The Chair reserves the right to modify the order of business as it deems appropriate. ASNC | 2

This time is reserved for members of the public and ASNC officers to address the ASNC on issues not already appearing on the agenda. A limit of three (3) minutes per speaker shall be observed.

Attendance: absences are only granted to family/personal emergencies or school-related events. Everything else is a half or full absence.

Enrollment for Norco College is dropping. Efficiency went down by 18%. The honors survey sent out was not approved- according to the survey, 40% of students at Norco College are suicidal. This information is not confirmed and is not a true statistic based on the uncertainty of the survey conducted.

Efficiency: how effective we are in measuring instructions.

The Honors Survey was not approved at Norco College because there were leading questions to suicide. So the survey may not be true for Norco College.

To do a Survey, must get approval to make sure the questions are not leading or triggering for students.

The Honors survey was initially approved by RCC, but Norco College disapproved it. So the Honors Survey should not have been distributed at Norco College.
