VI. New Business.

Sen.10.27.01 Approval of \$10,000, from line item 92133, towards Generators for Future Events.

Motion Author: Tharek Phounsavat

(Discussion/Action Item)

The Associated Students of Norco College will discuss and vote upon the request of \$10,000 in funding to purchase generators for ASNC's future events.

Tharek Phounsavat: Edwin and I have been discussing ways we can spend the budget right now. We figured it would be best to spend on things that would benefit the future and for ASNC. We are thinking about getting a generator. One large gas power generator to power things that require a big stage. Also looking at three electric generators for smaller booths that can give power to lights or whatever they would like to use them for. The small gas ones smelled bad and were kind of loud. We would benefit by getting more quiet and less smelly generators for future events. The money would come out of the transportation line.

VII. ASNC Advisor Report

Voting Event

Edwin Romero: Voting event is today at 5 o'clock.

The Chair reserves the right to modify the order of business as it deems appropriate.

Angelica Calderon: We discussed this last week so everybody should know. Any questions about the election or the ballot?

Rochelle Duran: I guess by looking at the flyer, one question is that why should young people vote and why is it so important?

Women's Lean in Circle

Edwin Romero: Tomorrow the Women's Lean in Circle is having a spa day. I had sent out an email regarding that.

ASNC Responsibility

Edwin Romero: It is a part of your responsibility to check your email and the GroupMe chat. It is basically a business.

Enrollment

Edwin Romero: The enrollment is down so that means that they budget is affected. They may need to borrow money for the shortfall that they are having. Just to put it in perspective that may be about 250 employees. It can be all the classified staff which is about a third of the staff. Most likely they are going to ask ASNC to borrow that money.

VIII. Executive/Committee Reports

Admin

Arielle Benas:

Anisha Salhotra: About the minutes and agenda, we are going to try to get the minutes and agenda out super early. Can you please look them over in advance that way we can get them out. It's hard to adjust them last minute and get them out on time.

Activities

Tami Ajayi: We do have a virtual magic show at 5pm. We do have an event that is a stress workshop collaborated with other clubs.

Winter class schedule is already out, and the Spring class schedule is out on November 16th. The surveys are sent to your school emails.
