It is time again for the Effectiveness Surveys. Please encourage your committee members to complete this survey before your next meeting. Also, you can let them know that this survey will be changing next year, and that their feedback on how to improve the survey is very helpful. The last two questions allow for short-answer responses. This survey is separate from the Councils survey, and if your members are on more than one Academic Standing Committee, they need to do the survey for each committee on which they serve. <https://www.surveymonkey.com/r/5HYG9HG>

**2:30 p.m. 5. Adjournment**
