Statement of Purpose

The purpose of the Grants Committee is to identify grant opportunities that align with the mission, strategic planning goals, and resource needs of Norco College. The committee also informs the college community about existing grants, serves as a liaison between the RCCD Grants Office and Norco College, and provides local support for grant efforts to college staff, faculty and administration.

Co-Chairs

Dr. Stan Tyler- Assistant Professor, Chemistry
Dr. Lorena Patton- Director, Title III STEM Grant
