Non-officers can attend committees; they are not required to attend, whereas ASNC members are required to attend. The committee schedule can be found on the ASNC discord, under announcements. On the schedule, green highlights are what we are still looking for positions. All VPs are serving on one committee. The academic senate meets once a month for one to one and a half hours. VI. New Business:

VII. ASNC Advisor Report

Committees are crucial to attend and report on. Take notes and report them; committee notes will be posted on Discord. Go to committees prepared with notes to report on.

Office Rules: The computers on the left are open to the public. Back computers are only for office use. No friends or people not interested in office-related activities. The back table can be used by other groups/organizations if they have no other space to use and will be utilizing it for business. Other than that, the space should only be used by ASNC officers.

VIII. Executive/Committee Reports

Muzammil: Make a schedule for the team to clean the office fridge. Shall be cleaned once a week; failure to do so will count as half an absence. ASNC space must be clean after use and remain clean.

Zayed: The Voter Registration event was a success. Hispanic Heritage Month event is on October 3rd.

Dilraj: Promotional event for Mustang app. Cold brew provided. Goal of 1,000 downloads.

Cheryl: Harvest fest preparation.

Yusuf: The college council meeting on the 12th, talked about new changes including attendance changes. Updates from last semester and how they will be moving forward. Meeting this Monday about ASNC changes inside the office. A vacant space is being used by part-time staff. Student voice will be valued regarding the space. Changes in office space were delayed by the district and were approved late into the summer. The intentions of office changes were of bad timing, not to affect MOC. Dr. Bing wants more unity between MOC and UMOJA. People are needed for the resource council to help communicate these changes.

Meeting with Norco president and Vice President- spoke of meeting with the chancellor. Events and promotional items to be held around campus to broadcast for ASNC budget. Need 10% of our budget, 20,000 total. 4,800 students register to vote. “www.yesoncc.com” is the website to be used for endorsements. The goal is to get 250 people to endorse by October 1st. Enforce measure CC through word of mouth and inform them of ballot dropoff areas. Juliette will serve as a voter registration educator.

The main goal is to get Measure CC approved to provide more funding on campus.

IX. For the Good of the Order/Announcements/Comments from the Public.

The Chair reserves the right to modify the order of business as it deems appropriate. ASNC | 2

This time is reserved for members of the public and ASNC officers to address the ASNC on issues not already appearing on the agenda. A limit of three (3) minutes per speaker shall be observed.

Juliette: ASNC, reminds people that even if they are not into politics, they will be affected by the changes being made. Give them a message that will make them think about voting and who they vote for when they walk away from the conversation and let them know that their vote does matter. Looking for Volunteers to help with voting booths and getting people educated on voting.

ASNC cannot promote endorsements. They can, however, be promoted as students.
