-Dr. Oceguela mentioned it might be best to have a semester long series with an educational component of monthly build up and then a panel.

-This is a good way to discuss the importance of our incarceration program at Norco.

- There is an Open Gate and Rise Program in the Spring: Program recruits students in prison and helps them transition.
- Perhaps a documentary on 2/21/18 or 2/28/18 in the Little Theater.
