

NORCO
COLLEGE

Norco College Schools Promotion Toolkit

Norco College has four academic Schools which lead our students on their educational journeys to their future careers. They are the School of Arts and Humanities, the School of Business and Management, the School of Social and Behavioral Sciences, and the School of Science, Technology, Engineering, and Mathematics.

How You Can Help

1. **Promote the Schools year-round on social media.** Log on to your favorite social media site and copy and paste one of the sample messages along with a graphic in this toolkit into your status update.
 2. **Follow Norco College and share posts on your social media.** Check out Norco College on Facebook, Twitter, Instagram, and LinkedIn @norcollege.
