Course Materials Committee:

- Grant was awarded for \$20k from SB 32 with the purpose/condition of making a fully ZTC/OER pathway.
 - Looking to turn entrepreneur certificates to associates.
 - Can work with any programs but the focus is on associate degrees.
 - Some GE's need to be a part of the program.
- Possibility of hiring/using an existing librarian/administrator to make OER/ZTC materials.
- Professors are given recommended choices for textbooks, but no professor is required to use certain textbooks.
 - Makes it hard to create an effective ZTC/OER pathway when professors aren't obligated to follow a standard.
 - Collaboration between multiple fields (like physics interacting with math) is a key strategy to make more successful ZTC/OER pathways.
 - Changing the book is a minor modification, changing the course description is a major modification that requires district approval.
- Outside contractor considered for OER content (videos, resources...)
 - Expensive

The Chair reserves the right to modify the order of business as it deems appropriate. ASNC | 3

Legislative Meeting of the Associated Students of Norco College

- Not sustainable (one time grant)
- Revisions on materials is expensive.
- How can we imbed ZTC/OER curriculum while making it sustainable?
