A. Agenda March 14, 2023 Approval: MSC: M/ J. Alpay, S/ T. Friedrich Finnern 8-Yeas, 0-Nays

B. Minutes February 28, 2023 Approval: MSC: M/ P. Boelman, S/ J. Alpay * 7-Yeas, 0 Nays, 1 abstain.

C. Discussion items:
  1. Work Experience 200 courses. Previously, 200 courses (44 of them) were created for all CTE courses, but now we need to decide which ones to keep and which ones to get rid of; email went out to department chairs to review the list and advise; need to make sure that courses are not included in programs even if they are not currently offered; Curriculum Committee members were asked to take the list back to the department to review and let Brian Johnson or Tech Review know what to keep and what to delete; only applicable to CTE disciplines; note that some students are re-enrolled in specific 200 courses related to their program of student, but that course would not reflect enrollment since this is done on the back end; this is a district wide list, so some courses may not apply to Norco College; district discipline approval is not needed as there are separate catalogs; would need to update the work experience handbook to reflect changes if courses are removed.

Action Items:

Statement of Purpose

The curriculum committee, a sub-committee of the academic senate, has two primary purposes: to review and approve new curriculum including new courses, course modifications, new programs and program modifications, and to review and approve thecurriculum approval process. The college curriculum committee is the sole approving body for Norco College only curriculum. For district shared curriculum it has one vote in the district curriculum committee. The curriculum committee is also responsible for keeping abreast with state mandated curriculum changes and reporting those changes to faculty. Committee members report on curriculum at their department meetings and solicit suggestions and recommendations when needed.
