Annual Administrative Program Review Update Instructions

The Annual Administrative Program Review is conducted by each unit and consists of an analysis of changes within the unit as well as significant new resource needs for staff, resources, facilities, and equipment. It should be **submitted or renewed every year** in anticipation of budget planning for the fiscal year, which begins July 1 of the *following* calendar year.

The questions on the subsequent pages are intended to assist you in planning for your unit.

The forms that follow are separated into pages for ease of distribution to relevant subcommittees. **Please keep the pages separated** if possible (though part of the same electronic file), **with the headers as they appear**, and be sure to include your unit, contact person (this may change from topic to topic) and date on each page submitted. Don't let formatting concerns slow you down. If you have difficulty with formatting, Nicole C. Brown can adjust the document for you. Simply add responses to those questions that apply and forward the document to nicole.ramirez@norcocollege.edu with a request to format it appropriately.

If you cannot identify in which category your requests belong or if you have complex-funding requests please schedule an appointment with your college's Vice President for Business Services right away. They will assist you with estimating the cost of your requests. It is vital to include cost estimates in your request forms. Each college uses its own prioritization system. Inquiries regarding that process should be directed to your Vice President.

The college has adopted a Total Cost of Ownership calculator for the use of determining cost of faculty, personnel and other needs related to a department or program. The calculator is located under the Office of the Vice President, Business Services, as "Total Cost of Ownership (TCO) Spreadsheet" at the following link: <http://www.norcocollege.edu/about/business-services/Pages/index.aspx>

Mission

Norco College serves our students, our community, and its workforce by providing educational opportunities, celebrating diversity, and promoting collaboration. We encourage an inclusive, innovative approach to learning and the creative application of emerging technologies. We provide foundational skills and pathways to transfer, career and technical education, certificates and degrees.

Vision

Norco – creating opportunities to transform our students and community for the dynamic challenges of tomorrow.

Educational Master Plan/Strategic Goals and Objectives 2013-2018

Goal 1: Increase Student Achievement and Success

Objectives:

1. Improve transfer preparedness (completes 60 transferable units with a 2.0 GPA or higher).
2. Improve transfer rate by 10% over 5 years.
3. Increase the percentage of basic skills students who complete the basic skills pipeline by supporting the development of alternatives to traditional basic skills curriculum.
4. Improve persistence rates by 5% over 5 years (fall-spring; fall-fall).
5. Increase completion rate of degrees and certificates over 6 years.
6. Increase success and retention rates.
7. Increase percentage of students who complete 15 units, 30 units, 60 units.
8. Increase the percentage of students who begin addressing basic skills needs in their first year.
9. Decrease the success gap of students in online courses as compared to face-to-face instruction.
10. Increase course completion, certificate and degree completion, and transfer rates of underrepresented students.

Goal 2: Improve the Quality of Student Life

Objectives:

1. Increase student engagement (faculty and student interaction, active learning, student effort, support for learners).
2. Increase frequency of student participation in co-curricular activities.
3. Increase student satisfaction and importance ratings for student support services.
4. Increase the percentage of students who consider the college environment to be inclusive.
5. Decrease the percentage of students who experience unfair treatment based on diversity-related characteristics.
6. Increase current students' awareness about college resources dedicated to student success.

Goal 3: Increase Student Access

Objectives:

1. Increase percentage of students who declare an educational goal.
2. Increase percentage of new students who develop an educational plan.
3. Increase percentage of continuing students who develop an educational plan.
4. Ensure the distribution of our student population is reflective of the communities we serve.
5. Reduce scheduling conflicts that negatively impact student completion of degrees and programs.

Goal 4: Create Effective Community Partnerships

Objectives:

1. Increase the number of students who participate in summer bridge programs or boot camps.
2. Increase the number of industry partners who participate in industry advisory council activities.
3. Increase the number of dollars available through scholarships for Norco College students.
4. Increase institutional awareness of partnerships, internships, and job opportunities established with business and industry.
5. Continue the success of Kennedy Partnership (percent of students 2.5 GPA+, number of students in co-curricular activities, number of students who are able to access courses; number of college units taken).
6. Increase community partnerships.
7. Increase institutional awareness of community partnerships.
8. Increase external funding sources which support college programs and initiatives.

Goal 5: Strengthen Student Learning

Objectives:

1. 100% of units (disciplines, Student Support Service areas, administrative units) will conduct systematic program reviews.
2. Increase the percentage of student learning and service area outcomes assessments that utilize authentic methods.
3. Increase the percentage of programs that conduct program level outcomes assessment that closes the loop.
4. Increase assessment of student learning in online courses to ensure that it is consistent with student learning in face-to-face courses.
5. Increase the number of faculty development workshops focusing on pedagogy each academic year.

Goal 6: Demonstrate Effective Planning Processes

Objectives:

1. Increase the use of data to enhance effective enrollment management strategies.
2. Systematically assess the effectiveness of strategic planning committees and councils.
3. Ensure that resource allocation is tied to planning.
4. Institutionalize the current Technology Plan.
5. Revise the Facilities Master Plan.

Goal 7: Strengthen Our Commitment To Our Employees

Objectives:

1. Provide professional development activities for all employees.
2. Increase the percentage of employees who consider the college environment to be inclusive.
3. Decrease the percentage of employees who experience unfair treatment based on diversity-related characteristics.
4. Increase participation in events and celebrations related to inclusiveness.
5. Implement programs that support the safety, health, and wellness of our college community.

I. The Unit PROGRAM REVIEW

1. What is the mission of your unit?

We are dedicated to promoting access, retention and success by empowering a diverse community of learners in their personal and educational pathways. *(revised, August 2016)*

2. Identify or outline how your unit serves the mission of Norco College.

Student Services leads strategic planning efforts for a myriad of student services divisions committed to ongoing evaluation and improvement of services for a diverse, multi-cultural community of learners. The array of student services programs and services provides comprehensive support for student access, learning, and success. Student Services fosters a collaborative environment with academic and educational programs, learning services, and other departments to promote a holistic approach to educate a diverse community of learners. Student Services provides leadership and support in the areas of: Admissions & Records, Assessment, Associated Students of Norco College, Athletics, CalWORKs, Career & Job Placement, Cashier, Counseling, Disability Resource Center, Evaluations, Extended Opportunity Programs & Services (EOPS/CARE), Foster Youth, Health Services, High School Concurrent Enrollment, JFK Middle College High School, Outreach, Puente, Student Conduct, Student Employment, Student Life, Student Financial Services, Student Success & Support Program (SSSP), Student Support Services (SSS), SSS-RISE, Transfer, Upward Bound, Veterans and other campus student support service programs.

3. **List the major functions of your unit.**

<u>Function</u>
Facilitate the strategic planning process for Norco Student Services to ensure equitable resource allocation for Student Services units and initiatives.
Create a culture of continued dialogue and action pertaining to program review and outcomes assessment within all areas of Student Services.
Provide leadership in various committees and initiatives that promote and increase student equity and success – Summer Advantage, Commencement, JFK Middle College High School, Student Services Planning Council, Foster Youth Success Committee, Welcome Day, and Friends of Forensics Speech Meet.
Collaborate with other departments and partners to facilitate special programs and initiatives such as, Adult Education, Completion Initiative and Guided Pathways, Dual Enrollment, First Year Experience, Food Pantry, Homeless Student resource development, Integrated Planning (Basic Skills, Student Equity, SSSP), The Next Step (CRC Prison) Partnership, Student Ambassador, Umoja, and Veterans Resource Center.
Actively engage in District, statewide and regional committees, and initiatives to effectively support Norco College’s mission.
Facilitate an effective Standards of Student Conduct process to support a safe and healthy learning environment for all students.

4. **Briefly comment on the status of your 2017 goals and objectives.**

The student services administrative team establishes annual goals that support the overall mission and objectives of the departments and programs of this unit. Over the last year, through a combination of categorical and general funds, we hired the following positions: Administrative Assistant III (Dean, A&R; Educational Advisor (PPT – Adult Education); College Nurse (PPT – replace short term position); Counselors (2 non-tenured positions replaced with 2 tenured positions); Instructional Department Assistant (IDS – replaced Counseling Clerk III); Student Accounts Specialist (PPT replaced Assistant Cashier); Student Activities Coordinator; Student Financial Services Officer; and Support Services Specialist Aide (DRC).

To address goal #1 (improving assessment practices in all Student Services areas), the program review template was revised to better link each assessment outcome with our college mission statement and with a comprehensive peer review process, 100% of the program reviews were aligned with the college mission. Ninety-five (95%) percent of the student services areas met the established goal of having at least three outcomes with at least two demonstrating authentic assessment.

To address goal #2 (participate in college-wide response to legal and regulatory changes), the administrative team has been engaged within the institution as we respond to homeless students (showering facilities), immigration/undocumented student education, preferred name, integrated planning (BSI, SE, SSSP), College & Career Access Pathways (CCAP – dual enrollment), inmate education, adult education, BOGW appeals, MMAP, Completion Initiative & Guided Pathways, and ensuring Title IX compliance.

To address goal #3 (ensure all personnel are engaging in strategic planning), the administrative team reviews and modifies the Student Services Staff-Committee Membership in the fall. Committee membership is reviewed to ensure wide spread strategic planning participation among Student Services team members. The membership list is reviewed with all of the Student Services managers to ensure accuracy.

To address goal #4 (actively engage in community), the administrative team is active in the following areas: adult education, Department of Public & Social Services (DPSS), Corona Vet Center, dual enrollment (CCAP, concurrent enrollment, JFK Middle College), Lake Norconian Run, EOPS Advisory Committee, Foster Youth Success Committee, host for Chamber of Commerce's Education Day, Prison Partnership, annual Soroptimist Dream It/Be It, annual Speech Meet, Summer Advantage, Veterans Affairs, and Welcome Day.

To address goal #5 (staff professional development), student services managers encourage staff development by including at least one measurable performance goal related to professional development as well as facilitate staff retreats in the fall and spring. In addition, many staff members are afforded the opportunity to participate in campus-wide, statewide, and monthly professional development workshops and trainings hosted by student services managers.

5. **MAJOR Goals and Objectives 2017 – 2018** (do not include normal functions of your unit). In order from 1 – 5 is best. With 1 as the most important.

Before writing your goals and objectives be sure to review other Program/Unit Review documents related to your unit to discern if there are service needs you wish to address.

Previous Year's Assessment

SAO Assessed:	Assessment method used:	What was your target or benchmark?	What were the results?	How do you anticipate using these results?
Staff satisfaction of student services professional development series.	Electronic survey methods	80% satisfaction rate. The survey was administered after each workshop in the fall and spring.	Goal met. 94.8X% satisfaction rate based upon 80 survey responses of staff, faculty, and administrators.	While the results indicated overall satisfaction, the college is moving toward a professional development strategic plan. As such, the student services managers will contribute to the plan as appropriate. The student services professional development series will not continue into the 17-18 AY. Professional development will continue to be part of the staff retreats held in the fall and spring semesters.
Student satisfaction will be measured.	Electronic and hard-copy survey methods	95% satisfaction within variables under our <i>EMP Goal 2: Improve the Quality of Student Life</i> , focusing particularly on Objectives 3 and 6.	Goal met. Over 98% of students reported satisfaction ratings on the survey out of 1,391 responses. It is noted that 91% of students reported satisfaction with the department's hours of operation. Some comments included: "great customer service, helpful but would be nice for extended hours..." and "extend afterhours of student services hours."	The results suggest overall satisfaction with roughly 10% requesting expanded hours of operation. Additional personnel would be required to accommodate these requests.
Student Services assessment outcomes will be linked directly with the college mission statement.	The assessment criteria includes the linking of each outcome with the college mission statement. A closer review of the draft assessment plans will be conducted to ensure alignment with the revised program review template and assessment rubric.	100% of outcomes will be linked with the college mission statement.	Goal met. 100% of the student services assessment outcomes were linked with the college mission statement.	The revision of the program review template and peer review rubric positively contributed to achieving this outcome. There is no need to continue this assessment.

- **Reflective Question: What did you learn that will impact your unit for the future?**

In regards to the professional development series, we learned there was a need for professional development at Norco College. The college is moving towards a more comprehensive, cohesive professional development plan incorporating statewide initiatives within community colleges.

In regards to the student satisfaction survey, findings reflected an overall satisfaction of student services offered at Norco College. However, 10% of students indicated a desire for expanded hours of operation. Staffing levels would need to increase in order to accommodate this request.

In regards to linking outcomes with the mission, we found that when we stressed the importance of this practice by modifying the template and grading rubric, our areas were able to successfully link all outcomes to the mission.

Directions: The primary purpose of this update is to provide an overview of your unit's assessment activities (plans, data, responses to data, etc.) for the previous academic year as well as your plans for assessment in the upcoming academic year. If you have any questions regarding the assessment process on this aspect of the report, please contact your vice president, or the Assessment Co-chairs, Sarah Burnett at sarah.burnett@norcollege.edu or Greg Aycock at greg.aycock@norcollege.edu. See Appendix 1 for more information about assessment.

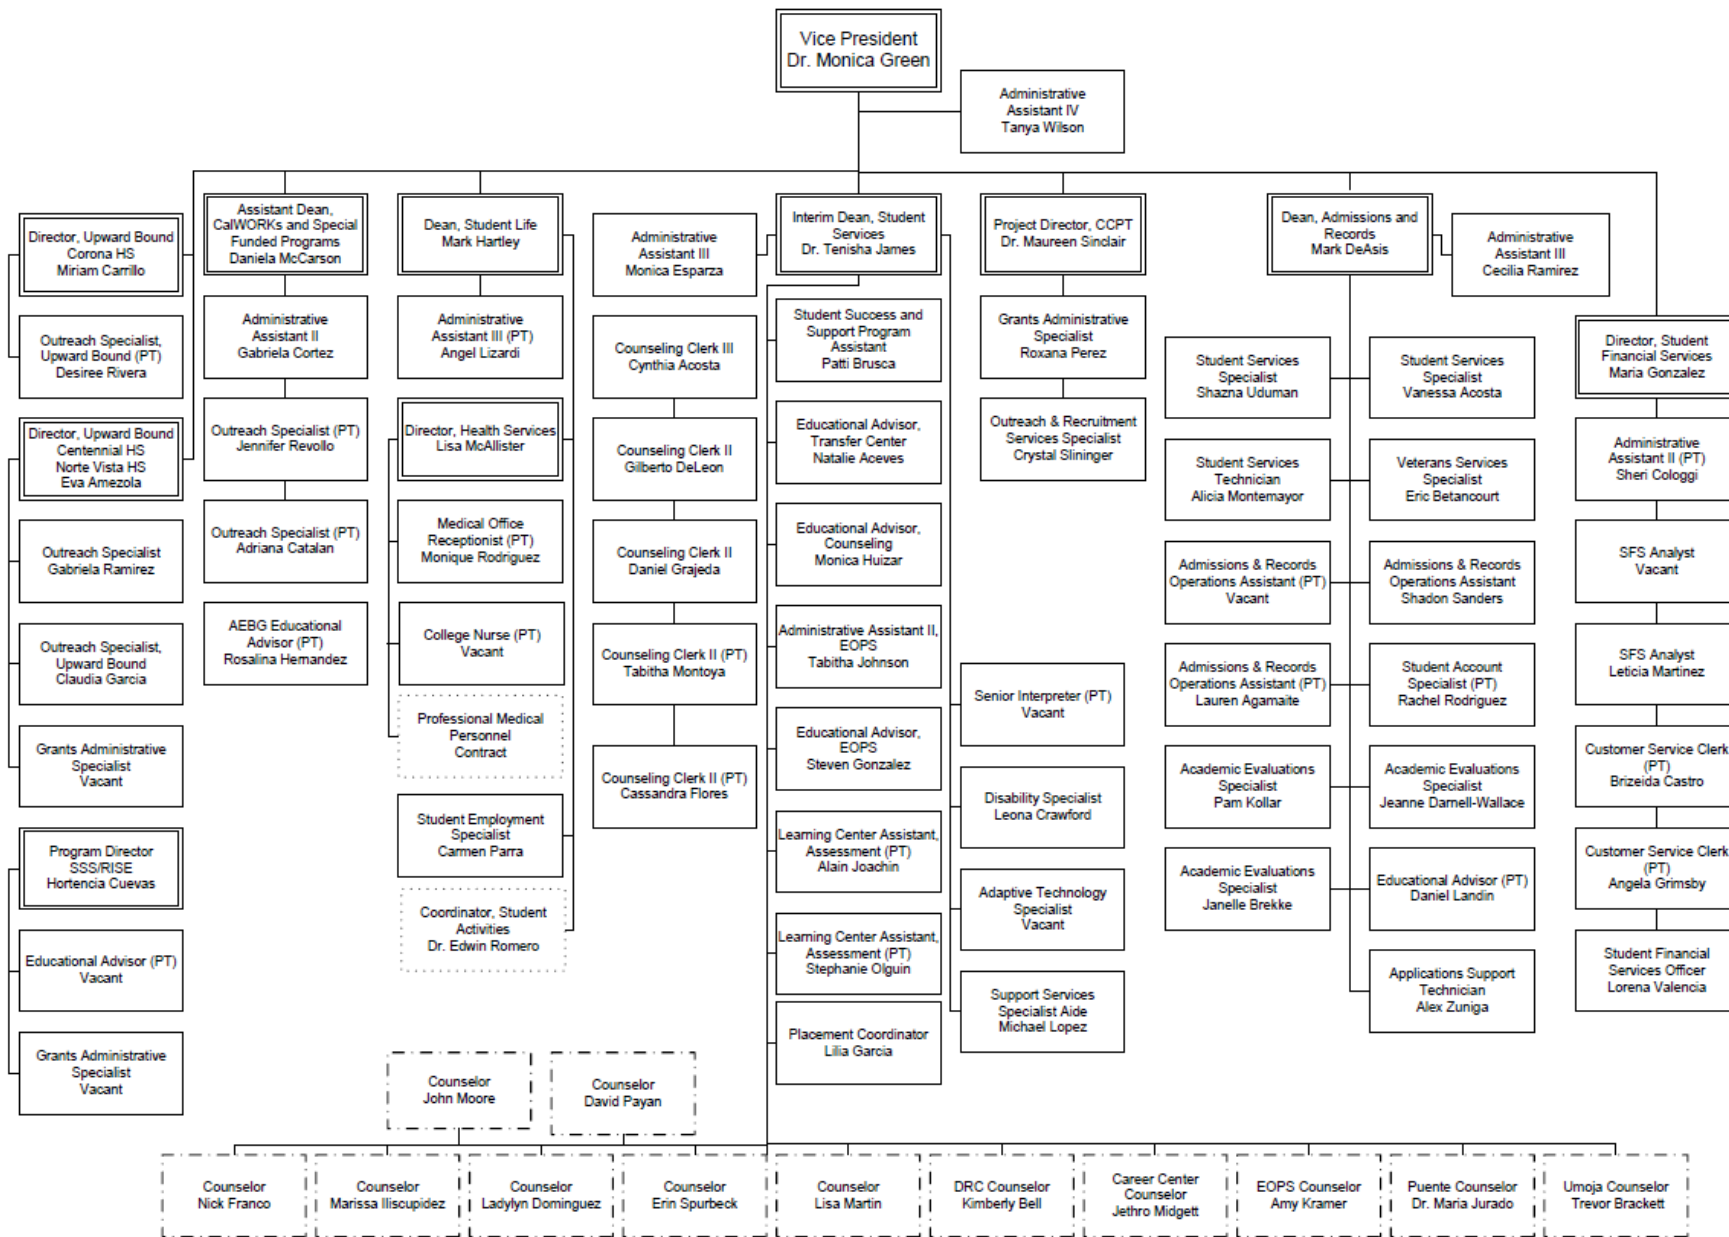

Current year's assessment plan

SAO to be assessed:	What assessment methods do you plan to use?	When Will Assessment Be Conducted and Reviewed?	What result, target, or value will represent success at achieving this outcome?	How do you anticipate using the results from the assessment?	EMP GOALS
Students enrolling in CCAP (AB288) courses will achieve good academic standing.	Enrollment data	At the end of every semester.	70% of students will achieve good academic standing (2.0 or above gpa, over 50% completion rate)	Establish program level benchmarks that includes staffing level needs to support student success.	4.6 – 4.8
The 2017 Summer Advantage cohort will have comparable success rates to that of the prior year cohort.	Enrollment data	When the 17FAL data report is available, it will be reviewed and analyzed by the Student Services Planning Council.	The Summer Advantage cohort 2016 and 2017 will have comparable success rates in 100% of the student success measures represented on the data report.	Continuous improvement to the Summer Advantage program. This will guide planning for the next cohort of students.	1.6, 1.8, 2.1, 2.2, 2.6, 3.1, 3.2, 4.1

Provide the official Organizational Chart of your unit which includes all levels of services and positions. *If necessary, provide very brief narrative descriptions by numbering the chart and including a numbered list with clarifications on a subsequent page. The official chart can be obtained from Human Resources.*

Complete the Management and/or Staff request form that follow if new employees are needed.

When filling out the form on the next page please **consider** the following in framing your “reason:”

- a. *Has the workload of your unit increased in recent years?*
- b. *Has technology made it possible to do more work with the same staff? Or, has technology increased your work load (adding web features which need updating for example)?*
- c. *Does the workload have significant peaks and valleys during the fiscal year that would be best filled by part time staff?*

APPENDIX 1

Assessment

Why Administrative Units Conduct Assessments: Research indicates that collecting and analyzing evidence leads to improvement of institutional or unit level effectiveness. In addition it:

- Ensures units are examining their services and programs
- Documents outcomes assessment and internal improvement efforts
- Allows each unit to demonstrate how well it is performing
- Allows for requesting resources
- Relies on fact, not perception
- Allows unit staff to prioritize improvements.

Steps to Developing Assessment Plans & Reports

- 1. Unit develops measurable Service Area Outcomes (SAO).** An SAO is a “specific statement that describes the benefit that a [unit] hopes to achieve or the impact [. . .] that is a result of the work that your unit performs. Outcomes should be:
 - Challenging but attainable”
 - Articulate what the unit wants to achieve
 - Indicate end results for the unit rather than actions
 - Relate to the unit’s mission and vision
 - Focus on the benefit to the recipient of the service
 - Be stable over a number of years. If it is time dependent, it is most likely a goal not an outcome; and
 - Be measurable and directly related to the work of your unit.⁷

Stems for writing outcomes can include:

- “In support of student learning, staff will _____”
- “Students are aware of _____”
- “Administrators (or staff) have the _____”

⁷ Source: The American University in Cairo. “A guide to developing and implementing effective outcomes assessment: Academic support and administrative units.” December 1, 2007. Retrieved on the internet at <http://ipart.aucegypt.edu>

2. **Unit defines how it will assess progress (non-evaluative) towards the outcomes.** The unit might consider taking an inventory of current tools being used. For example:
- What information is being collected already?
 - What assessment are you already using?

Methods that can be used to measure progress include, for example:

- Student satisfaction surveys
- Number and type of complaints
- Growth in a specific function
- Comparisons to professional organizations' best practices
- Focus groups
- Opinion surveys
- Time to complete a task

3. **Unit completes the assessment plan and carries out the assessment.** In order to ensure the plan is completed:
- Designate a coordinator for the assessment project and/or assign responsibility for individual components.
 - Develop a timeline indicating when work will be collected, results tabulated, analysis completed, and subsequent dialogues.

Unit gathers information, analyzes results, communicates findings, and takes action. This step is important as it is used to identify changes needed to improve efficiency, effectiveness, and unit performance. It should also be applied to for planning and budgeting and resource allocation requests (short term and long term). Ultimately it may be tied to the institution's ability to achieve its mission.
