Raiann: Would this be for current elections since i have my personal statement abd since election packet is already turned in i am wondering why we would make this applicable to the current election and how would we accommodate for people who turned in the packet since this came up later.

Motion

V. Old Business:

VI. New Business.

Sen.4.25.01 Bill#2: Officers may not run for the Same Position Multiple Times

Motion Author: Sarah Gadalla, Autumn Parra

(Action)

The Associated students of Norco College will vote on adding the following Language to the ASNC bylaws under article XV Section 1:(d. Candidates may not run for the same position more than once).

Motion: Aimee

Second: MK

Shawn: I agree with Raiann to not have this until next election, because the candidates have already prepared. Aimee: Once you vote something, its in our constitution to keep it there and put it in action right away, instead of waiting on it.

Shawn: Can I amend this to start next election?

President: Yes.

Shawn: I amend this line item to begin for the next election.

President: Discussion?

The Chair reserves the right to modify the order of business as it deems appropriate.

Approved by Consensus.

President: If there are no objections, I would like to amend Shawn's amendment to Officers may not run for the same position multiple times after withholding the position after winning the election.

Any objections?

Approved by Consensus.

President: Now, we are back to discussing for this to take place after the election.

Edwin: Whenever we vote on something, it takes effect immediately.

President: Any discussion?

Edwin: You should be talking about whether this should take effect immediately or after the election.

President: This doesn't apply to anyone withholding the position right now.

Abraham: Does this mean we have to start all over with elections?

President: No, that is not how it works.

Shawn: If this amendment doesn't go through, the ones who have held positions cannot run for anything at all?

Ana: To me, it doesn't make sense because agenda was posted before so someone could've brought it up.

Motion fails by majority.

5-10-0

Raiann: I want to know what accommodations would be made for people who turned their election packets.

President: It would be up to the elections committee.

Aimee: I think Nate should meet with the committee first.

President: I call a recess for three minutes, we will return at 2:45 PM.

Meeting called to order at 2:45 PM.

Nathaniel: Ultimately, you would have to change your personal statement and tell Edwin your new choice of position by next Friday.

MK: Can we reconsider the previous question? I feel that some people were confused on what we are voting on. I motion to vote so we can solidify it.

Second: Amber

Approved by Consensus.

President: Please speak if you are a pro or a con for this amendment, if I have not already heard the points needed to be made.

Shawn: It is unfair to prepare to be a candidate for one committee and then have to change it.

MK: This is gonna not only decide something for this election but also all the future ones, so it is really important to speak your opinion on it.

Edwin: If you vote yes on this amendment, it will not take effect immediately.

MK: I call the question.

Second: Nate

7-9-0

The Chair reserves the right to modify the order of business as it deems appropriate.

Motion Fails

President: Now, we are back on the actual line item.

Shawn: How long is an actual term?

Edwin: Two semesters of an academic year.

Raul: If a president leaves halfway, then what would happen?

Nathaniel: The VP of Administration would step up.

Abraham: If this does pass, and we really need that one candidate, then they should be allowed to run?

Aimee: I call to question.

Taja: Second

President: All those in favor to end the discussion?

12-3-0

Approved Majority.

President: All those in favor for Bill #2: Officers may not run for the same position multiple times if they have won the election?

12-3-0

Approved Majority.

IX. ASNC Advisor Report

Edwin: The Summer Advantage mentor application is due tomorrow. It is a week after commencement. You have to be available Monday-Thursday.

Ana: You should just apply even if you don't think you will get it because we need a lot of mentors, because there is a lot of high school students.

Edwin: At Exec, we talked about attendance and we definitely need to improve in two ways, through our expectations. We can make things mandatory and if you sign up for something and not come through at the proper time then, it is considered an absence. We need a notice and it is all for the betterment for the organization. I understand, we are all busy, but it messes others up. I saw you all turn out a lot this week. Nomu is the longest event we have ever put on. ASNC got shoutouts from STEAM week. Thursday, May 2nd is the Salsa Competition for Cinco de Mayo put on by the Veterans during college hour.

X. Executive/Committee Reports

Administration: I would like to say thank you all for helping out with the elections part and helping get people to vote.

Finance: Edwin passed on the budget proposal to the district and the budget is basically up to date. If anyone needs it, let me know.

Activities: For Nomu, we will meet at 10 AM. I want everything set up early and we will stay there until everything is good to go. That is when everyone can leave. The event starts at 5 and the Ferris Wheel will be set up a day before. If you guys know anyone else that wants to help, let me know.

Amber: Can anyone, even people not in ASNC, help out?

Aimee: yes.

The Chair reserves the right to modify the order of business as it deems appropriate.

Aimee: Thank you to everyone who helped out at Silent Disco.

Relations: We are going to postpone the Day at the Park since everyone is busy and we will probably do it after elections when people are less stressed and available.

Organization: Thank you to everyone who helped me out with the Egg Hunt. We had more than a 100 people, and it was very successful. UMOJA is having a Open Mic Night tonight. On Saturday, STEM is having a Joshua Tree Park. GSA is having a Under the Stars Dance on May 10th. Criminal Justice is have a donation drive.

President: I am very proud of you guys and this voting and understanding it will help you in leadership and politics. In elections, be supportive whether you win or lose.

Raul: When will you know who won for ASNC elections?

Edwin: They will find out on May 10th.

President: Next week, please wear your polos. I have some important dates for you all. On May 2nd at 11:30 AM, Classified Professional of the Year will be in the Upper Lounge and they invited all of ASNC to attend. We work with them a lot. May 7th at 12:50 PM is Committee of the Whole, its basically all shared governances in CSS 217. There is another one on May 16th. There is a information session for Committee of the Whole on May 15th from 4-5 PM. The Equity Plan meeting is tomorrow from 1-3 PM, so the students that signed up should attend.

Technology Committee- Aimee, Sarah

Sarah: There was a survey they wanted to emphasize. They want us to make fliers and promote so they can have feedback from students. They want more things set up for more students.

Summer Advantage Workgroup-Teresa & MK

Both representatives were not able to attend

Edwin: The agendas for it were sent out late.

Curriculum Committee- Francisco

Francisco: Certificates for anthropology are available and 6 new classes have been added. Four new classes were added for Sociology and 7 new classes were added for Political Science.

Grants Committee- David

David: They are talking about adding a agricultural grant for farming classes and they disagreed on it because of lack of information but they still passed it to ISPC.

Student Service Planning Council- Nate

Nathaniel: We talked about and voted on the Reviewed Educational Master Plan and also we received information on Equity plan.

Program Review- Damien

The Chair reserves the right to modify the order of business as it deems appropriate.

Damien: We made a new resource request form and were finding goals for the resource request. We included student services program in program review. Have a ranked list of resource requests to Dr. Lee by May 15th. The survey of committee effectiveness was tabled.
