**Sen.04.22.01 Approval of up to \$10,000 from Choir Travel (92461) to purchase promotional items.**

**Motion Author: Edwin Romero  
(Discussion/Action)**

*The Associated Students of Norco College will approve funding to purchase various promotional items, such as pens, t-shirts, table clothes, and travel mugs.*

Edwin Romero: I spoke to the director of the choir program and he says that they are not going to use that travel money, but he suggested on purchasing promotional item. We are looking at buying power banks, flags, tablecloths, t-shirts. Maybe a big ASNC banner we can put up. We have storage space that we can store our items. It would just be a big purchase order for random promotional items for ASNC.

**Sen.04.22.02 Approval of up to \$2,500 from Conference & Travel (92210) to purchase promotional items and supplies for Commencement.**

**Motion Author: Edwin Romero  
(Discussion/Action)**

*The Associated Students of Norco College will approve funding to purchase various promotional items and supplies for Commencement.*

Edwin Romero: There are some items that the commencement budget cannot pay for. It is hard to argue that this commencement uniform is a t-shirt. Mark was saving it would be around 500 t-shirts for a total of \$2,000. We should amend it to \$2,200 to have some wiggle room. Initially it was planned for the district to pay for it through their budget, but they cannot.

**Sen.04.22.03 Safe Return to Campus Survey**

**Motion Author: Angelica Calderon  
(Discussion/Action)**

*The Associated Students of Norco College will discuss the results of the Safe Return to Campus Survey.*

Angelica Calderon: Edwin will pull up the survey results. Question three asked if about their comfortability level if we went back to 100% occupancy in the classrooms. Question four asked why they would feel their comfortability level. We also asked them where or who to ask about campus reopening policies and it seems like a lot of them do not know. We also asked them if they plan to return to face-to-face classes in fall and then to explain. Another question asked if they planned on getting the vaccine before Fall of 2021.

## VII. ASNC Advisor Report

Edwin Romero: Quick report, I just wanted to encourage you all to look at the student trustee application. The application is on our home page as well as the ASNC Instagram. Application is due today. There might be a couple of students interested.

## VIII. Executive/Committee Reports

### Administration

Anisha Solhotra: I sent the attendance in the chat. Nothing has really changed. If you have any questions or concerns about the agenda, please contact me. Please keep promoting the elections.

Please promote it within the groups, clubs, and organizations that you are in. I will be sending out the timelines this week.

### Finance

Tharek Phounsavat: I updated the budget and made some changes. We were missing some pages in the budget. We also had to add new line items that were made this year. I also hyperlinked all the budget items, so it is quicker to get to those pages. I also made it conditional formatting to know who has what money left whether it was a lot or a little. We had some reimbursements for Sean Davis, Mark, and Edwin.

### Activities

Tami Ajayi: The magic show is tomorrow, and I really hope I see you all there. I appreciate you all for sharing the flyer. We also have extended the transfer scholarship to May 2<sup>nd</sup>. Make sure to get in that application.

### Relations

Sami Irfan: We have one more follow-on Instagram. Please share the flyers that are on the Instagram. It is the flyers for the magic show and the transfer scholarship. I did meet with Eric Calderon from UCR, and it is a collaboration with community colleges and all the public and private schools that is like Region Nine about problems. They want one or two students from each school to participate in the meetings and then focus on the problems and then separate us into subcommittees and tackle them like that. I think it is a pretty good idea. It allows us to connect with other schools and come up with good ideas. This would be for next year.

### Campus Organizations

Rochelle Duran: Yesterday there was a board of trustees meeting at 6pm. We wanted to do a giving back event. We want to nominate a student that is going through hardships and give them gift cards. I am going to send out a poll through GroupMe about a hashtag.

### Executive

*The Chair reserves the right to modify the order of business as it deems appropriate.*

Angelica Calderon: I did have a meeting with Dr. T on Monday, and we discussed about the upper lounge. We did speak about the UMOJA & Puente center and there are plans for the college center and upper lounge for that to be transformed and Dr. T confirmed that those are just rumors. Her and other VPs are planning things out. She said once that is planned out, she will come to our meeting and let us know about that. We also talked about student debt and they are not planning to have us pay all of it. I do have numbers and I can bring that next week. They plan on paying off the debt for students that have a debt of \$0 to \$99. Nothing more than \$100.

Distance Learning Online Committee.

Roman: I heard that the professors that are teaching online will have to have a credential for that. Also, that the grading would be like what it is right now.

ISPC

Angelica Calderon: Just went over the staffing reports, not much about students. We did not really discuss taking off a certain day for meeting and things like that. It has been on the agenda for the pass two meetings, but we did not get to that.
