Guided Pathways & Equity Project Teams

Purpose

The Guided Pathways Equity and Anti-Racism in Course Design Project Team recognized the need for Norco College to intentionally adopt anti-racist practices across all areas of the college. The Project Team focused its efforts on infusing anti-racist and equity-minded practices in course design in order to move the college closer to that goal.

Guided Pathways & Equity Project Teams

Challenges

- Connecting project team goals with broader college mission
- Developing concise charter (timeline)
- Duplication of efforts
- Steps for institutionalization

Guided Pathways & Equity Project Teams

Deliverables

- Reorganization of Long Beach City College Cultural Curriculum Audit Canvas Shell to meet the needs of Norco College
- Future FLEX training

Guided Pathways & Equity Project Teams

Recommendations

- Need to scaffold available resources
- College recommendation for Institutionalization
- Incentivize utilization of resource
