C. Discussion items:

a. Curriculum Chair Election: Brian Johnson accepted to remain as Curriculum Chair. Rex Beck moved and Michael Bobo seconded and committee all voted for Brian Johnson. Congratulations.

b. NEW DE Addendum: New Process starting Fall 2020. Brian Johnson went over the new DE addendum that will start in the fall 2020. Please start transitioning in using this form as it is more user friendly. No longer using the CurricQNet DE process. Still in discussion with district on looking into how to update/modify the DE Proposals. Dr. Lee suggested to create a Microsoft form and it would store everyone's response. Brian Johnson is asking to send DE proposals to him with minutes and discipline approval. If this course is district wide, you need to get approval from the discipline, which is 2/3rd district wide approval.

c. WEL-200: It is in the catalog and was approved in 2018 but not submitted officially as an inclusion. Not board approved. Faculty department says to keep it as an option. That department needs to complete a course inclusion form for it to be in the catalog. Nicole will remove it from the 20/21 catalog, deactivate it from Colleague and lists it as removed in the catalog 20/21 addendum.

d. Curriculum Institute Conference 2020: Will be online this year from July 7-10th this year. Registration is $200 and the deadline is June 19th. Please contact Dr. Lee for funding support.

Statement of Purpose

The curriculum committee, a sub-committee of the academic senate, has two primary purposes: to review and approve new curriculum including new courses, course modifications, new programs and program modifications, and to review and approve the curriculum approval process. The college curriculum committee is the sole approving body for Norco College only curriculum. For district shared curriculum it has one vote in the district curriculum committee. The curriculum committee is also responsible for keeping abreast with state mandated curriculum changes and reporting those changes to faculty. Committee members report on curriculum at their department meetings and solicit suggestions and recommendations when needed.
