort will be to go to the chancellor  
I had a meeting yesterday and we discussed the student services fee, Galaxy.  
Chancellor wants 8,400 students to complete the survey that's about 60% of the student population.

Ray: what if the other colleges don't get that far what would happen?

Edwin: yeah so if the other campuses don't want this then it wouldn't go through

Shawn: even if we find a trick to find a way to do it then we need to find a way to get them to know what they're voting for

MK: I think if we can get multiple ways then it can work. We can have a meeting to inform students.

Edwin: let's say the average is 30 students that's 280 classrooms

MK: how long do we have?

P: when I asked the student trustee he said Dec. 1<sup>st</sup>

Edwin: yeah last year we did discuss it at FDCC and the turnout was well.

a. Technology committee- Javier

We went through a long survey regarding all the tech in the campus, to see who's taking advantage of that. The school is redesigning the school website. It should be done by the end of this year.

R: do we edit our own website?

President: yeah we do

J: they just want the students to know of the resources

b. Summer Advantage program Committee: Teresa

This was mainly about

The Norco college promise program. It is mainly for the summer advantage program.

c. Grants committee: Ana

The college promise program is only for those who are eligible based on their income. There is a Wal-Mart foundation funding, and the members want to see how the school will use the money and see how they will benefit from it.

d. Student services planning council: Aimee

Asking for two more reps, it's on Wednesday at 1:30pm

e. Norco assessment committee- Tazja

Tazja is now a part of the marketing committee

f. Diversity, equity, and inclusion Committee: Summer

It was kind of a mini retreat we just talked about events that we want to do to make students feel more included. Nov 1st around college hr. or 12-1PM, the committee wants to do something for dia de los murtos maybe have some pan dulce. If anyone has other events then please let me know.

g. Academic senate: Autumn

They are allowing students to have a photonics program here at Norco College. Also discussed the EW and lastly we will be changing our mission statement. Melissa will come in and they just discussed a mission statement they liked best

*The Chair reserves the right to modify the order of business as it deems appropriate.*

h. Completion Initiative: Mentor

Meeting was cancelled

i. ISPC: Raiann

The shade cells were brought up and they're trying to figure out what to do and where to put it. Until then we will be waiting it out. Discussed how the chancellor wants on board for the photonics program

XI. For the Good of the Order/Announcements/Comments from the Public

*This time is reserved for members of the public and ASNC officers to address the ASNC on issues not already appearing on the agenda. A limit of three (3) minutes per speaker shall be observed.*

President: I did sit on the hiring committee; the candidates' are for the students

Aimee: Every student is going to have to enroll for winter and spring. Nov.13-16 is the registration dates for the winter and spring

XIII. Adjournment: 3:56PM

*The Chair reserves the right to modify the order of business as it deems appropriate.*
