1. Call to Order

2. Action Items

2.1 Approval of Meeting Agenda (Moved to before public comments)

- M/S/C: K. Bell/Romero
- Abstentions: None
- Amendments: Move Public Comments from 1.1 to 2.2

2.2 Public Comments

- None

2.3 Approval of Meeting Minutes: May 22, 2025

- M/S/C: Lambros/K. Bell
- Abstentions: None
- Amendments: None

2.4 Business Services Resource Requests Prioritization Recommendations

- M/S/C: Romero/Abejar
- Abstentions: None
- Amendments: None
 - Councilmembers were provided an initial draft and reviewed the step-by-step process that was developed and followed by Business Services area leads and managers for the initial ranking draft. A motion was made for recommendation of finalized list to College Council in keeping with the shared governance process currently in place.
 - February 2025-Department Managers were instructed to meet with their area team to discuss and create a list of resource requests, which managers then entered into Nuventive before the deadline.
 - June 2025-Department Leads and/or Managers were instructed to meet with their area team to discuss their areas resource requests and issue a draft ranking for their department requests only.

- August 2025-The rankings are then sorted from highest to lowest, creating an initial “finalized” draft for the councilmembers to review and vote on.
 - Note: Some finalized ranking ties could be broken by using the initial department ranking. Should there be additional ties, the councilmembers will discuss each item and decide at the Resource Council September meeting.
- The councilmembers were also provided the Program Review college-wide timeline, and current Resources Council charter to reference as needed for reference, prior to the meeting.
- Each ranking list was reviewed and discussed by the councilmembers. The top 3-5 requests were highlighted with additional explanation for the need of each. (Item Requests / Staff Requests / Budget Augmentation Requests).
 - Travonne Bell highlighted the need for the facilities/Maintenance & Operations area.
 - Ray Vasquez discussed the need for additional staff, specifically grounds employees, to manage the growing 140-acre campus and the newly planned Corona Educational Center on Parkridge and Main. And a custodian will be needed to service the new CHP&K and off-site buildings as well.
 - Esmeralda Abejar spoke on staffing request for Business Services. An additional Financial & Technical Analyst position is desperately needed to handle grants budgets and manage one-time funds. The district is adding more tasks to the colleges such as budget transfers, concur travel, and new “Anthology” program responsibilities. A new food services worker is desperately needed to assist with campus catering and expanding the food services area as a whole.
 - Informational Technology requests were also included and ranked by the district TSS/IMC teams since their area oversight was folded back under the “district umbrella” for reporting, staffing, etc.
 - A question was raised on the technology/IMC area being centralized so the district IT managers did their own rankings, but funding will be made from the colleges.
- The Items top two requests (1 and 2) were tied and Dr. Collins spoke about the AV for Library and West End Quad, items 5 and 6 were also tied and reviewed the rest of the top 10 items.
 - A question was raised about the WEQ classroom “going away”, but only some will be “taken off line” and the others will remain.
 - A suggestion to possibly rent the equipment, but that would not be feasible due to high costs of renting vs owning.
 - A request for more clarification about the future library remodel. The main issue is the outdated AV items are needed now and the existing equipment is now out of warranty and replacement parts are hard to get.

- The four staffing requests were discussed. Travonne Bell added additional explanation for the importance of an additional grounds person needed for the expanding campus. The new CHP&K and Corona site will need staffing support in various areas.
 - Dr. Collins highlighted each of the top 4 Budget Requests. HAWK System, Access Control System, and an additional cross walk from parking lot B to the Veterans Resource Center.
 - Last year, the SSV building had the external access control system installed. This year, we need to upgrade the older buildings like ATEC, ST, etc. All new buildings will have this access as standard.
 - A question was raised on the status of getting the STEM building accessible while the renovations are going on. Travonne Bell will look into that and report back at a future meeting.
 - A question was raised for clarification on the swipe keys vs. hard keys. For budgetary reasons, we have to start with the external doors and then install internal doors in the future as budget allows. (A rough guestimate for 1 door could be anywhere from \$6,000 to \$19,000, depending the type of door for equipment and installation)
 - A question was raised on when faculty put in a request for IT and AV, how is the request considered. The “refresh” list is going off of warranty status and the life expectancy of the product and replaced accordingly.
 - Clarification was requested for the Library priority, even if the new remodel will address this equipment in the future... the end of life cycle, expired warranties, and not being able to get parts will need to be addressed as needed until then. AV equipment life cycle is typically 7 years and the fully functional new building is still going to be approximately 5 year out.

- The discussion concluded by summarizing the process of resource requests and budgeting for various needs within the college. It was explained that the College Council will review and approve these request lists, and then they will then go to the Executive Cabinet for actual funding determination. Some of the items may ultimately be funded through alternative measures or scheduled maintenance funds as they become available. It was also mentioned that the colleges are struggling with finding funding for physical facilities and scheduled maintenance due to a lack of state funding, which may continue to decline depending on the economy. The conversation ended with Dr. Collins explaining that the prioritization and process are crucial to ensure that the necessary equipment and upgrades are in the hands of the team members, faculty, and students by the end of the fiscal year.

3. Discussion Items

3.1 RCCD 2025-2030 Strategic Plan Overview

- An updated draft Student Equity Plan for 2025–2028 and a detailed overview was provided for RC members to review. The plan integrates qualitative research and storytelling alongside data analysis to identify disproportionately impacted groups and special populations, with a focus on longitudinal outcomes.
- The overview highlighted the following items: Purpose of Strategic Planning, Draft RCCD Mission, Vision, Value Statements, Draft Strategic Goals, Objectives, KPIs, and Assessment of Strategic Plan.
- The current 2025 approval timeline is as follows:
 - October - College approvals
 - November – District Strategic Planning Council approval
 - December - Board of Trustee approval
- Dr. Collins detailed the Goal: 5 Resources, which is the key goal pertaining to the Norco College Resource Council.
- An NC-All email was previously sent out asking for college-wide valuable input.

3.2 Emergency Phone Status and Proposed Plan

- Dr. Collins provided a brief update on the district discussion on the emergency “blue” phones across the colleges.
- On campus we have 33 but only 8 are currently in working order. Over time, these phones have become obsolete (out of warranty/no service/parts unavailable).
- The district has estimated that there are approximately 98% of students on campus that have cell phones, and we are continuing to encourage the use of our RAVE Guardian app and 911 as needed.
- The RCCD Police Department recommendation for Norco is to leave the 8 working phones, and remove all the broken phones. Hype up the use of the RAVE Guardian app for the next year, then remove the final 8 after that timeframe. This idea will be presented to DSCC for approval and the estimated removal could be sometime in the Fall.
- The project status will be reported out under the Facilities updates in the future by the District Safety Committee.
 - A comment was made that “flip” phones do not have ability to utilize the RAVE Guardian App.

3.3 Facilities/Construction Update

- Travonne Bell provided a brief summary of current construction projects.
- CHP&K building is well underway and the project construction trailers installed and fully functional for the remainder build.
- Manufacturing class are estimated to start in spring on the newly remodeled STEM center is completed.
- The Art Gallery project is nearing completion. The last remaining item is to install the 6 doors for the faculty offices and it is estimated to be done by next week.
- The new AV Charging stations are expected to come online in December of this year. We are currently waiting for the RCCD Board of Trustees to approve the new usage policy and guidelines before we can fully implement this service to our students and employees.

3.4 2025/26 Adopted Budget Update

- The adopted budget document that was presented and approved at the September 16 Board of Trustee meeting, was provided for RC member review.
- The new figures were updated in the Galaxy program this week and area managers are asked to review and monitor their budgets accordingly.
- Travel and Food in the general fund budget were reduced by 18%. But no categorical travel/food were reduced. Future budget reductions are expected in state wide revenue for future fiscal years.
- COLA's will be paid in full with the retro in the October paychecks.

4. Information Items

4.1 Food Services/New Catering Procedure Follow up

- Esmeralda Abejar provided a brief update on the ASNC concerns with the new procedures presented back in the spring. She met with ICC and will present at the ASNC meeting next week.
- Some of the highlighted changes are:
 - All cultural event food requests will go to Esmeralda Abejar first, no longer to Chef Muniz. The approval or denial will be delivered within 5-7 days.
 - All staff/clubs/departments, etc. are always encouraged to use the Food Services catering as much as possible.
 - A question was raised on what exactly Esmeralda Abejar will be looking at specifically when considering these “cultural” requests. She stated if there is an opportunity to match what the Corral could provide such as the quality of food, accessories like plates/cutlery/table cloths/etc. and the pricing.
 - A question was asked on how many cultural events are held at Norco in a year? Dr. Romero estimated approximately 16-20.

5. Good of the Order

- None

6. Adjournment: 1:51pm

Fall 2025 and Spring 2026 Meeting Dates:

Sept 25	Oct 23	Nov 20*	*(Note: Nov moved up 1 week due to holiday)	
Feb 26	Mar 26	Apr 23	May 28	

Business Services Managers and Area Leads Program Review Resource Request Prioritization Process

The following process was adopted as past council members felt they would like to see an initial draft ranking from the “area experts” as a starting point for the review and discussion phase.

1. Before beginning the initial ranking, each department manager and/or area lead will read the current Business Services Program Review(s), to be well informed of goals, mission, assessment review, etc. This information and more can always be found on the Norco College Program Review Committee webpage.
2. Managers and/or Area Leads will then meet with their respective staff or co-workers to review and discuss the current and remaining resource requests. Managers will then rank each of their items in order of importance in Column J of the excel worksheet provided by the PR Committee. (Please do not alter the formatting of the spreadsheet provided).
3. Once the Managers/Area Leads have met with their departments and initially ranked their requests, a meeting will be called of them to discuss each item individually and rank using the rubric criteria shown in columns M-Q (This criteria was developed and provided by IEGC).
 - Please note: there are 3 tabs of requests to discuss and rank:
 - Items
 - Staff
 - Budget
 - Tip: because the mgrs/area leads have already met with their staff and initially ranked their requests in column J...this may be used to help break any ties as needed.
4. The finalized draft ranking of the BS resource request spreadsheet will then be provided to the Norco College Resource Council members and placed on the September agenda for review, discussion, and recommendation approval. Note: Ranking managers will be invited to attend to answer any questions from council members as needed.
5. The Resource Council recommendations for Business Services resource requests will then be sent forward to the College Council for their recommendation approval at their October meeting.
6. The approved recommendations are then sent to the Executive Cabinet for funding consideration.

Program Review and Resource Request Prioritization Timeline

Program Reviews for all programs (instructional disciplines, programs of study, special programs, administrative areas, and student services) are completed in March at the beginning of each 3-year cycle.

Each year by mid-semester of spring, programs may elect to complete an Annual Update, which consists of updated goals and resource requests based on the evolving needs of the program. The following graphic depicts the annual cycle by which annual resources are prioritized and acted upon.

Program Review - Administrative: Business Services	2025 Update	\$272,000.	ITEM: Equipment, Services, Software, Furniture	NCTSSAV-001n: Library Classrooms AV Systems (4 classrooms)	The current AV equipment in these classrooms are outdated and needs to be replaced.	EMP Objective 12.1: Plan and advocate for the general fund budget augmentations needed to meet operational demands to achieve the vision for a more comprehensive college. Ultimately students are disadvantaged when obsolete equipment is not replaced as technology outside the college continues to improve and evolve. Faculty and students might find the teaching and learning devices they bring into the classroom no longer compatible with the classrooms audiovisual equipment. Students might find they are learning on obsolete equipment the workplace is no longer using. Programs might find they cannot teach a course requiring newer technology, so those courses cannot be offered. Colleges might find lower enrollment if students complain the technology taught/used is outdated and they opt for another college.	A build of materials list of AV components and equipment will be provided.	1		New		5	5	3	4	10	27	1			
Program Review - Administrative: Business Services	2025 Update	\$340,000.	ITEM: Equipment, Services, Software, Furniture	NCTSSAV-001m: West-End Quad Classrooms AV Systems (5 classrooms)	The current AV equipment in these classrooms are outdated and needs to be replaced.	EMP Objective 12.1: Plan and advocate for the general fund budget augmentations needed to meet operational demands to achieve the vision for a more comprehensive college. Ultimately students are disadvantaged when obsolete equipment is not replaced as technology outside the college continues to improve and evolve. Program Review - Administrative: Business Services	2025 Update	\$125,000.	ITEM: Equipment, Services, Software, Furniture	New Articulating Boom Lift	The current boom lift truck is outdated, starting to fail, and has limited accessibility due to its size. It does not have the capability to load heavy equipment onto its platform, which limits efficiency and increases safety risks.	This request aligns with the following objectives: 2025 Objective 10.1: Plan and advocate for the funding needed to meet facilities growth to achieve the vision for a more comprehensive college. 2025 Objective 10.2: Develop and maintain the Facilities Master Plan. The current boom lift is unreliable and lacks necessary functionality, limiting our ability to maintain campus facilities effectively. A new articulating boom lift will allow staff to access hard-to-reach areas and safely transport heavy equipment. This investment enhances efficiency, reduces safety risks, and ensures that facilities maintenance can meet the demands of the growing campus infrastructure.	A new articulating boom lift that provides enhanced reach for difficult-to-access areas. The platform is designed to accommodate heavy equipment, improving accessibility and operational efficiency. This upgrade will significantly enhance staff safety and allow for better maintenance of campus facilities.	3		New		4	5	5	4	6	24	3			
Program Review - Administrative: Business Services	2025 Update	\$50,000.	ITEM: Equipment, Services, Software, Furniture	Update dining room tables and chairs	We have tables and chairs that are over a decade old and beginning to fail. Many tables wobble and seating is now limited.	This project support 7.6: Wellness and Success as well as 10.10: Building community spaces as creating a welcoming environment is very important to students and the dining room is often the busiest place on campus which we promote and enjoy.	We would like to update the tables and chairs to ensure we have ample seating for students and staff.	1		New		4	3	2	3	10	22	4			
Program Review - Administrative: Business Services	2024 - 2027	\$145,000.	ITEM: Equipment, Services, Software, Furniture	Backhoe/Loader Tractor	Existing failing backhoe/loader	- A backhoe can significantly enhance the Grounds team the ability to maintain the campus, ensuring it is clean, safe, and visually appealing. The ability to quickly and efficiently carry out tasks such as landscaping, soil movement, and trenching for irrigation can lead to a more attractive campus, fostering pride among all constituent groups. - The use of a backhoe can increase the efficiency of the Grounds team, reducing the physical strain associated with manual labor. This contributes to a more positive workplace environment and can improve the overall morale of the staff. Relation to Objective 10.1 (Support for Facilities Growth): - Infrastructure Development: A backhoe would be instrumental in supporting the growth of facilities through efficient groundwork and preparation for new buildings or renovations. This aligns with the objective of planning for and advocating for the resources necessary to support facilities growth. Relation to Objective 10.2 (Facilities Master Plan): - Execution of Grounds-related Goals: The backhoe enables the Grounds team to effectively implement the outdoor space aspects of the Facilities Master Plan. This includes tasks such as creating new landscape features, repairing pathways, or preparing sites for new facilities. Relation to Objective 10.6 (Maximizing Funding): - Campus Appeal and Funding Opportunities: A well-maintained campus can serve as a showcase for potential donors and funding bodies. The backhoe's contribution to campus aesthetics and functionality can make the college more attractive to these groups, potentially leading to increased funding opportunities. Program Review - Administrative: Business Services	2025 Update	\$98,000.	ITEM: Equipment, Services, Software, Furniture	Golf Cart Request (submitted originally 2024-27)	Worn down existing golf carts.	Purchasing new golf carts enhance the efficiency of campus operations for the facilities department. This supports EMP goals by optimizing resources, improving productivity, and enhancing the overall campus experience. Program Review - Administrative: Business Services	2025 Update	\$75,000.	ITEM: Equipment, Services, Software, Furniture	New Electric Pickup Truck	Currently, we have one aging pickup truck that is beginning to show signs of wear, along with a previously salvaged pickup truck that is no longer in service. The demand for transportation continues to grow, especially with off-site facilities requests and the need to haul trailers and equipment. The existing vehicle is insufficient to meet these expanding needs.	This request aligns with the following objectives: 2025 Objective 10.1: Plan and advocate for the funding needed to meet facilities growth to achieve the vision for a more comprehensive college. 2025 Objective 10.2: Develop and maintain the Facilities Master Plan. 2025 Objective 10.9: Develop and start implementing a sustainable campus. 2025 Objective 10.13: Develop and implement plans for off-campus facilities for instructional purposes. The need for reliable transportation continues to grow as the facilities team supports off-campus instructional sites and an increasing number of operational demands. A new electric pickup truck would allow for efficient hauling of trailers and equipment while also aligning with sustainability goals. Investing in this vehicle would enhance operational efficiency, reduce maintenance costs, and contribute to the colleges commitment to a greener campus.	A new electric pickup truck to support daily facilities operations, including hauling trailers, transporting equipment, and fulfilling off-campus facility requests. This vehicle will enhance efficiency, reliability, and sustainability while also being available to assist other departments when necessary.	4		New		4	4	4	4	4	20	7

STAFF: Classified Professional, Confidential, Mgr	(1) Groundskeeper	(1) Groundskeeper	Investing in a new Groundsperson for the college will not only support the institution's vision of becoming a more comprehensive institution by 2025 but also align with the APPA standards and requirements for groundskeeping, ensuring that the college maintains high-quality grounds and landscaping that reflect its commitment to excellence and innovation. Additionally, it addresses the need for facilities growth, the development of a Facilities Master Plan, community-building spaces, operational demands, sustainable practices, positive workplace culture, and strategic funding planning. Objective 9.2 aims to preserve and foster a positive workplace culture for all constituent groups within the college. The request for a new Groundsperson supports this objective by providing resources to maintain a clean, safe, and visually appealing campus environment. A well-maintained outdoor space contributes to a positive workplace culture and enhances the overall experience for students, faculty, and staff. Objective 10.1 focuses on planning and advocating for the funding required to support facilities growth. By requesting a new Groundsperson, the college acknowledges the need to maintain and improve its outdoor spaces, which are vital components of the overall facilities. The Groundsperson's role will contribute to achieving the vision of a more comprehensive college by ensuring the proper care and maintenance of the college's grounds. Objective 10.2 emphasizes the development and maintenance of a Facilities Master Plan. The request for a new Groundsperson aligns with this objective by addressing the need for dedicated personnel to execute the plan's goals related to outdoor spaces. The Groundsperson will play a crucial role in maintaining and enhancing the college's grounds according to the Facilities Master Plan. Objective 10.6 involves developing plans and strategies to maximize local project funding availability by capitalizing on state facilities funding. While the request for a new Groundsperson may not directly impact funding strategies, it contributes to the overall improvement of the college's facilities. Well-maintained outdoor spaces can enhance the college's appearance, which may positively influence future funding opportunities. Objective 10.9 focuses on developing and implementing sustainable campus practices. The Groundsperson can contribute to this objective by employing sustainable landscaping techniques, such as water conservation, natural pest control, and native plantings. They can help create an environmentally friendly campus and promote sustainable practices in outdoor maintenance. Objective 10.10 aims to design spaces that intentionally build community. The presence of a Groundsperson supports this objective by ensuring that the outdoor spaces, such as courtyards, gardens, and recreational areas, are well-maintained and inviting. A well-kept campus environment fosters a sense of community and encourages students, faculty, and staff to engage with the outdoor spaces. Objective 12.1 involves planning and advocating for budget augmentations to meet operational demands. The request for a new Groundsperson aligns with this objective by addressing the need for additional resources to support the maintenance and upkeep of the college's outdoor areas. Existing access control panels at College Resource Center, Center for Student Success, Applied Technology, & Library (Exterior)	Objective 9.2: The addition of the keyless access control system helps preserve and foster a positive workplace culture for all constituent groups within the college. The system provides a convenient and user-friendly experience for full-time faculty, part-time faculty, classified professionals, student workers, and managers, enhancing their satisfaction and well-being. Objective 10.1: The addition of the keyless access control system supports the college's plan to advocate for funding to meet the growing facility needs. It enhances the existing access control infrastructure, ensuring that the college can accommodate its expanding facilities in a comprehensive manner. Objective 10.2: The implementation of the keyless access control system aligns with the college's objective to develop and maintain a Facilities Master Plan. This expansion can be incorporated into the plan as a means to improve and update the existing access control system, ensuring effective management of facility access. Objective 10.6: The request for the expanded keyless access control system aligns with the college's objective to develop plans and strategies to maximize state facilities funding. By showcasing the college's commitment to modernization and technological advancements, it increases the potential for securing state funding for local projects. Objective 10.9: The expansion of the keyless access control system can contribute to the college's efforts to develop and implement a sustainable campus. By minimizing the use of physical keys and adopting energy-efficient technologies, the system supports the college's sustainability goals. Objective 10.10: The addition of the keyless access control system contributes to the intentional design of spaces that build community. By providing convenient and secure access, the system fosters a sense of inclusivity and community engagement among students, faculty, and staff. Objective 12.1: The request for an expanded keyless access control system may require budget augmentations to meet operational demands. Advocating for the necessary funds aligns with the college's objective to plan and secure the general fund budget needed to achieve its comprehensive vision. In summary, the request for an additional keyless access control system at the college complements several objectives, including facility growth, Facilities Master Plan, community building, budget augmentations, sustainability, workplace culture, and funding maximization. BUDGET: Facilities Building, Remodel	Door Replacement Library classroom 121	Existing door, and lock/key system	The current door system poses a significant safety risk during emergency situations, such as shelter-in-place or lockdown scenarios. The existing deadbolt lock requires a key from the outside to secure the door, forcing occupants to exit the room to lock it. This procedure not only delays the lockdown process but also unnecessarily exposes staff and students to potential danger. Upgrading to an exterior classroom-style steel door, with an interior locking mechanism, ensures that the door can be secured quickly from within the room. This change will: •Enhance Safety: Allow immediate lockdown without exposing occupants to external hazards. •Improve Emergency Response: Reduce the time required to secure the room, which is critical in an active threat situation. •Align with Best Practices: Meet current safety standards and recommendations for secure classroom environments, providing a safer shelter for both students and staff. Program Review - Administrative: Business Services	2025 Update	\$750,000.	BUDGET: Facilities Building, Remodel	Campus Wide Wayfinding	The college existing signage exhibits signs of deterioration including fading, breakage and overall poor condition. The college has engaged the expertise of a licensed architect to develop the schematic design, which has been approved by the college. Currently, we are in the process of reviewing the construction design to move forward with implementing the necessary improvements.	The request for campus-wide wayfinding supports several objectives outlined in the Facilities Master Plan (FMP) and the Education Master Plan (EMP) for Norco College, as well as the 2025 objectives: 1. FMP and EMP Alignment: The request for campus-wide wayfinding aligns with the objectives of developing and maintaining the Facilities Master Plan (Objective 10.2) and the Education Master Plan (Objective 10.9). Wayfinding systems are essential for creating an efficient and well-organized campus environment. By improving navigational signage and systems, the college enhances the overall campus experience, contributes to a positive workplace culture (Objective 9.2), and supports the goals outlined in the Education Master Plan. 2. Facilities Growth and Comprehensive College Vision: The request for campus-wide wayfinding supports Objective 10.1, which focuses on planning and advocating for the funding needed to meet facilities growth and achieve the vision for a more comprehensive college. Effective wayfinding systems are crucial for accommodating the growth of the college and ensuring that new and existing facilities are easily accessible and navigable. By requesting resources for wayfinding, the college demonstrates its commitment to supporting facilities growth and providing a comprehensive campus experience. 3. Designing Spaces that Build Community: Campus-wide wayfinding directly supports Objective 10.10, which emphasizes the design of spaces that intentionally build community. Clear and well-designed wayfinding systems create a more inclusive and welcoming environment for students, faculty, staff, and visitors. By improving navigation and creating intuitive pathways, the college enhances community engagement and fosters a sense of belonging on campus. 4. Budget Augmentations and Capitalizing on Funding: The request for campus-wide wayfinding can align with Objective 12.1, which focuses on planning and advocating for general fund budget augmentations to meet operational demands. While the specific funding needs for wayfinding may vary, it is an essential investment in operational efficiency and improving the overall campus experience. Additionally, effective wayfinding can help maximize local project funding availability (Objective 10.6) by ensuring that resources are efficiently utilized and supporting the successful implementation of other projects. In summary, the request for campus-wide wayfinding supports the FMP and EMP for Norco College by enhancing navigational systems and promoting a comprehensive, community-oriented campus. It aligns with objectives related to facilities growth, comprehensive college vision, workplace culture, budget augmentations, and maximizing funding availability.	To significantly improve wayfinding on campus, it is essential for the college to obtain approved set plans from the Division of State Architect for a comprehensive signage system, information kiosks, and directories. By implementing these resources, the college aims to enhance navigation for students, faculty and staff, ensuring they can easily access and utilize available resources effectively. Additionally, funding will be required to support the implementation of the approved design and to ensure the successful completion of the project.	7	No Action-Insufficient funding	2		5	5	5	4	0.5	19.5	10

EMP 10.1, 10.2, 10.10, 12.11. Objective 10.1: Plan and advocate for the funding needed to meet facilities growth to achieve the vision for a more comprehensive college. Repainting the entire college exterior is a necessary facility improvement that contributes to creating a more comprehensive college. By requesting funds for this project, the college demonstrates its commitment to enhancing the campus environment and meeting the facilities growth required to achieve its vision. 2. Objective 10.2: Develop and maintain Facilities Master Plan. Repainting the college exterior aligns with the objective of developing and maintaining a Facilities Master Plan. This plan aims to establish a systematic approach to managing and improving college facilities. By including the repainting project in the plan, the college demonstrates its commitment to maintaining and upgrading its physical infrastructure. 3. Objective 10.10: Design spaces that intentionally build community. Repainting the entire college exterior can contribute to the objective of designing spaces that intentionally build community. A fresh coat of paint can enhance the aesthetic appeal of the college and create a welcoming environment. It can foster a sense of pride and belonging among students, faculty, and staff, thus promoting a stronger sense of community on campus. 4. Objective 12.1: Plan and advocate for the general fund budget augmentations needed to meet operational demands to achieve the vision for a more comprehensive college. Requesting funding for repainting the college exterior falls under the objective of planning and advocating for budget augmentations to meet operational demands. By prioritizing the repainting project, the college recognizes the importance of maintaining a visually appealing campus environment that aligns with its comprehensive vision. It demonstrates a commitment to allocating resources to improve the overall college experience for its stakeholders. In summary, the request for repainting the entire college exterior supports the 2025 objectives by contributing to facilities growth, aligning with the Facilities Master Plan, promoting community-building, and advocating for budget augmentations to enhance the college's comprehensive vision.	Financial resources are required to cover the expenses associated with hiring a professional painting contractor and acquiring the necessary materials.	5		10		3	4	2	2	2	13	11	

RCCD Strategic Plan 2025-2030

Fall 2025

Outline

- Purpose of Strategic Planning
- Draft RCCD Mission, Vision, Value Statements
- Draft Strategic Goals, Objectives, KPIs
- Assessment of Strategic Plan
- Timeline

Purpose of RCCD Strategic Planning

The Purpose of the RCCD Strategic Plan is to provide a unified roadmap that guides the District and its colleges in advancing student success, equity, and institutional effectiveness over the next five years. The plan establishes a shared vision, mission, and set of goals that:

- Align districtwide priorities with the Vision 2030 framework.
- Ensure that resources, policies, and initiatives are strategically coordinated to maximize impact.
- Promote equity and access so that all students have the opportunity to achieve their educational and career goals.
- Support evidence-based decision-making through clear Key Performance Indicators (KPIs) and regular evaluation.
- Provide a transparent framework for accountability, ensuring progress is measured, communicated, and continuously improved.
- Strengthen RCCD's role in serving the educational, workforce, and community needs of the Inland Empire region.

RCCD Mission and Vision (Draft)

RCCD Mission Statement

- Riverside Community College District supports its colleges in empowering diverse learners, advancing equity, and promoting social justice and economic mobility through affordable public higher education. We provide the systems, resources and leadership needed to eliminate barriers, foster student success, and drive institutional transformation across the region.

RCCD Vision Statement

- We envision a thriving region where education fuels opportunity, equity is realized, and every student has the power to shape their future.

RCCD Guiding Principles (Draft)

The following values guide how RCCD serves its colleges and communities:

- **Student Success as Our Purpose**
We exist to enable student learning, completion and opportunity—supporting colleges to design systems that place students first.
- **Equity in Action**
We operationalize equity across policy, practice and resource allocation—especially for historically marginalized students and communities.
- **Collaboration Across Communities**
We champion partnerships with industry, education and the community to expand impact and build shared prosperity.
- **Integrity and Accountability**
We lead with transparency, uphold trust and take responsibility for aligning our efforts with our mission and goals in service to our colleges and community.
- **Innovation for the Future**
We embrace change, encourage creative problem solving, integrate technology, and use data and reflection to improve outcomes for all.

RCCD Goals and Objectives

The following goals guide how RCCD serves its students and communities:

- Goal 1 – Equity in Access
- Goal 2 – Equity in Success
- Goal 3 – Equity in Support
- Goal 4 – Institutional Effectiveness
- Goal 5 – Resources
- Goal 6 – Partnerships and Community Engagement

Goal 1: Equity in Access

Broaden opportunities for all area residents to begin or continue their higher education journey at RCCD colleges.

Objectives	Benchmarks/KPIs
Objective 1.1: Increase with equity the number of students attending a RCCD college, especially among underserved populations.	By 2030, achieve a 25% equitable increase in RCCD student enrollment.
Objective 1.2: Increase dual enrollment participation by improving systemic communication and planning with local districts: strengthening high school and district partnerships, proactively identifying and addressing challenges, streamlining enrollment processes, and targeting outreach to underserved student populations.	By 2030, achieve 10% of FTES through dual enrollment.
Objective 1.3: Expand RCCD's workforce development programming by increasing paid work-based learning (WBL) opportunities that align educational pathways with regional labor market needs.	By 2030, increase paid WBL opportunities by 25% - achieving an average annual growth of 5%, as measured by the number of students participating in paid WBL.
Objective 1.4: Grow RCCD's noncredit and adult education programs by expanding offerings in high-demand areas through community partnerships and targeted outreach.	#1: By 2030, increase noncredit enrollment to achieve at least 500 FTES based on availability of space. #2: By 2030, increase the number of adult (25 or older) student headcount by 25%.
Objective 1.5: Strengthen institutional infrastructure, including policies, procedures and practices, as well as technological and human resources, to address with equity the instructional and support needs of students who choose to pursue their educational goals at a distance through online education.	By 2030, eliminate the course success rate gaps across all instructional modalities.

Goal 2: Equity in Success

Improve the academic and career success of all current and prospective RCCD students.

Objectives	Benchmarks/KPIs
Objective 2.1: Completion: Increase with equity the number of students who achieve a meaningful educational outcome.	#1: By 2030, increase with equity the number of students completing an associate degree, certificate, or transfer by 30%. #2: By 2030, increase three-year completion rates by at least 15%.
Objective 2.2: Increase with equity the number of students earning an Associate Degree for Transfer (ADT) and transferring. 2.2a: Increase with equity the number of students earning an ADT.	By 2030, increase with equity ADT awards by 35%.
2.2b: Support the development of bachelor's degree programs at all three colleges that align with local workforce needs.	By 2030, develop at least one bachelor's program at each of the three colleges.
2.2c: Increase with equity the number of students transferring to UC or CSU.	With intersegmental collaboration, increase transfers to UC/CSU by 30% by 2030.
Objective 2.3: Workforce Outcome: Identify the region's high skill, high demand and high paying programs as well as new programs to be added by 2030 to increase with equity the number of students earning a living wage.	#1: By 2030, increase with equity the number of graduates earning a living wage by 10%. #2: By 2030, increase with equity the number of graduates from high skill, high demand and high paying programs by 20%.

Goal 3: Equity in Support

Provide maximum levels of institutional support to students by achieving a systematic Standard of Care that supports students from matriculation through completion.

Objectives	Benchmarks/KPIs
Objective 3.1: Maximize Financial Aid: Increase with equity the number of students receiving state, federal and institutional aid for which they are eligible.	By 2030, increase with equity Pell, California Dream Act, and California College Promise Grant recipients by 25%.
Objective 3.2: Improve Access to Basic Needs: Ensure that RCCD students have equitable access to timely basic needs support (including food, housing, and mental health) by enhancing services districtwide, strengthening community partnerships, and pursuing funding to sustain and expand these supports.	By 2030, increase student access to basic needs support services—including food, housing, and mental health assistance by 25%.
Objective 3.3: Reduce Units to Completion: Decrease with equity the number of units in excess of the 60-unit threshold for the Associate Degree for Transfer or other associate degrees.	#1: By 2030, reduce with equity the number of students completing in excess of 60 units for their first associate degree by 20%. #2: By 2030, the number of students receiving degrees through Areas of Emphasis will decrease by 25%.

Goal 4: Institutional Effectiveness

The District identifies, measures and reports on student and institutional outcomes to demonstrate the advancement of the District's mission and goals.

Objectives	Benchmarks/KPIs
Objective 4.1: Improve the efficiency and timeliness of core District processes and procedures, such as Human Resources, Business and Financial Services, and Institutional Advancement & Economic Development, to effectively support the development and delivery of instructional, student support and administrative services.	District Office will develop KPIs, define baseline data, and set measurable targets.
Objective 4.2: Attain a district-level efficiency of 18 (FTES/FTEF).	Achieve overall efficiency of 18 FTES/FTEF.

Goal 5: Resources

The District will acquire, manage and deploy resources - including human, facilities, technology, and financial - to support District goals and advancement.

Objectives	Benchmarks/KPIs
Objective 5.1: Strengthen and refine the equitable distribution of funds among the colleges and the District Office.	By 2030, develop a transparent, data-driven budget allocation model for colleges and the District Office to equitably and efficiently distribute resources across all units.
Objective 5.2: Increase student, faculty and staff satisfaction with their well-being and safety.	Human Resources Sub-Committee and District Safety and Security Sub-Committee will develop KPIs, define baseline data, and set measurable targets.
Objective 5.3: Strengthen the physical plant to support academic programs, workforce training, student support services, and administrative functions districtwide.	Facilities Planning and Development Sub-Committee will develop KPIs, define baseline data, and set measurable targets.
Objective 5.4: Advance student success and institutional growth through equitable access to technology; a culture of innovation and collaboration; and a resilient, future-ready infrastructure that leverages generative AI and emerging technologies.	IT will establish baselines and targets for the following KPIs: • Utilization rates of student-facing digital services (MyPortal, SARS, etc.) • Percentage of core systems migrated to cloud-based infrastructure. • Faculty and staff participation in technology-focused professional development. • Student access to hardware - laptops/internet, etc.

Goal 6: Partnerships and Community Engagement

Strengthen RCCD's role and impact as a leading academic institution by cultivating strategic partnerships, engaging the community, and expanding resources to support student success.

Objectives	Benchmarks/KPIs
Objective 6.1: Expand collaborative partnerships with educational institutions, civic organizations, and businesses to advance student success, regional workforce development, and community enrichment.	Increase the number of formal partnership agreements leading to resource generation, coordinated programming, and leveraged services by 25% by 2030 (5% annual increase).
Objective 6.2: Strengthen RCCD capacity to achieve its vision, mission and strategic priorities through the acquisition of financial resources and other external support, including, but not limited to, public and private grant funding, philanthropic contributions, and government advocacy.	#1: Achieve a 60% success rate on submitted grant applications (success rate is the number of grants awarded divided by the number of grants submitted). #2: Increase the value of private gifts by 25% by 2030 (5% annual increase). #3: Increase financial resources obtained from private foundations by 25% by 2030.
Objective 6.3: Increase the economic impact of RCCD through the delivery of targeted workforce and economic development initiatives that support employers, employees, industry sectors, and entrepreneurs, among others.	Increase the number of RCCD workforce and economic development program participants who obtain employment, participate in upskill training, increase wages, obtain federal contracts, or start a business by 5% annually.

Statement of Purpose

Purpose

The Riverside Community College District (RCCD) 2025–2030 Strategic Plan positions RCCD to lead with vision, equity and innovation in a rapidly changing higher education environment. Aligned with the California Community Colleges Vision 2030 goals, the plan reaffirms the District's commitment to student success, equitable access, and institutional excellence.

Building on the foundation of the 2019–2024 Strategic Plan and guided by Vision 2030, this plan advances RCCD's integrated approach to districtwide planning by aligning college strategic plans and educational master plans with shared District priorities. It sets clear goals, measurable outcomes, and supports a culture of continuous improvement.

Developed collaboratively with input from faculty, classified professionals, and administrators across the colleges and District Office, the plan recognizes RCCD as a unified district. The District is comprised of three colleges and the District Office. The colleges focus on instruction, student services, operations, and planning, while the District Office provides streamlining and coordinates support and programming in those areas to support student success.

The plan establishes a framework for accountability with the Board of Trustees, chancellor, and college leaders working together to achieve District goals. Measurable benchmarks and key performance indicators (KPIs), aligned with Vision 2030, will guide progress in areas like closing equity gaps, boosting completion rates, and improving workforce outcomes.

RCCD will continue using the five-District committee structure under the District Strategic Planning Council (DSPC): Teaching and Learning; Equity, Social, Economic, and Environmental Justice; Institutional Planning, Effectiveness and Governance; Resources; and Advancement and Partnerships. These committees monitor progress, assess results, and recommend improvements.

Overall, the 2025–2030 Strategic Plan provides a clear and collaborative roadmap to guide the District in meeting student needs, supporting innovation, and advancing an equitable future for the region and the state.

Process

The District has been developing the 2025-2030 Strategic Plan since September 2024, following the conclusion of the 2019–2024 plan. As shown in Figure 1, the timeline began with an assessment of the previous plan, providing a foundation for this new one. The California Community Colleges Chancellor's Office (CCCCO) also introduced Vision 2030, a statewide framework with which this new plan is intentionally aligned. After the assessment, the DSPC launched a districtwide workgroup comprising of faculty, classified professionals, and administration to collaboratively develop, draft and finalize the new strategic plan. The workgroup convened throughout Spring and Summer 2025 to complete the environmental scan,

SWOT analysis, mission, vision, goals, and objectives.

Drafts were presented for review by the DSPC and college leadership at the start of Fall 2025. Following vetting and approval by college and District governing bodies, the plan was officially adopted.

This strategic plan is the result of a collaborative effort led by administrators, faculty, and classified professionals, reflecting a shared commitment to continuous improvement and student success

4. Integrity and Accountability

We lead with transparency, uphold trust and take responsibility for aligning our efforts with our mission and goals in service to our colleges and community.

5. Innovation for the Future

We embrace change, encourage creative problem solving, and use data and reflection to improve outcomes for all.

Goals and Objectives

Goal 1: Equity in Access

Broaden opportunities for all area residents to begin or continue their higher education journey at RCCD colleges.

Objective 1.1: Increase with equity the number of students attending a RCCD college, especially among underserved populations.

Benchmark/KPI: By 2030, achieve a 25% equitable increase in RCCD student enrollment.

Objective 1.2: Increase dual enrollment participation by improving systemic communication and planning with local districts: strengthening high school and district partnerships, proactively identifying and addressing challenges, streamlining enrollment processes, and targeting outreach to underserved student populations.

Benchmark/KPI: By 2030, achieve 10% of FTES through dual enrollment.

Objective 1.3: Expand RCCD's workforce development programming by increasing paid work-based learning (WBL) opportunities that align educational pathways with regional labor market needs.

Benchmark/KPI: By 2030, increase paid WBL opportunities by 25% - achieving an average annual growth of 5%, as measured by the number of students participating in paid WBL.

Objective 1.4: Grow RCCD's noncredit and adult education programs by expanding offerings in high-demand areas through community partnerships and targeted outreach.

Benchmark/KPI#1: By 2030, increase noncredit enrollment to achieve at least 500 FTES based on availability of space.

Benchmark/KPI#2: By 2030, increase the number of adult (25 or older) student headcount by 25%.

Objective 1.5: Strengthen institutional infrastructure, including policies, procedures and practices, as well as technological and human resources, to address with equity the instructional and support needs of students who choose to pursue their educational goals at a distance through online education.

Benchmark/KPI: By 2030, eliminate the course success rate gaps across all instructional modalities.

Goal 2: Equity in Success

Improve the academic and career success of all current and prospective RCCD students.

Objective 2.1: Completion: Increase with equity the number of students who achieve a meaningful educational outcome.

Benchmark/KPI#1: By 2030, increase with equity the number of students completing an associate degree, certificate, or transfer by 30%.

Benchmark/KPI#2: By 2030, increase three-year completion rates by at least 15%.

Objective 2.2: Increase with equity the number of students earning an Associate Degree for Transfer (ADT) and transferring.

2.2a: Increase with equity the number of students earning an ADT.

Benchmark/KPI: By 2030, increase with equity ADT awards by 35%.

2.2b: Support the development of bachelor's degree programs at all three colleges that align with local workforce needs.

Benchmark/KPI: By 2030, develop at least one bachelor's program at each of the three colleges.

2.2c: Increase with equity the number of students transferring to UC or CSU.

Benchmark/KPI: With intersegmental collaboration, increase transfers to UC/CSU by 30% by 2030.

Objective 2.3: Workforce Outcome: Identify the region's high skill, high demand and high paying programs as well as new programs to be added by 2030 to increase with equity the number of students earning a living wage.

Benchmark/KPI#1: By 2030, increase with equity the number of graduates earning a living wage by 10%.

Benchmark/KPI#2: By 2030, increase with equity the number of graduates from high skill, high demand and high paying programs by 20%.

Goal 3: Equity in Support

Provide maximum levels of institutional support to students by achieving a systematic Standard of Care that supports students from matriculation through completion.

Objective 3.1: Maximize Financial Aid: Increase with equity the number of students receiving state, federal and institutional aid for which they are eligible.

Benchmark/KPI: By 2030, increase with equity Pell, California Dream Act, and California College Promise Grant recipients by 25%.

Objective 3.2: Improve Access to Basic Needs: Ensure that RCCD students have equitable access to timely basic needs support (including food, housing, and mental health) by enhancing services districtwide, strengthening community partnerships, and pursuing funding to sustain and expand these supports.

Benchmark/KPI: By 2030, increase student access to basic needs support services—including food, housing, and mental health assistance by 25%. (may revise based on more discussions)

Objective 3.3: Reduce Units to Completion: Decrease with equity the number of units in excess of the 60-unit threshold for the Associate Degree for Transfer or other associate degrees.

Benchmark/KPI#1: By 2030, reduce with equity the number of students completing in excess of 60 units for their first associate degree by 20%.

Benchmark/KPI#2: By 2030, the number of students receiving degrees through Areas of Emphasis will decrease by 25%.

Goal 4: Institutional Effectiveness

The District identifies, measures and reports on student and institutional outcomes to demonstrate the advancement of the District's mission and goals.

Objective 4.1: Improve the efficiency and timeliness of core District processes and procedures, such as Human Resources, Business and Financial Services, and Institutional Advancement & Economic Development, to effectively support the development and delivery of instructional, student support and administrative services.

Benchmark/KPI: District Office will develop KPIs, define baseline data, and set measurable targets.

Objective 4.2: Attain a district-level efficiency of 18 (FTES/FTEF).

Benchmark/KPI: Achieve overall efficiency of 18 FTES/FTEF.

Goal 5: Resources

The District will acquire, manage and deploy resources - including human, facilities, technology, and financial - to support District goals and advancement.

Objective 5.1: Strengthen and refine the equitable distribution of funds among the colleges and the District Office.

Benchmark/KPI: By 2030, develop a transparent, data-driven budget allocation model for colleges and the District Office to equitably and efficiently distribute resources across all units.

Objective 5.2: Increase student, faculty and staff satisfaction with their well-being and safety.

Benchmark/KPI: Human Resources Sub-Committee and District Safety and Security Sub-Committee will develop KPIs, define baseline data, and set measurable targets.

Objective 5.3: Strengthen the physical plant to support academic programs, workforce training, student support services, and administrative functions districtwide.

Benchmark/KPI: Facilities Planning and Development Sub-Committee will develop KPIs, define baseline data, and set measurable targets.

Objective 5.4: Advance student success and institutional growth through equitable access to technology; a culture of innovation and collaboration; and a resilient, future-ready infrastructure that leverages generative AI and emerging technologies.

Benchmarks/KPIs: IT will establish baselines and targets for the following KPIs:

- Utilization rates of student-facing digital services (MyPortal, SARS, etc.)
- Percentage of core systems migrated to cloud-based infrastructure.
- Faculty and staff participation in technology-focused professional development.
- Student access to hardware - laptops/internet, etc.

Goal 6: Partnerships and Community Engagement

Strengthen RCCD's role and impact as a leading academic institution by cultivating strategic partnerships, engaging the community, and expanding resources to support student success.

Objective 6.1: Expand collaborative partnerships with educational institutions, civic organizations, and businesses to advance student success, regional workforce development, and community enrichment.

Benchmark/KPI: Increase the number of formal partnership agreements leading to resource generation, coordinated programming, and leveraged services by 25% by 2030 (5% annual increase).

Objective 6.2: Strengthen RCCD capacity to achieve its vision, mission and strategic priorities through the acquisition of financial resources and other external support, including, but not

limited to, public and private grant funding, philanthropic contributions, and government advocacy.

Benchmarks/KPIs: Diversify funding streams to address uncertainty at the state and federal levels and reduce reliance on any one source as measured by:

- 6.2.1 Achieve a 60% success rate on submitted grant applications (success rate is the number of grants awarded divided by the number of grants submitted) (target may be revised)
- 6.2.2 Increase the value of private gifts by 25% by 2030 (5% annual increase)
- 6.2.3 Increase financial resources obtained from private foundations by 25% by 2030 (target may be revised)

Objective 6.3: Increase the economic impact of RCCD through the delivery of targeted workforce and economic development initiatives that support employers, employees, industry sectors, and entrepreneurs, among others.

Benchmark/KPI: Increase the number of RCCD workforce and economic development program participants who obtain employment, participate in upskill training, increase wages, obtain federal contracts, or start a business by 5% annually.

Basic Strategies

Of the six District goals - each with specific objectives - the first three (Equity in Access, Equity in Success, and Equity in Support) correspond most directly to the mission of the District and serve as the driving force of the strategic planning process. These three goals form the basis for all of the District's teaching and learning activities and provide the essential foundation for prioritizing resources.

The following section outlines a set of possible basic strategies to support these and the remaining District goals. While not exhaustive, these strategies offer a practical starting point to advance our commitment to equity, effectiveness and student-centered innovation. Developed collaboratively, it includes a clear purpose, actionable plans, and alignment with specific objectives to guide measurable progress by 2030. Together, they serve as a roadmap to initiate implementation and spark continued dialogue, refinement and expansion as RCCD moves forward.

Goal 1: Equity in Access

Strategy 1: Community-Centered Outreach and Engagement

Purpose: Build trust and awareness among underserved populations to increase equitable access.

Plan of Action:

- Partner with community-based organizations, faith groups, and cultural centers to host college information sessions in multiple languages.

- Launch a mobile outreach unit to visit neighborhoods, community events, and high schools with enrollment support and program information.
- Develop culturally relevant marketing campaigns using local media, social media influencers, and student ambassadors.
- Collaborate and visit K-8 schools to introduce college earlier in the academic pipeline.

Supports Objectives:

- ☒ 1.1 (Enrollment Equity)
- ☒ 1.2 (Dual Enrollment)
- ☒ 1.4 (Noncredit/Adult Ed)

Strategy 2: Seamless Pathways and Enrollment Support

Purpose: Remove barriers to entry and streamline the student journey from interest to completion.

Plan of Action:

- Implement a “One-Stop” digital and in-person enrollment hub with multilingual support.
- Simplify dual enrollment processes through MOUs with local high schools and shared data systems.
- Offer enrollment incentives, including incentives for pursuing full-time enrollment, such as free application workshops, transportation vouchers, or textbook support.

Supports Objectives:

- ☒ 1.1 (Enrollment Equity)
- ☒ 1.2 (Dual Enrollment)
- ☒ 1.4 (Noncredit/Adult Ed)

Strategy 3: Workforce-Aligned Program Expansion

Purpose: Align RCCD offerings with regional economic needs and provide real-world learning opportunities.

Plan of Action:

- Collaborate with local employers and workforce boards to co-design Career Education and noncredit programs.
- Expand paid internships, apprenticeships and job shadowing through employer partnerships and grant funding.
- Launch targeted programs in ESL, digital literacy, and reentry skills with flexible scheduling and wraparound services.

Supports Objectives:

- ☒ 1.3 (Work-Based Learning)
- ☒ 1.4 (Noncredit/Adult Ed)

Goal 2: Equity in Success

Strategy 1: Completion and Support

Purpose: Support students in staying on track and completing their educational goals efficiently and equitably by implementing the Standard of Care framework.

Plan of Action:

- Ensure every student is assigned counselors and educational resource advisors to streamline their educational pathway.
- Expand proactive academic advising and case management, especially for first-generation and underserved students.
- Strategically implement academic support services, including assigned tutoring, to students in academic distress.
- Implement AI and other advanced technological tools to provide real-time access to degree audit and personalized academic plans to support timely completion.
- Offer completion incentives such as graduation grants, textbook vouchers, or priority registration for students nearing completion.

Supports Objectives:

- ☒ 2.1 (Completion)
- ☒ 2.2a (ADT Awards)
- ☒ 2.2c (Transfers)

Strategy 2: Strengthen Transfer and Baccalaureate Pathways

Purpose: Create clear, supported pathways to four-year degrees and expand local baccalaureate options.

Plan of Action:

- Deepen partnerships with UC and CSU to streamline transfer pathways and articulation agreements.
- Create opportunities for guaranteed admissions to transfer institutions, providing students with access to transfer opportunities.
- Launch targeted ADT campaigns and transfer fairs with university partners.
- Develop and promote RCCD bachelor degree programs aligned with regional workforce needs (e.g., healthcare, IT, education).

Supports Objectives:

- ☒ 2.2a (ADT)
- ☒ 2.2b (Bachelor's Programs)
- ☒ 2.2c (Transfers)

Strategy 3: Career-Connected Learning and Economic Mobility

Purpose: Ensure students are prepared for high-wage, high-demand careers through real-world learning and support.

Plan of Action:

- Integrate career exploration and planning into the first-year experience and across the curriculum.
- Grow partnerships with employers to expand internships, apprenticeships and job placement services.
- Track and support alumni outcomes to ensure equitable attainment of living-wage employment.

Supports Objectives:

- ☒ 2.1 (Completion)
- ☒ 2.3 (Living Wage)
- ☒ 2.2b (Bachelor's Programs)

Goal 3: Equity in Support

Strategy 1: Proactive Financial Aid Outreach and Support

Purpose: Ensure all eligible students access the financial resources they need.

Plan of Action:

- Launch a multilingual, culturally responsive financial aid awareness campaign targeting high-need communities.
- Embed financial aid workshops into onboarding, orientation and first-year experience programs.
- Partner with high schools and community organizations to offer FAFSA and Dream Act Application completion events and one-on-one support.

Supports Objective:

- ☒ 3.1 (Maximizing Financial Aid)

Strategy 2: Integrated Academic Planning and Advising

Purpose: Help students complete their degrees efficiently by reducing excess units.

Plan of Action:

- Implement mandatory academic planning sessions using degree audit tools and guided pathways maps.
- Provide additional professional development for counselors, faculty and classified professional advisors to monitor student progress through implementing Standard of Care and intervene early when students deviate from their plans.
- Use predictive analytics to identify students at risk of accumulating excess units and provide targeted advising.
- Embed technological solutions to reduce time and improve efficiency where appropriate.

Supports Objective:

- ☒ 3.3 (Reduce Units to Completion)

Strategy 3: Cross-Sector Student Support Ecosystem

Purpose: Leverage partnerships to provide wraparound services that address students' academic, financial and social needs.

Plan of Action:

- Establish formal referral networks with local housing, food security, mental health, and transportation providers.
- Co-locate services on campus through partnerships with county agencies and nonprofits. Create a centralized student support hub (physical and virtual) to connect students with available resources.

Supports Objectives:

- ☒ 3.1 (Maximizing Financial Aid)
- ☒ 3.2 (Access to Basic Needs Support)

Goal 4: Institutional Effectiveness

Strategy 1: Streamline Core Administrative Processes

Purpose: Improve the efficiency and responsiveness of essential District operations to better support instruction and student services.

Plan of Action:

- Gather information on process reviews and assessments that have already been completed.
- Conduct process mapping and time-motion studies in HR and Business and Financial Services to identify bottlenecks.

- Implement digital workflow systems (e.g., e-signatures, automated approvals) to reduce processing time.
- Establish and monitor KPIs for HR and Finance with regular reporting and continuous improvement cycles.

Supports Objective:

☒ 4.1 (Efficiency in Core Processes)

Strategy 2: Integrate Advanced Technology for Institutional Innovation

Purpose: Leverage generative AI and emerging technologies to enhance learning, student support, and administrative functions.

Plan of Action:

- Pilot AI-powered tools (e.g., chatbots, virtual advisors) to improve access and responsiveness of districtwide services.
- Support faculty subject matter experts to explore AI integration in teaching and learning, ensuring alignment with academic standards and contribute to student success.
- Adopt new technology solutions that improve accessibility, engagement, or operational efficiency.
- Provide professional development to develop deeper knowledge and use of currently available technology solutions such as Microsoft 365 applications.
- Implement Anthology as a centralized platform that connects student success, academic affairs, BFS, and HRER by streamlining data integration, automating workflows, and providing real-time dashboards.

Supports Objective:

☒ 4.1 (AI and Technology Integration to Improve Efficiency, Productivity and Innovation)

Strategy 3: Optimize Instructional Efficiency and Resource Allocation

Purpose: Improve instructional productivity while maintaining quality and equity in learning outcomes.

Plan of Action:

- Use data analytics to align course offerings with student demand and program pathways.
- Identify and introduce technology driven tools to automate course scheduling to maximize resource efficiency.
- Provide professional development for deans and department chairs on scheduling efficiency and FTES/FTEF optimization.
- Monitor and report on FTES/FTEF ratios districtwide, with targeted interventions to reach the benchmark of 18.

Supports Objective:

- ☒ 4.2 (Instructional Efficiency)

Goal 5: Resources

Strategy 1: Equitable and Transparent Resource Allocation

Purpose: Ensure that funding and staffing are distributed fairly across the entire District to meet the diverse needs of each college.

Plan of Action:

- Assess BAM model to guide equitable budget allocations, incorporating enrollment, program costs, and student needs.
- Use a Total Cost of Ownership model to improve efficient and equitable use of resources.
- Establish clear KPIs and targets for resource distribution through collaboration with college and District finance, DBAC, and HR (e.g., 75% full-time faculty goal).
- Conduct annual equity audits of budget and staffing allocations to ensure alignment with institutional priorities.
- Complete the budget allocation model by integrating actual cost of college specific CTE programs.
- Support colleges to develop a BAM within the various units of their college along the principles laid for the District.
- Develop a BAM through the District Office that is data driven.

Supports Objective:

- ☒ 5.1 (Equitable Distribution of Funds)

Strategy 2: Foster a Safe, Inclusive and Supportive Campus Environment

Purpose: Promote access to resources to improve the physical and emotional well-being of students, faculty and staff.

Plan of Action:

- Expand campus safety infrastructure (e.g., lighting and surveillance) and implement regular safety drills.
- Continue and monitor well-being initiatives such as mental health services, wellness workshops, and employee assistance programs.
- Conduct annual climate and safety surveys and use results to guide continuous improvement efforts.

Supports Objective:

- ☒ 5.2 (Well-being and Safety)

Strategy 3: Build a Future-Ready, Tech-Enabled Infrastructure

Purpose: Advance student success and institutional resilience through strategic investments in facilities and technology.

Plan of Action:

- Prioritize capital projects that support academic programs, workforce training, and student services in collaboration with District and college leadership.
- Expand access to digital tools and cloud-based systems to improve service delivery and learning outcomes.

Supports Objectives:

- ☒ 5.3 (Strengthen Physical Plant)
- ☒ 5.4 (Technology and Innovation)

Goal 6: Partnerships and Community Engagement

Strategy 1: Build and Deepen Strategic Partnerships

Purpose: Expand RCCD's network of collaborators to enhance student success, workforce development, and community enrichment.

Plan of Action:

- Formalize new partnership agreements with K-12 districts, universities, employers, and civic organizations.
- Host annual partnership summits to align goals, share data, and co-design programs.
- Develop a centralized partnership tracking system to monitor growth and impact.

Supports Objective:

- ☒ 6.1 (Expand Collaborative Partnerships)

Strategy 2: Diversify and Grow External Funding Sources

Purpose: Strengthen RCCD's financial resilience and capacity to support strategic priorities.

Plan of Action:

- Launch a districtwide grants development team to pursue public and private funding opportunities.
- Establish an annual districtwide giving campaign and donor engagement strategy to grow philanthropic support.
- Advocate for RCCD priorities at the local, state and federal levels through coordinated government relations efforts.

- Expand advocacy to regional, state and national foundations (i.e., Irvine Foundation, College Futures, etc.)

Supports Objective:

- ☒ 6.2 (Increase External Support)

Strategy 3: Drive Regional Economic and Workforce Development

Purpose: Position RCCD as a key driver of economic mobility and innovation in the region.

Plan of Action:

- Expand workforce training and upskill programs in partnership with industry sectors and economic development agencies.
- Launch entrepreneurship and small business support initiatives through RCCD centers or incubators.
- Conduct and publish economic impact reports every three years to demonstrate RCCD's value to the region.

Supports Objective:

- ☒ 6.3 (Increase Economic Impact)

A. Strategic Plan Assessment and Analysis of Key Performance Indicators

RCCD 2025–2030 Strategic Plan Assessment Process

RCCD’s assessment of its 2025–2030 Strategic Plan is grounded in an integrated, cyclical process that promotes institutional improvement through clear metrics, continuous feedback, and evidence-based decision-making. Designed to evaluate how effectively RCCD fulfills its mission, vision, and strategic goals, this process is anchored in the principles of **Efficiency**, **Effectiveness**, **Accountability**, and **Transparency** - ensuring measurable progress and districtwide alignment.

At the core of this assessment process are four key pillars:

- **Efficiency** begins the cycle by translating the District’s mission and strategic goals into meaningful KPIs. In collaboration with the DSPC, colleges, and departments, RCCD defines metrics related to equity in student access, success, and support; institutional effectiveness; resource allocation; and community engagement. The goal is to optimize resource utilization while maintaining high quality and responsiveness, with a strong focus on advancing student success and closing equity gaps.
- **Effectiveness** involves establishing baselines and annual performance targets for each KPI using both internal and external data. RCCD develops tools and frameworks to monitor progress and assess the impact of strategic initiatives, ensuring alignment between institutional efforts and desired outcomes and impacts.
- **Accountability** is a measure of the power of the strategic plan to function as a powerful instrument for delegation of responsibilities and thereby acts as a means to require accountability. Accountability is achieved through systematic measurements and reporting. KPI results are evaluated annually and compared to established targets in a formal Annual Progress Report, which highlights accomplishments, identifies areas for improvement, and assigns responsibility for follow-up actions. This fosters a culture of continuous improvement and performance-based accountability.
- **Transparency** ensures that outcomes, findings, and improvement plans are clearly communicated across the District. Governance structures and decision-making processes are reviewed regularly for clarity and accessibility. Results are disseminated via presentations, publications, and District websites to promote trust, engagement and institutional integrity.

Framework to Assess RCCD 2025-2030 Strategic Plan

To reinforce these efforts, RCCD will prepare a written annual summary of the progress report, which will be shared broadly across the District. This summary will keep all constituents - including faculty, staff, students and administration - informed of progress, challenges and strategic adjustments.

Importantly, RCCD will integrate this annual strategic plan assessment process with the districtwide program review process. By embedding strategic goals/objectives and KPIs into program review, departments and units will be able to align their planning, resource requests and improvement efforts with the overarching goals of the Strategic Plan. This integration ensures coherence across planning processes and creates a unified framework for continuous institutional effectiveness and accountability.

This assessment cycle is iterative and ongoing, allowing RCCD to continuously translate its strategic vision into measurable impact. Each year, the District will review and refine KPIs, including developing KPIs for social and economic mobility, assess progress, report results, and implement improvements. If goals are not met, corrective actions will be initiated. This closed-loop approach ensures that the Strategic Plan remains a dynamic, responsive tool that supports both internal development and the broader priorities of Vision 2030.

Analysis of Key Performance Indicators (KPIs)

KPIs provide a structured framework for measuring institutional progress toward achieving the District's strategic goals and objectives. Each KPI is aligned with a specific objective and includes a defined baseline - the current performance level based on the most recent validated data - and a target representing the desired level of achievement over the next five years.

By setting clear, measurable benchmarks, this section ensures accountability and facilitates data-informed decision-making across the District. The KPIs will be monitored annually and updated as needed to reflect changing conditions, new initiatives, and evolving District priorities. Together, these metrics support RCCD's continuous improvement efforts and commitment to equitable student success.

Equity in Assessment of KPIs

Equity is a foundational theme embedded throughout the goals, objectives and KPIs outlined in this document. Its consistent integration across all facets of the planning process reflects its centrality to the mission and vision of the District. Rather than isolating equity as a standalone objective, RCCD aligns with statewide practices by embedding equity considerations within each goal and measure.

In evaluating progress toward measurable targets - particularly those associated with Goals 1, 2, and 3 - equity will serve as a critical lens through which achievement is assessed. Where appropriate, KPIs will be disaggregated by race and ethnicity and analyzed using the Percentage Point Gap (PPG-1) method, a recognized approach for identifying disproportionate impact (DI). This method compares the performance of specific student populations against the overall performance, excluding the population in question. For instance, the success rate of African American students will be compared to the overall success rate minus African American students. If the resulting gap exceeds the established margin of error, the population will be designated as experiencing disproportionate impact.

Importantly, improvements in overall success rates must be accompanied by a proportional reduction in DI gaps as identified through PPG-1 analysis. Meeting the overall target alone does not constitute full attainment of a KPI unless there is also demonstrable progress in closing equity gaps among DI populations identified during the initial assessment year. This equity-focused analysis will be incorporated into the annual evaluation of each goal to ensure accountability and sustained progress. Resources will support the progress through equitable allocation of human and fiscal resources aligned through the District's Standard of Care framework to continually uplift student segments experiencing disproportionate impacts.

Overall KPI Baselines and Targets

This section presents the KPIs for Goals 1 (Equity in Access), 2 (Equity in Success), and 3 (Equity in Support), which focus on student-related outcomes. Some KPIs for Goals 4, 5 and 6 are currently under development and will be added at a later stage. The data and projections use 2024–2025 as the baseline year, with annual targets established for each KPI over the next five years.

Objective 1.1: Increase with equity the number of students attending a RCCD college, especially among underserved populations.

Objective 1.2: Increase dual enrollment participation by improving systemic communication and planning with local districts: strengthening high school and district partnerships, proactively identifying and addressing challenges, streamlining enrollment processes, and targeting outreach to underserved student populations.

Note: Data are from CCSF-320 reports.

Objective 1.3: Expand RCCD's workforce development programming by increasing paid work-based learning (WBL) opportunities that align educational pathways with regional labor market needs.

Objective 1.4: Grow RCCD's noncredit and adult education programs by expanding offerings in high-demand areas through community partnerships and targeted outreach.

Objective 1.5: Strengthen institutional infrastructure, including policies, procedures and practices, as well as technological and human resources, to address with equity the instructional and student support needs of students who choose to pursue their educational goals at a distance through online education.

Objective 2.1: Completion: Increase with equity the number of students who achieve a meaningful educational outcome.

Objective 2.2: Increase with equity the number of students earning ADTs and transferring.

2.2a: Increase with equity the number of students earning an Associate Degree for Transfer (ADT).

2.2b: Support the development of bachelor's degree programs at all three colleges that align with local workforce needs.

Benchmark/KPI: By 2030, develop at least one bachelor's degree program at each of the three colleges.

2.2c: Increase with equity the number of students transferring to UC or CSU.

Note: Due to unavailable data, 2023 was used as the baseline for the projections.

Objective 2.3: Workforce Outcome: Identify the region's high skill, high demand and high paying programs as well as new programs to be added by 2030 to increase with equity the number of students earning a living wage.

** Note: Due to unavailable data, half the percent increase from 2021–2022 to 2022–2023 was used to estimate increases for 2023–2024 and 2024–2025. The 2024–2025 estimate then served as the baseline for a projected 10% increase by 2029–2030.*

**Note: We will also look at programs with a living wage from the Bureau of Labor Statistics and connect that to graduates.*

Note: High paying jobs are jobs associated with TopCodes that have an average of \$25 hourly wage.

Objective 3.1: Maximizing Financial Aid: Increase with equity the number of students receiving state, federal and institutional aid for which they are eligible.

Objective 3.2.: Improve Access to Basic Needs Support: Ensure that RCCD students have equitable access to timely basic needs support (including food, housing, mental health) by enhancing services districtwide, strengthening community partnerships, and pursuing funding to sustain and expand these supports.

(KPI may be revised based on more discussions-add mental health data)

*Data not collected fully until fall 2023

Objective 3.3: Reduce Units to Completion: Decrease with equity the number of units in excess of the 60-unit threshold for the Associate Degree for Transfer or other associate degrees.

B. Environmental Scan and SWOT Analysis

Based on a comprehensive environmental scan and SWOT analysis, here are strategic planning recommendations that focus on the pillars of equity in access, equity in success, and equity in support:

Student access, success and equity

- Expand dual enrollment and adult education programs
- Develop targeted outreach for Latino/a/x and special populations
- Strengthen guided pathways and first-year experience programs
- Establish a coordinated, student-centered, and accountable support framework through the Standard of Care model
- Support students by enhancing and establishing high-impact programs that address financial obstacles

- Expanding Zero- and Low-Cost Textbook courses, student housing, and basic needs initiatives

Career readiness and workforce development

- Invest in career and technical education (CTE) pathways
- Create tailored workforce training programs aligned with emerging job markets
- Launch a regional workforce and economic mobility initiative

Transfer and academic excellence

- Enhance transfer pathways and ADT utilization
- Strengthen RCCD's unique academic programs and noncredit offerings to stay competitive against online learning platforms

Technology and learning innovation

- Expand online and hybrid learning support
- Invest in updated technology to streamline business operations (HR, purchasing, enrollment) and reduce inefficiencies
- Develop a shared equity and innovation resource hub that facilitates cross-college learning communities such as data equity centered materials and practices and data literacy

Infrastructure, planning and collaboration

- Build a centralized data infrastructure
- Establish more integrated workflows for vertical and horizontal collaboration and pathway flows between areas, ensuring planning and assessment efforts are aligned districtwide
- Scale the District Strategic Planning Council to focus on items like best practices, annual planning summits, and ensuring consistency with Vision 2030 and state mandates
- Develop a unified planning hub that enables real-time data sharing, benchmarking, and decision making
- Develop a Shared Equity and Innovation Resource Hub to foster cross-college learning and collaboration

Organizational effectiveness and fiscal resilience

- Create efficient, effective, accountable, and transparent District core business processes
- Secure alternative funding sources such as grants, partnerships, private foundations, and philanthropic contributions to navigate budget volatility

Safety and professional development

- Improve safety strategy, including better security infrastructure, awareness programs, and stronger community partnerships
- Continue support for employee professional development

The environmental scan and SWOT analysis highlight strategies to expand educational access and address enrollment growth challenges. Key recommendations include strengthening dual enrollment - especially for 9th and 10th graders - partnering with high schools with low college-going rates, and expanding adult education to tap into the growing 25–54 population. With Inland Empire college-going rates below the state average despite strong high school graduation rates, RCCD can boost enrollment by offering high-skill, high-wage career pathways aligned with regional workforce needs.

Targeted outreach should focus on Latino/a/x students (who comprise over 70% of RCCD enrollment) and special populations such as foster youth, Veterans, single parents, and formerly incarcerated individuals. Expanding culturally responsive and multilingual support services, along with equity-focused programs, is essential to closing persistent completion gaps.

Strengthening Guided Pathways, first-year experience programs, and CTE offerings in nursing, IT, and data science will support student success and workforce readiness. Investments in stackable credentials, short-term certificates, and a robust, student-centered support framework through the “Standard of Care” model will create a comprehensive and connected experience for students by providing consistent, personalized guidance based on FTES allocation across the District.

Institutional effectiveness can be enhanced by aligning planning vertically and horizontally, modernizing administrative systems, improving campus safety, and diversifying revenue through grants, partnerships, and innovative programs. A Unified Strategic Planning Hub and Shared Equity & Innovation Resource Hub will streamline districtwide planning, data use, and professional development, fostering collaboration, transparency, and equity-centered decision-making.

Additional priorities include expanding Zero- and Low-Cost Textbook courses, student housing, and basic needs initiatives. Centralized funding and operations, improved hiring practices, and a districtwide technology plan will further align resources with strategic priorities. Collectively, these actions strengthen RCCD’s role in advancing student success, workforce alignment, and regional economic transformation.

Construction Update – CHP+K (Kinesiology) Building:

Progress Photos

Project Overview

- **Start:** August 18, 2025 (Notice to Proceed)
- **Duration:** 680 days
- **Final Completion:** June 29, 2027
- **Progress:** Currently on schedule, ~ 3% complete (as of Sept. 22, 2025; 36 days into construction)
- **Budget:** \$43.1M contract; change orders under review, but falls under allowance
- **Safety/Quality:** No significant issues reported; inspections remain clear

Current & Upcoming Work (Fall 2025)

- Fencing and construction trailers installed (late Aug.)
- Temporary power installed with scheduled shutdown (Sept. 12)
- Storm Water Pollution Prevention Plan (SWPPP) and erosion controls in place

- Sewer and water utilities cut & capped (Sept.)
 - Storm drain relocation in progress (Sept.)
 - **By end of September:** Site secured, trailers active, utilities prepared
-

Next Milestones

- **Winter 2025/26:** Ongoing grading, underground utilities, pad prep, and foundation work. Early MEP infrastructure. *Phase 1 completion: April 2026.*
 - **Spring–Summer 2026:** Structural framing, roofing, and building enclosure; continued utility tie-ins and MEP rough-ins.
 - **Fall 2026:** Interior build-out including framing, drywall, finishes, and system installations; site improvements begin.
 - **Spring–Summer 2027:** Final finishes, landscaping, systems commissioning, equipment install, and inspections. *Target substantial completion: July 1, 2027.*
-

Key Notes

- Project remains on schedule and within budget.
- Coordination with SCE on switchgear and power feeds is a critical focus.
- Building will expand facilities for health, kinesiology, and athletic programs.

Project Overview

- **Started:** July 11, 2025 (Notice to Proceed)
- **Duration:** 417 days, currently 74 days into construction
- **Final Completion:** September 1, 2026
- **Progress:** Currently on schedule ~ 13% complete (early Sept. 2025)
- **Budget:** \$4.1M contract; minor change orders under review, but falls under allowance
- **Safety/Quality:** No significant issues reported; inspections remain clear

Current & Upcoming Work (Fall 2025)

- Site clearing and tree removal (Sept.)
- Grading and demolition of concrete and existing structures (Sept.–Oct.)
- Footings for fencing, service road curbs, and trash/storage enclosure foundations

Updated by: Travonne Bell 9/22/25

- HVAC ductwork, soffit, drywall, and partial roofing demolition
 - Sewer and sanitary piping installation and sub-slab utilities (Sept.–Oct.)
 - By October: Site cleared with foundations and underground utilities underway
-

Next Milestones

- **Winter 2025/26:** Structural framing, roof removal/replacement, new slab on grade, and enclosure work; low-voltage and telecom systems tied in. *Phase 1 completion: February 6, 2026.*
 - **Spring–Summer 2026:** Phase 2 electrical infrastructure upgrades, including SCE transformer and switchgear installation after Spring semester. *Phase 2 completion: August 2026.*
 - **Final Completion:** August 17, 2026 — ready for Fall semester occupancy.
-

Key Notes

- Project remains on track and on budget.
- Coordination with SCE for new switchgear is a critical focus.
- Renovation will modernize STEM facilities and support program growth.

RIVERSIDE COMMUNITY COLLEGE DISTRICT

FINAL BUDGET

Fiscal Year 2025-2026

**Presented to RCCD
Board of Trustees
September 16, 2025**

INTRODUCTION

The budget is an essential management tool, connecting an organization's goals and strategic intent with its current year objectives. It provides a framework within which an organization's goals and objectives can be evaluated, and establishes a structure for the allocation and expenditure of funds available for current year operations.

The 2025-2026 budget for the Riverside Community College District serves as its financial plan and, more importantly, a tangible representation of the financial efforts necessary to carry out the District's educational strategies for fiscal year July 1, 2025 through June 30, 2026. Thus, the accompanying budget forms the foundation for consideration of the resource requirements and spending patterns associated with the District's educational objectives for this fiscal year.

THE COLLEGE DISTRICT

Riverside Community College was founded in 1916 in response to a general petition of the electors under provisions of the State Code allowing for the creation of extended secondary programs in existing school districts. Initially, the College was affiliated with the Riverside Polytechnic High School District and served students from that district. On July 1, 1964, formal affiliation with the Riverside Unified School District was terminated by the electors through the creation of a separate community college district under the direction of an independent community college Board of Trustees. The legal entity which operates the District is officially known as the Riverside Community College District and encompasses the Alvord, Corona/Norco, Jurupa, Moreno Valley, Riverside and Val Verde Unified School Districts.

Since its inception, Riverside Community College District (RCCD) has maintained a keen awareness of its communities, offering a variety of enriching educational opportunities to the citizens it serves. The District ensures that it remains academically, economically, physically accessible to a wide and inclusive array of potential students, maximizing the utilization of its available resources. Acknowledging the diverse needs of its students, the District strives to enhance the intellectual, cultural, social and economic well-being of the communities it serves by empowering students to cultivate their abilities as independent, innovative, creative, and skillful individuals.

DISTRICT'S MISSION STATEMENT

The Riverside Community College District through its three colleges and approved center—Moreno Valley College, Norco College, Riverside City College, and Ben Clark Public Safety Training Center, all of which are supported by the District Office—serves and enriches its diverse communities by offering certificates, degrees, and transfer programs that help students achieve their educational and career goals. The District strives to impact the social and economic mobility of its students by ensuring access, success, and equity for everyone who wishes to take advantage of the educational opportunities offered by the colleges.

DISTRICT VISION

The Riverside Community College District offers educational opportunities that promote social and economic mobility for its students and demonstrates leadership in the region and the state by providing high quality instructional programs and by advancing social justice for all.

COLLEGE/CENTER MISSION STATEMENTS

MORENO VALLEY

Moreno Valley College is committed to educating and empowering our students, providing equitable access to education, and serving our communities.

Moreno Valley College's core mission can be expressed in four words: Education, Empowerment, Equity, and Service.

NORCO

Norco College inspires a diverse student body by an inclusive innovative approach to learning through its pathways to transfer, professional, career and technical education, certificates, and degrees. We are proud to be a pivotal hub for scholarship, arts and culture, dynamic technologies, and partnerships. Norco College encourages self-empowerment and is dedicated to transforming the lives of our students, employees, and community.

RIVERSIDE

Riverside City College (RCC) is an open-access, Hispanic Service Institution (HIS) that builds upon the strengths and socio-cultural experiences of our diverse student population and the communities we serve. Our college advances equity, access, and inclusion by supporting the attainment of workplace skills, career technical certificates, degrees, and transfer programs, which promote social and economic mobility for our students and communities.

MORENO VALLEY – SCHOOL OF PUBLIC SAFETY AT BEN CLARK TRAINING CENTER

The Moreno Valley College Ben Clark Public Safety Training Center inspires, challenges, and empowers our diverse, multicultural community of learners to realize their goal of a career in public safety by providing comprehensive support services and an educational pathway for sworn and correctional officers, and emergency medical services and fire personnel leading to certificates and associate degrees. These programs provide for career entry and advancement in public safety along with continuing education courses suited for the professional learner. Our programs promote citizenship, integrity, leadership, and global awareness, and encourage academic excellence and professionalism.

IMPLICATIONS FOR THE

CALIFORNIA COMMUNITY COLLEGES

AND

RIVERSIDE COMMUNITY COLLEGE DISTRICT

Budget Update: 2025-26 Enacted Budget

California State Budget, 2025-26

The approved \$321 billion 2025-26 Budget Act, reflects a 7.80% percent increase from the 2024-25 enacted budget, focusing on maintaining stability in a challenging fiscal environment. It includes no core ongoing reductions to programs or services, and protects K-12 and Higher Education, healthcare, homelessness, transit, climate, public safety, and infrastructure, drawing on resources and operational savings and targeted reductions. It provides a net additional ongoing adjustments of \$404 million to the California Community College system.

The 2026 Budget Act addresses a general fund shortfall of \$11.8 billion by providing a mix of broad based solutions:

- Drawdown Reserves
 - Budget Stabilization Account - \$7.1 billion
 - Public School System Stabilization Account - \$8.4 billion
 - Special Fund for Economic Uncertainties - \$4.5 billion
- Program Reductions
 - Enrollment Freeze for Full-Scope Medi-Cal Expansion for Undocumented Adults: \$77.9 million
 - Medi-Cal Asset Test Limits: \$61.3 million
 - Eliminate Specialty Drug Coverage for Weight Loss: \$85 million
 - Pharmacy Drug Rebates: \$370 million
 - Department of Corrections Additional - \$358 million
 - Affordable Housing Programs - \$1.1 billion
 - Healthcare Workforce Programs - \$746 million
 - Student Housing Revolving Loan Program - \$500 million
 - Learning-Aligned Employment Program - \$458 million
- Revenue/Borrowing
 - Medical Providers Interim Payment Fund Loan: \$1.0 billion
 - Labor and Workforce Development Fund Loan: \$400 million
 - Unfair Competition Law Fund Loan: \$150 million
 - Additional Special Fund/Internal Borrowing: \$1.5 billion
- Fund Shifts
 - Greenhouse Gas Reduction Fund for CAL FIRE Operations: \$1.0 billion
- Continuing Priorities
 - Universal Transitional Kindergarten: \$2.1 billion (ongoing)

- Expanded Learning Opportunities Program: \$515 million (ongoing)
- Learning Recovery Emergency Block Grant: \$378.6 million (one-time)
- Universal School Meals Support Grant: \$145 million (one-time)
- Encampment Resolution Grants: \$100 million
- CAL FIRE Personnel Expansion: 564 new positions and \$39 million in 2025–26

Budget Update: 2025-26 Enacted Budget

California State Budget, 2025-26

Proposition 98 Funding

The 2025-26 Budget Act includes Proposition 98 funding levels of \$98.5 billion, \$119.9 billion, and \$114.6 billion in 2023-24, 2024-25, and 2025-26, respectively, and includes the Community College share at 10.93%.

California Community Colleges

FY 2025-26 California Community College budget includes, increases and reductions to select programs, as follows:

- **Student Centered Funding Formula**
 - Growth – 2.35% (FY 24-25 – \$100.0 million at 1.78% and FY 25-26 – \$39.9 million at .57%)
 - COLA – 2.30% (\$217.4 million)
- **Categorical and Special Program COLA** – \$26.8 million
- **Financial Aid Administration** – \$3.3 million (ongoing)
- **Expand Rising Scholars** – \$10.0 million (ongoing)
- **Expand Credit for Prior Learning** – \$5.0 million (ongoing)
- **Decrease Equal Opportunity Fund** – (\$1.1) million (ongoing)

Budget Update: 2025-26 Enacted Budget

- **Student Support Block Grant** – \$60.0 million (one-time)
- **Career Passports Initiative** – \$25.0 million (one-time)
- **Emergency Financial Aid** – \$20.0 million (one-time)
- **Dreamer Resource Liaisons** – \$15.0 million (one-time)
- **Expand Credit for Prior Learning** - \$15.0 million (one-time)
- **Systemwide Common Cloud Data Platform** – \$12.0 million (one-time)
- **California Healthy School Food Pathway Program** – \$10.0 million (one-time)
- **EMT and Paramedic Pre-Apprenticeship Training** – \$10.0 million (one-time)
- **Reimburse Apprentice Shortfall** – \$6.3 million (one-time)
- **Financial Aid Community Outreach** – \$5.1 million (one-time)
- **Workforce Recovery Career Education LA Region** – \$5.0 million (one-time)

BUDGET PLAN
FOR
FY 2025-2026**

The District prepared FY 2025-2026 budget projections following release of the Governor's initial budget proposal on January 10, 2025 by taking into consideration both increased revenues and increased costs. Budget planning information was first presented to the Board of Trustees on February 4, 2025 and again on April 1, 2025.

ENROLLMENTS/SUPPLEMENTAL METRICS/SUCCESS METRICS

Enrollment

District enrollment information between 2011-12 and 2025-26 is presented in Exhibit A and in Exhibit B.

Actual credit FTES declined 21.28% from FY 2019-20 through FY 2021-22 as a result of the COVID-19 pandemic. In FY 2024-25, the District produced 31,967 credit FTES, fully restoring FTES to pre-pandemic levels. FTES targets for FY 2025-26 are shown below.

	<u>Credit FTES Targets</u>
Moreno Valley College	8,019.71
Norco College	7,664.25
Riverside City College	<u>17,980.47</u>
Total District	<u>33,664.43</u>

	<u>Non-Credit FTES Targets</u>
Moreno Valley College	21.25
Norco College	65.15
Riverside City College	<u>192.03</u>
Total District	<u>278.43</u>

Supplemental and Student Success

Exhibit C shows SCFF Supplemental and Student Success metrics for each year, over the last seven fiscal years for comparison purposes. These metrics are used in the Student Centered Funding Formula (SCFF). For Supplemental Metrics, the immediate prior year numbers are multiplied by current year rates. For Success Metrics, the prior three (3) years numbers are used to calculate an average and the result is then multiplied by current year rates.

* Funded FTES for FYs 2019-2020 through 2022-2023 are based on the protections provided by the Emergency Conditions Allowance authorized by the State Chancellor's Office due to the impact of the COVID-19 Pandemic on enrollments.

** Final 2024-25 Apportionment Attendance Report revisions, if any, are due to the Chancellor's Office at the end of October 2025. Thus, FTES is estimated. Funded FTES is estimated based on the "Early Recalculation" released in July 2025

* - FY 2024-25 Supplemental and Success Metrics are estimates until MIS Report is submitted to State Chancellor's Office in October 2025.

UNRESTRICTED GENERAL FUND - RESOURCE 1000 SUMMARY

Resource 1000 includes the major operations of the District and thus will be the focus of this budget narrative. However, matters of significance in other Resources also will be noted.

REVENUES

Resource 1000 revenues (Exhibit D) are projected at \$318.70 million for fiscal 2026. Key components include:

1. *State Funding*

a. Student Centered Funding Formula (SCFF) (Exhibit E) – The SCFF provides enrollment growth funding of 2.35% and a cost-of-living adjustment (COLA) of 2.30%. The distribution of funds across the three metrics (FTES, supplemental, and student success) are determined by changes in the underlying metrics. Total SCFF apportionment, based on the District's metrics, results in an increase to the District's base apportionment revenue budget of \$12.98 million.

- COLA – 2.30%
- Growth – 2.35%
- Lottery Revenue – \$6.40 million, which is \$.40 million higher the prior year level.
- State Mandate Block Grant – The District will receive \$1.13 million in ongoing mandate funds.
- Adjunct Faculty Office Hours, Compensation, and Health Insurance – \$3.69 million.

2. *Interest Income* – \$5.00 million, which is \$2.00 million less than fiscal 2025 due to state apportionment deferrals and lower yield on funds held with the Riverside County Treasurer's Office.

3. *Enrollment Fee Revenue* – Projected at \$9.80 million.

EXPENDITURES

Within the funds available for the 2025-26 fiscal year, the Riverside Community College District will address the educational needs of its students and communities pursuant to its mission, goals and objectives. The 2025-26 Resource 1000 expenditure budget totals \$356.92 million, including one time expenditures of \$27.66 million, reflecting changes to the following major items of expenditure (Exhibit F):

1. *Compensation*

- a.** Full-time Compensation – \$4.36 million has been provided based on COLA of 2.30%.
- b.** Part-Time Compensation – \$1.19 million has been provided based on COLA of 2.30%.
- c.** Step and Column/Growth/Placement and Other Personnel Adjustments- \$2.28million increase.
- d.** Health and Life Insurance Benefits – A net increase of \$1.41 million attributable to rate increases, employee plan changes, and retiree movement. Total health and life insurance benefits is \$34.90 million, of which approximately \$3.01 million is attributable to retired employees under age 65.
- e.** CalPERS – A decrease of \$.15 million to the employer contribution rate going from 27.05% to 26.81% %.
- f.** CalSTRS – The employer contribution rate remains unchanged at 19.10%.

2. *Utilities* - The District expects to fully complete the districtwide solar project by Fall 2025. This initiative is a key element of the Sustainability and Climate Action Plan and is designed to help offset future increases in electrical energy costs and lower the District's carbon footprint.

3. *OPEB Trust* - The District began accumulating funds to address the future cost of retiree health benefits in fiscal 2016. These funds are held in an irrevocable trust established with CalPERS – California Employer's Retiree Benefit Trust (CERBT) to achieve the minimum annual contribution of \$.25 million. The total amount accumulated as of June 30, 2025 was \$4.81 million.

UNRESTRICTED GENERAL FUND - RESOURCE 1000 SUMMARY (continued)

4. ***Health Plans*** - Keenan & Associates conducts an annual cost analysis of the RCCD PPO Health Plan. The findings guide rate-setting decisions, determine the claims liability and expense budget, and help establish an estimated reserve level to ensure the fiscal solvency of the plan. The District continues to see a growing number of employees transitioning from other plans to the RCCD PPO Health Plan. Despite this trend, no rate increase is planned for the RCCD PPO Plan in fiscal year 2026. A rate increase of 13.50% is included for the Health Net Plan, a rate decrease of 2.84% for the Kaiser Plan as well as a rate increase of 5.71% for the Jefferson Life Plan.
5. ***Liability and Property*** - An actuarial valuation was performed by an external actuary on the District's exposure to general, liability and property claims. The results of the actuarial valuation inform rate setting decisions; the amount of claims liability and expense to establish; and the appropriate reserve level to provide for fiscal solvency of the Self-Insured General Liability and Property fund. The current rate, in conjunction with existing reserve levels, will remain unchanged at 3.0% for fiscal year 2025-26.
6. ***Workers' Compensation*** - The District engaged an external actuary to perform an actuarial valuation of workers' compensation liabilities. The results of the actuarial valuation inform rate setting decisions; the amount of claims liability and expense to establish; and the appropriate reserve level to provide for fiscal solvency of the Self-Insured Worker's Compensation fund. As a result, the workers' compensation rate will remain unchanged at 1.60% for fiscal year 2025-26. This rate covers the cost of annual estimated claims, Resource administration, and to provide for a reasonable reserve.
7. ***Positions***
 - a. New- FY 2025-26
 - Faculty – Sixteen (16) new faculty positions have been included at a total of \$3.24 million. These positions were allocated as follows: Moreno Valley – 5 positions; Norco College – 5 positions; and, Riverside City College – 6 positions. All sixteen (16) positions have been assigned to a discipline.

UNRESTRICTED GENERAL FUND - RESOURCE 1000 SUMMARY (continued)

- Media Systems Analyst – 2 positions (Information Technology)
- Systems Administrator (Information Technology)

c. Funded from Indirect Expenditure Budget

- Accounting Technician (Moreno Valley) – funded 100%

8. ***Accumulated Budget Savings*** - In FY 2017-18, an allocation totaling \$8.0 million from accumulated budget savings was included for one-time expenditures. Remaining balances for this allocation were carried over to fiscal 2026 as follows \$.52 million to Moreno Valley College; \$.03 million to Norco College; and \$.06 million to Riverside City College. In FY 2018-19, an allocation totaling \$4.27 million from accumulated budget savings was included for one-time expenditures. Remaining balances for this allocation were carried over to fiscal year 2026 as follows \$.28 million to Moreno Valley College; \$.70 million to Norco College; \$.44 million to Riverside City College; and, \$.89 million to the District. In FY 2021-22, an allocation totaling \$11.11 million from accumulated budget savings was included for one-time expenditures. Remaining balances for this allocation were carried over to fiscal year 2026 as follows \$1.62 million to

Moreno Valley College; \$.46 million to Norco College; and \$1.60 million to Riverside City College. The colleges have met the 1% reserve requirement in accordance with the Budget Allocation Model principle as follows: \$.54 million – Moreno Valley College. Norco College and Riverside City College utilized their contingency to fund the access control upgrades and roof repairs and the Football Field and Running Track Project, respectively, in accordance with contingency guidelines.

9. ***Enterprise Resource Planning (ERP)*** – The ERP project budget was established at \$11.25 million in the Redevelopment Fund, an additional \$2.0 million was augmented in fiscal 2023. As of June 30, 2025 a total of \$11.31 million has been expended on this project.
10. ***Guided Pathways Standard of Care*** – In FY 2024-25, the District allocated \$2.0 million in first-year funding across its three colleges to establish a consistent standard of care for students navigating their educational journey through Guided Pathways. This funding was distributed equitably based on objective metrics to provide Counselors, Educational Resource Advisors, and Tutors at each college. For FY 2025-26, an additional \$2.0 million has been provided as second-year funding. It is anticipated that an additional \$1.0 million will be required in FY 2026-27 to fully fund the Guided Pathways Standard of Care. Looking ahead, fluctuations in FTES and cost-of-living adjustments will influence the level of funding needed to sustain equitable support across all colleges.

ENDING FUND BALANCE

The District has an unaudited beginning balance in Resource 1000 of \$77.49 million at July 1, 2025 and anticipates an ending contingency balance of \$39.28 million at June 30, 2026, which complies with the third year of a four year implementation timeline for revised Board Policy 5200 – Budget Preparation and Reserves. The revised Board Policy requires an annual reserve balance that is the average of two months of ongoing general fund operating expenditures from the prior year.

BUDGET ALLOCATION MODEL

Budget Allocation Model

In fiscal 2019, the District identified a need to make substantive changes to the prior Budget Allocation Model (BAM) and engaged the District Budget Advisory Council (DBAC) to do so, involving the college community throughout the process, and also including the District Strategic Planning Council.

The BAM was developed to allocate resources based on the following core principles:

- **Fair** – Resource allocation decisions will be informed by objective, predictable, verifiable, and easily accessible data and will be made in an impartial and consistent manner.
- **Equitable** – Resources will be distributed in a manner that adequately supports the full array of programs offered at each college while ensuring compliance with statutory and regulatory requirements; efficient and strategic use of resources is expected, and inefficiencies will not be subsidized or supported.
- **Transparent** – Resource allocation decisions will be made in an open and consultative manner with representative stakeholder groups and that it is simple, easy to administer and communicate as possible.

Beyond the core principles, additional principles were developed to guide the allocation of resources as shown in Exhibit G, including the alignment of resource allocation decisions with strategic plans for each entity, and more specifically scaling of the Guided Pathways initiative. The focus of the BAM has been on the general operating fund; however, the principles enumerated above can be applied to all resources of the District wherever applicable.

The District is primarily funded through apportionment, the majority of which is based on the number of Full-Time Equivalent Students (FTES) served annually, under the Student Centered Funding Formula (SCFF) wherein enrollment comprises 70% of the apportionment calculation. As such, the BAM was developed using the concept of “FTES as Currency” whereby each FTES generated has a value (or currency) that can be assigned based on a “standard” or “exchange rate” for each instructional program or discipline. In general, the BAM uses the FTES “Exchange Rates” that are developed to allocate resources to the colleges. Resource allocations by the colleges to their divisions will emulate this framework. The examples below demonstrate the “exchange rate” concept showing differing cost structures for two disciplines:

- Nursing (Higher Cost per FTES)
 - Low Student/Faculty Ratio
 - Dean of Nursing
 - Lab Technicians

BUDGET ALLOCATION MODEL (continued)

- Lab Equipment
 - Lab Supplies
 - Program Accreditation Cost
 - Classified Administrative Staff
 - Clinical Sites
 - Staff Travel
-
- Political Science (Lower Cost per FTES)
 - Higher Student/Faculty Ratio
 - No Lab Equipment, Supplies, or Technicians
 - Shared Dean with Other Disciplines
 - No Accreditation Costs

Phase I: Foundational Exchange Rate Modeling: In Phase I, the Budget Allocation Model (BAM) was built using four years of historical cost-per-FTES data across disciplines to create stable “exchange rates.” These rates were averaged over three years to minimize volatility from factors like equipment purchases or faculty staffing patterns. Disciplines were categorized into STEM, Liberal Arts, Career Technical Education (CTE), and Unique (offered at only one college). These exchange rates were applied to projected FTES to estimate instructional costs, with a parallel method used for non-instructional allocations. Although Phase I was implemented in FY 2019–20, no budget adjustments were made pending further refinement in Phase II.

Phase II: Refinement and Structural Adjustments: Phase II focused on refining the model’s accuracy and usability. Key updates included switching from mean to median cost-per-FTES to reduce the impact of outliers, validating discipline coding and course alignment, and establishing a base year using prior data to support timely planning. An escalation factor was introduced to adjust for cost increases like STRS and COLA. The model also accounted for entity-specific programs by excluding them from general revenue allocation, determined beginning balances for each college, centralized the 5% reserve at the District level, and distributed District Office costs proportionally based on revenue ratios. These adjustments laid the groundwork for more equitable and transparent budgeting.

Phase III: Defining and Evaluating Unique Programs: Phase III, resumed in Fall 2022, redefined “Unique” programs not just by exclusivity but by external mandates, specialized costs, and accreditation requirements. Instead of comparing these programs to others, the model evaluated them against their own potential FTES using the Enrollment Management Dashboard as the authoritative data source. This approach enabled standardized efficiency metrics by comparing actual versus potential FTES, resulting in tailored exchange rates for Unique programs. These refined rates, alongside those for STEM, Liberal Arts, and CTE, now inform revenue allocation

BUDGET ALLOCATION MODEL (continued)

for Direct Instructional and Academic Affairs, completing a more nuanced and equitable BAM framework.

The District implemented Phase III of the BAM into the calculation of Budget Allocation Model in fiscal 2024. Phase IV of the BAM implementation will be to formulate an allocation approach for the District Office. Work on this Phase will continue into the Fall 2025 and will conclude by June 2026, in time to incorporate into the FY 2026-27 BAM.

Budget Allocation Model Operating General Fund Principles

Principles

1. The Budget Allocation Model will be fair, equitable, and transparent.
 - a) Fair - Resource allocation decisions will be informed by objective, predictable, verifiable, and easily accessible data and will be made in an impartial and consistent manner.
 - b) Equitable - Resources will be distributed in a manner that adequately supports the full array of programs offered at each college while ensuring compliance with statutory and regulatory requirements; efficient and strategic use of resources is expected, and inefficiencies will not be subsidized or supported.
 - c) Transparent- Resource allocation decisions will be made in an open and consultative manner with representative stakeholder groups and that it is simple, easy to administer and communicate as possible.
2. The goals and priorities for student success, equity, and access as articulated in the educational master/strategic plans of each college and the District Office will align with the goals included in the District Strategic Plan and strategic vision plan adopted by the California Community Colleges Board of Governors, including benchmarks and actions for measuring progress, and the Budget Allocation Model will align accordingly.
3. The Budget Allocation Model will provide operational cost predictability and stability to support college and District Office strategic goals and objectives.
4. The Budget Allocation Model will recognize and consider the variable costs associated with unique and common programs at each college and across the district.
5. The Budget Allocation Model will recognize and consider the variable costs associated with new and proposed programs at each college and across the district.
6. Operational structural balance will be maintained by ensuring that ongoing expenditures do not exceed ongoing revenues resulting in a positive fund balance.
7. Ongoing expenditures will be funded with ongoing revenues, and one-time expenditures will be funded with one-time revenues, with exceptions only under rare circumstances.
8. Compliance with State, accreditor, and District reserve requirements will be maintained or exceeded, will be the first item funded in the BAM, and each college will maintain its own prudent reserve of no less than 1% of the previous years expenditures. Reserves in excess of the minimum reserve requirements will be established in an expenditure holding account to meet unexpected and/or unanticipated expenditures that arise subsequent to budget adoption.
9. Net prior year budget savings realized by each entity, exclusive of established net holding account balances and entity specific revenue/expenditure budget sources, will be retained by each entity upon approval of an expenditure plan linked to entity strategic planning priorities and once the minimum districtwide and college reserve requirements are met or exceeded.
10. Colleges are expected to achieve their annual Full-Time Equivalent Students (FTES) targets. If a college does not achieve its annual FTES target, they will have one year to correct the shortfall before a funding reduction is applied to the subsequent year allocation of part-time faculty and overload budgets.
11. The budget allocation model will be assessed annually.

**Budget Allocation Model
Procedural Steps - Phase II**

Discipline Cost per FTES ("Exchange Rate") Calculations:

1. Direct Instructional and Academic Affairs, Student Services, Business Services, and "Other" Discipline Costs per FTES were grouped into four common categories: 1) STEM; 2) Liberal Arts; 3) CTE and; 4) Unique (defined as a discipline that occurs at only one college). Each college identified their "unique" programs, which are specific to the college and whose cost cannot be compared with other college disciplines (e.g. Game Development at Norco College, Dental Hygiene at Moreno Valley, Culinary Arts at RCC).
2. Discipline Costs per FTES for Direct Instructional Discipline and Academic Affairs, Student Services, Business Services, and "Other Costs" were calculated utilizing actual expense figures from the prior fiscal year as the base year. An example would be using FY 23/24 data for the FY 25/26 calculation. Special Program costs (SPP) were excluded from the calculation.
3. Academic Affairs and Direct Instructional Costs were combined to derive the Instructional/Academic Affairs Discipline Cost per FTES and were weighted differently than the calculation for the non-instructional areas.

Determining Instructional and Academic Affairs Discipline Costs Per FTES

- Direct Instructional Cost was calculated by taking the total instructional cost per discipline and dividing it by the FTES generated by that discipline.
 - Related Academic Affairs supporting costs were calculated by dividing the discipline FTES by the Colleges' grand total of FTES for a fiscal year to obtain a weighted percentage value, giving a percentage value to each discipline based on the FTES generated. The discipline FTES percentage value was applied to the total Academic Affairs cost to allocate to each discipline.
 - Academic Affairs consists of the following: Academic Affairs (AA) - Library, Accreditation, Honors, Institutional Effectiveness, Tutoring, Support Services, Academic Senate, Perkins/VTEA (xJV school code), and Dean Academic Support (or similar position).
4. The Non-Instructional areas, Student Services, Business Services and "Other", were combined to determine the total SS, BS & Other Discipline Cost per FTES.

Determining Non-Instructional Discipline Cost Per FTES

- Student Services, Business Services and "Other" was calculated by applying the same weighted value used to calculate Academic Affairs (by dividing the discipline FTES by the Colleges' grand total of FTES to obtain a weighted percentage value) giving a percentage value to each discipline based on the FTES generated. The discipline FTES percentage value was applied to the total SS, BS and Other cost to derive a cost per discipline per area.
- These three areas are comprised of the following:

**Exhibit H
(continued)**

Riverside Community College District

- o Student Services (SS) - Counseling, Student Activities, Evaluators, Financial Aid, A&R, Assessment, general funded categorical (EOPS, CalWORKs, DSPS, etc.), Student Financial Services, Intramural sports, Athletics, Health Services, Community Outreach, Job Placement, and International Students.
 - o Business Services (BS) - Facilities, IT, Finance, Cashiers, Safety, and Police, Auxiliary Business Services (mailroom, warehouse, copy center, cashiers, etc.), and Food Service (GF expenses).
 - o Other - President, VP Planning & Development, Strategic Development, Dean Student Support & Services, Dean of Grants, CSEA, and CTA, grants (combined with GF).
5. The category "exchange rate" for Academic Affairs and Direct Instructional was then used to apply to projected FTES for each respective category.
 6. The category "exchange rate" for Student Services, Business Services and "Other" was then used to apply to projected FTES for each respective category.
 7. Finally, all costs (Direct Instructional, AA, SS, BS, and Other) were totaled per discipline. This grand total was divided by the Discipline Cost per FTES to calculate a total Discipline Cost per FTES.

Exchange Rate Valuation

1. Cost/FTES rate per category for 1) STEM; 2) Liberal Arts; and 3) CTE was calculated based on the median rate between the three colleges. Median rate was used, due to program cost fluctuations and outliers in a given year.
2. See Phase III section for the Cost/FTES rate per category for the Unique programs for the respective college.

Escalation factor to Base Year FTES Cost

1. An escalation factor was applied to data base year cost/FTES to derive the budget year rate. The model uses prior year data and applies changes in STRS, contract and COLA to get to the budget year cost/FTES. For example, FY 2025/26 final budget uses the FY 2023/24 median cost and applies the STRS, contract and COLA rate changes from FY 2024/25 and the expected rate changes from FY 2025/26 to derive the FY 2025-26 rate.

Budget Allocation Formula for Apportionment and Non-Specific Revenues:

1. Net apportionment and non-specific revenue allocations were calculated as follows:
 - Total estimated revenues, less specific revenues, excluding set-aside and Special Project program costs.
2. The revenue allocation for STEM, Liberal Arts, and CTE, was calculated using Median FTES Cost multiplied by the escalation factor, then multiplied by the budget year target FTES.
3. The revenue allocation for Unique programs is calculated by the methodology discussed in the Phase III section.

**Exhibit H
(continued)**

Riverside Community College District

4. After allocating the revenue for Direct Instruction and Unique programs, the remaining net apportionment and non-specific revenue was allocated to the three Colleges to fund Student Services, Business Services, and "Other" costs. The revenue allocation for Student Services, Business Services and "Other" costs was calculated using the base year Districtwide median Cost per FTES multiplied by the escalation factor, then multiplied by the budget year target FTES. The revenue calculation exceeded allocated revenue, therefore a percentage of the total was applied to balance the remaining allocation.

Budget Allocation Formula for College Specific Revenues:

1. To determine the revenue amount to allocate, each entity identified the Special Project Programs (SPP) with specific revenue to be excluded from the calculation (e.g. associated revenue stream, or one-time expenditures, etc.).
2. After the exclusions, the remainder is apportionment and non-specific revenue to be allocated to the three colleges based on the formula calculation. The specific revenues are allocated to the specific College that has earned the revenue.
3. STEM, Liberal Arts, CTE and Unique disciplines have priority in the allocation process. After the instructional cost has been covered, the revenue balance is allocated to Business Services, Student Services and "Other".

**Budget Allocation Model
Procedural Steps - Phase III**

Unique Program Cost per FTES ("Exchange Rate") Calculations:

1. Using the Enrollment Management Dashboard (EMD) as the single source of truth, the actual and potential FTES is pulled from the EMD for each Unique program.
 - a. The actual FTES is divided by the potential FTES for each Unique program, calculating the program's FTES ratio.
2. The payroll related instructional costs specific to the Unique program is separated from the program's other costs.
 - a. This would include all instructional payroll and related fixed charges for the Unique program.
3. These instructional costs are adjusted by multiplying them with the actual/potential FTES ratio calculated above in #1.
 - a. This calculation adjusts the instructional payroll related costs to how close the program came to its full potential FTES.
 - b. For example, if the Unique program's actual FTES exceeds the potential FTES, this methodology would calculate a higher cost/FTES than what was actually realized.
4. The Unique program's other instructional costs for materials, services and capital items along with the Academic Affairs Non-Instructional costs specific to this program are added to the adjusted payroll related costs. This gives the adjusted total cost for the Unique program.
5. The adjusted total cost is now divided by the actual FTES generated by the program to come up with the

**Exhibit H
(continued)**

Riverside Community College District

adjusted Cost/FTEs that is now used to determine the revenue allocation as discussed above with STEM, Liberal Arts and CTE instructional programs.

6. The Unique program's adjusted Cost/FTEs is multiplied by the escalation factor and then multiplied by the budget year target FTES.
7. The calculated revenue for the Unique programs along with the STEM, Liberal Arts and CTE programs is the total revenue for the Direct Instructional and Academic Affairs costs. The balance of the revenue is disbursed to the Student Services, Business Services and Other as discussed in #4 above.

Budget Allocation Model

Procedural Steps – Year End Actual FTES to Revenue Reconciliation

Reconciling Actual FTES to Revenue at Year End Calculation:

As discussed in the section above, the budget allocation formula for the allocation of the apportionment and non-specific revenue is based on the target FTES set by the colleges. At year end, the actual FTES achieved will be reconciled against the target FTES using the actual apportionment and non-specific revenue.

1. Upon certification of the annual Apportionment Attendance 320 Report completed in July, actual EMD data reflecting actual FTES per course and discipline will be used in this reconciliation.
2. Actual FTES data will be categorized into its respective areas of STEM, Liberal Arts, CTE and College Specific.
3. The cost per FTES workbook that calculates the medians for the instructional as well as the non-instructional categories will remain the same. Actual FTES from the EMD will be applied to these medians as was previously calculated using the target FTES. The escalation factors applied to these medians will not change.
4. Actual FTES will be used in the direct instructional and non-instructional revenue allocation to realign the revenue with actual FTES. The reconciled BAM percentage will be used to allocate apportionment and non-specific revenue during the final budget process for that fiscal year.
5. Actual apportionment and non-specific revenue will be used in the reconciliation process.
6. Actual apportionment and non-specific revenue will be realigned in the financial software to reflect actual FTES and the reconciled revenue.

OTHER DISTRICT RESOURCES

OTHER RESOURCES

Other District “Resources” reflected in the budget are:

- 1050 Parking – Restricted
- 1070 Student Health – Restricted
- 1090 Performance Riverside
- 1110 Bookstore (Contractor Operated)
- 1120 Center for Social Justice and Civil Liberties – Restricted
- 1130 Inland Empire Tech Bridge Building - Restricted
- 1170 UpSkill RCCD
- 1180 Redevelopment Pass-Through – Restricted
- 1190 Grants and Categorical Programs – Restricted
- 3200 Food Services
- 3300 Child Care
- 4100 State Construction and Scheduled Maintenance
- 4130 La Sierra Capital
- 4131 Spruce Street Capital
- 4132 Districtwide Solar Project
- 4320 2025A General Obligation Bonds
- 4391 2019F General Obligation Bonds
- 6100 Self-Insured PPO Health Plan
- 6110 Self-Insured Workers’ Compensation
- 6120 Self-Insured General Liability
- 6900 Other Internal Services – Retirees’ Benefits
 - Student Federal Grants
 - State of California Student Grants
 - Local Student Scholarships
 - Associated Students of RCCD

The following should be observed for other District Resources:

1. Resource 1050, Parking - The Parking Resource receives revenues from the sale of parking permits, metered parking, and parking citations. These revenues are used to support parking and police operations, and maintain parking lots. The shift to more online/hybrid classes has had a negative impact on parking permit fees that are utilized to fund this Resource. As such, an increased transfer from the general fund to support operations is necessary and totals \$3.60 million for FY 2025-26. Parking permit rates will need to be increased effective for the 2026-27 fiscal year.

OTHER DISTRICT RESOURCES (continued)

2. **Resource 1070, Student Health** - Total available funds for FY 2025-26 are \$5.53 million, including \$.10 million of college support funding. The projected ending balance is \$2.80 million.
3. **Resource 1090, Performance Riverside** – Performance Riverside continues to recover from the impact of Riverside City College closure and suspension of performances during the COVID-19 Pandemic. As it focuses on rebuilding its audience base, Performance Riverside plans to offer one performance in the 2025-26 fiscal year.
4. **Resource 1110, Bookstore (Contractor Operated)** - Resource 1110 was established to account for the bookstore operations at all three colleges. The bookstores are operated through a five-year contract with Barnes & Noble. The shift to more online/hybrid classes as well as utilization of online educational resources by students has had a negative impact on the revenues generated through the bookstore contract. The budget includes intrafund transfers totaling \$.53 million to Resource 1000 – Unrestricted General Operating.
5. **Resource 1120, Center for Social Justice and Civil Liberties** - Resource 1120 was established to account for the activities and programming associated with operating the Center for Social Justice and Civil Liberties and has the long-term goal of becoming self-supporting through private donations and contributions from governmental and private grants. The Center is supported through the allocation of General Operating Funds. For FY 2025-26, the supporting allocation amount from the general operating fund is \$.54 million.
6. **Resource 1130, Inland Empire TechBridge Building** - This Resource was established to account for the activities associated with the Inland Empire TechBridge program that is conducted in the building located in the City of Norco. This resource ended FY 2024-25 with a reserve balance of \$.09 million and is projected to end fiscal 2026 with a reserve balance of \$.06 million.
7. **Resource 1170, UpSkill RCCD** - Resource 1170 was established to account for the financial activities of the District's UpSkill program. This program provides customized training for local businesses, government agencies, and non-profit organizations. This resource ended FY 2024-25 with a reserve balance of \$.21 million and is projected to end fiscal year 2026 with a reserve balance of \$.33 million.

OTHER DISTRICT RESOURCES

(continued)

8. ***Resource 1180, Redevelopment Pass-Thru*** - The Resource 1180 expenditure budget provides funds for capital, equipment, software and network infrastructure needs throughout the District. The District continues to receive consistent, ongoing redevelopment revenues despite the dissolution of redevelopment agencies in fiscal 2012. For fiscal 2026, Redevelopment Pass-Thru revenues in the amount of \$7.70 million are projected. A total of \$.33 million has been allocated for districtwide service agreements. A total of \$13.25 million has been set-aside to fund the new ERP system with \$1.94 million remaining at June 30, 2025. A total of \$2.90 million has been set-aside in a holding account for college and district capital projects as follows: Riverside City College - \$.02; Norco College \$0; Moreno Valley College - \$2.58; and, District - \$.30. The Moreno Valley College set aside amount includes the Organic Chemistry Lab Project and the Park/Soccer Field ADA Project and the District set aside amount is to close Whittier Place with gating to non-district persons and through traffic in order to enhance safety, in addition to an ADA ramp accessibility in the area between CAADO and Coil School for the Arts. The total remaining set-aside to fund components of the District's Long-Term Capital Facilities Program is as follows: \$.56 million for the Sustainability and Integrated Energy Management Plans; and, a total of \$3.15 million to fund the debt service associated with the Districtwide Solar Project. Included in the remaining set-aside is a total of \$1.30 million to fund e-Time and Attendance and Budget, Financial Software and document management strategic plan implementations; \$1.41 million for districtwide IT related infrastructure upgrades and maintenance; \$4.00 million for Physical Plant and Instructional Support; \$2.00 million for parking lots and parking structure maintenance and improvements; and, \$.30 million to remodel and relocate the Distance Education department to the Riverside City College campus.

9. ***Fund 1190, Grants and Categorical Programs*** - Resource 1190 is used to record the financial activity of restricted categorical and grant funds received by the District. These funds are used to assist the District in the pursuit of objectives established through strategic planning processes. Categorical capital outlay programs are described below:

- a. The District collects Capital Outlay Surcharge fees from international students at each of the colleges. Funds allocated, including carryover of unspent funds from prior years, are as follows: Moreno Valley College - \$.05 million; Norco College - \$.05 million; Riverside City College - \$.55 million. These funds are restricted to capital outlay, maintenance and equipment.

OTHER DISTRICT RESOURCES

(continued)

- b. There continues to be no allocation of State funds for Physical Plant and Instructional Support in FY 2025-26. The college carryover amounts to be used for Instructional Support are as follows: MVC - \$.42 million; NC – has no carryover amount; and RCC \$.81 million. The remaining portion of the previously funded State allocation will be used for Physical Plant is described in the Resource 4100 section of this narrative. These funds do not have a match requirement.

10. *Resource 3200, Food Services* - Resource 3200 accounts for food service and catering activities at all three colleges. This Resource ended FY 2024-25 with an ending reserve balance of \$3.85 million. The Resource is projected to end fiscal 2026 with an ending reserve of \$3.38 million.

11. *Resource 3300, Child Care* - The District operates childcare programs at Riverside City College and Moreno Valley College. This Resource ended FY 2024-25 with reserve balance of \$1.26 million and is projected to end fiscal 2026 with an ending reserve of \$1.15 million. College Support in the amount of \$.33 million has been included for fiscal 2026.

12. *Resource 4100, State Construction, Scheduled Maintenance and Energy Efficiency* - Resource 4100 includes the budgets for the State Construction Act, Scheduled Maintenance and Hazardous Substances, Proposition 39 Energy Efficiency programs, and other state funding. Included are the continuing projects: Norco College Center for Human Performance & Kinesiology project at \$28.86 million for the planning/working drawings and construction phase; \$6.60 million remaining to begin work on the future Inland Empire Technical Trade Center to be located in the City of Jurupa Valley; \$.32 million remaining of the SB169 Affordable Student Housing Planning grants used by all three colleges to plan for Student Housing Facilities on each campus. Included in fiscal 2026 is the release of preliminary plan funding for the new projects. Riverside City College Cosmetology Building at \$.91 million; Norco Library Learning Resource and Student Services Building at \$1.33 million; Ben Clark Training Center Education Building Phase 2 at \$1.57 million; and Moreno Valley College Library Resource Center at \$.77 million.

13. *Resource 4130, La Sierra Capital* - This Resource was funded from the sales proceeds of property owned by the District in the La Sierra area. This Resource ended FY 2024-25 with a reserve balance of \$2.86 million and is projected to end fiscal 2026 with an ending reserve of \$3.03 million.

14. *Resource 4131, Spruce Street Capital* - This Resource was funded from the sales proceeds of the former District Office building located on Spruce Street in Riverside. This Resource ended FY 2024-25 with a reserve balance of \$3.45 million and is projected to end fiscal 2026 with a reserve balance of \$3.65 million.

OTHER DISTRICT RESOURCES

(continued)

15. *Resource 4132, Districtwide Solar Project* - This Resource accounts for the Certificates of Participation (COP) proceeds along with other funding sources and the activities associated districtwide solar sustainability project. The total project cost is \$37.51 million. This Resource ended FY 2024-25 with a reserve balance of \$10.16 million.

16. *Resource 4320, 2025A General Obligation Bonds* - This Resource was established to account for the 2025A Series bond proceeds from the November 2024 issuance of Measure CC General Obligation Bonds and the expenditures of funds related Board of Trustees approved Measure CC Capital Outlay projects (Exhibit J). FY 2024-25 ended with a reserve of \$185.45 million.

17. *Resource 4391, 2019F General Obligation Bonds* - This Resource was established to account for the 2019F Series bond proceeds from the October 2019 issuance of Measure C General Obligation Bonds and the expenditures of funds related Board of Trustees approved Measure C Capital Outlay projects. The 2019F Series represents the last issuance associated with the \$350 million Measure C authorization and was completely expended by fiscal year end 2025.

18. *Resource 6100, Self-Insured PPO Health Plan* - This Resource is used to account for the District's self-insured indemnity health plan. As mentioned earlier in this narrative, a benefits analysis was performed by Keenan and Associates to evaluate health claims liabilities and to inform the setting of a funding rate to provide for maintenance of an adequate reserve, health claims coverage, and administration of the program. This Resource ended fiscal 2025 with a reserve amount of \$8.86 million and is projected to end fiscal 2026 with an ending balance of \$6.41 million. The rates remain unchanged for fiscal 2026 due to a healthy reserve balance and a projection of positive operating activity for the year.

19. *Resource 6110, Self-Insured Workers' Compensation* - This Resource is used to account for the District's self-insured workers' compensation program. As previously mentioned, the District engaged an external actuary to perform an actuarial valuation of workers' compensation liabilities to inform rate setting decisions; the amount of claims liability and expense budget to establish; and the appropriate reserve level to provide for fiscal solvency of the Self-Insured Workers' Compensation fund. Consequently, the workers' compensation rate will remain at 1.60%, for fiscal year 2025-26. This Resource ended fiscal 2025 with a reserve balance of \$6.41 million and is projected to end fiscal year 2025-26 with an ending balance of \$5.90 million.

OTHER DISTRICT RESOURCES

(continued)

20. *Resource 6120, Self-Insured General Liability* - The California insurance market has experienced widespread increases in premium rates for both liability insurance and property insurance coverage. The District continues to experience increased employment liability claims along with the need to utilize external legal counsel associated with human resources issues. The challenging property insurance market and increased legal costs have remained consistent over fiscal 2025. Significantly increased expenditures. The District has also engaged an external actuary to perform an actuarial valuation of general, property and employment liabilities to inform rate setting decisions, including factoring in the aforementioned expenditures; the amount of claims liability and expense budget to establish; and the appropriate reserve level to provide for fiscal solvency of the Self-Insured General Liability fund. Although factoring in a rate increase for fiscal 2025, there is no change in this rate for fiscal 2026. This Resource ended fiscal 2025 with a reserve balance of (\$.385) million and is projected to end fiscal year 2025-26 with an ending balance of \$.44 million.

21. *Resource 6900, Other Internal Services, Retirees' Benefits* - This Resource is used to account for the District's contributions to fund future retiree health insurance benefits. The District has contracted with CalPERS – California Employees' Retiree Benefit Trust (CERBT) to establish and administer the District's Other Post-Employment Benefits (OPEB) irrevocable trust. In accordance with the OPEB Obligation Funding Plan approved by the Board of Trustees in April 2015, a rate is applied to every dollar of payroll to generate a minimum of \$.25 million annually to fund the irrevocable trust. For fiscal year 2025-26, the rate will remain at .20%. This Resource ended fiscal year 2024-25 with a reserve balance of \$5.96 million. The ending reserve balance for fiscal 2026 is projected at \$7.06 million.

22. *Student Federal Grants and State of California Student Grants and Local Student Scholarships* - These funds are used to report the receipt and distribution of various Student grant programs and Student local scholarships.

LOOKING AHEAD

The annual budget plays a vital role in advancing the mission and achieving the long-term goals and objectives of the Riverside Community College District. It is important that the budget process reflects both strategic intent and financial foresight. The “Looking Ahead” section offers a forward-looking perspective to assist stakeholders in anticipating future opportunities and challenges.

First, as we look back at fiscal 2025, enrollments that had declined 21.28%, or 6,700 FTES, as a result of the COVID-19 pandemic have been fully restored.

For both Fiscal 2025 and Fiscal 2026, the District has received substantial enrollment growth funding totally 2.35% resulting in a combined \$11.04 million over the two years. In addition, an increase to base apportionment revenue from COLA at 2.30% was received for FY 2025-26. The District was able to take advantage of the Emergency Conditions Allowance (ECA) enrollment decline protections during the pandemic, albeit with the imposition of certain reporting and policy conditions, one of which was the increase of reserve levels to the equivalent of two months of expenditures. This equates to a roughly 16.67% minimum reserve level. The District is implementing this policy change over four years, the third of which will be fiscal 2026.

Following are observations of issues to be mindful of for fiscal 2026 and beyond:

The future budget outlook for California community colleges is influenced by a complex interplay of economic indicators, state policies, and external factors. Understanding these aspects are crucial for effective budgeting and planning within the Riverside Community College District.

California's economic landscape is marked by a mix of opportunities and challenges with key indicators highlighting important trends that could impact budgeting for California community colleges:

- **Volatility in Proposition 98 Funding:** The Proposition 98 minimum guarantee is highly sensitive to changes in state General Fund revenues, which are in turn tied to volatile income tax collections. A downturn in the economy could significantly reduce funding for community colleges, especially if capital gains revenues decline.
- **Deferrals and Structural Budget Gaps:** The FY 2025–26 budget includes a \$408.4 million deferral of Proposition 98 funds to FY 2026–27. Continued reliance on deferrals to balance the budget could create cash flow issues and uncertainty for districts, especially if future revenues fall short of projections.

- **Shifting Proposition 98 Split to TK-12:** Starting in FY 2025–26, \$492.4 million will be shifted from community colleges to Transitional Kindergarten (TK) as part of a revised Proposition 98 split. This structural change reduces the long-term share of funding available to community colleges.
- **Rising Cost Pressures Without Guaranteed COLA:** While COLAs are typically provided, they are not guaranteed if the Proposition 98 guarantee is insufficient. With ongoing pressures from pension obligations, healthcare costs, and salary increases, districts may face structural deficits if COLAs are reduced or suspended.
- **Federal Policy and Economic Uncertainty:** Potential changes in federal education policy or economic shocks (e.g., inflation, interest rate hikes, or geopolitical instability) could impact both state revenues and federal funding streams, necessitating mid-year budget revisions or cuts.
- **Expansion of Credit for Prior Learning (CPL):** Vision 2030 emphasizes building infrastructure to recognize learning that occurs outside traditional classrooms—such as military service, apprenticeships, and on-the-job training—offering adult learners faster, more affordable pathways to credentials and degrees.
- **Climate Action and Green Workforce Development:** Community colleges are positioned to lead in climate resilience by training students for clean energy jobs, developing microgrids, and embedding sustainability into curricula and campus operations, especially in underserved communities.
- **Technology and AI Integration in Learning:** With the rapid evolution of generative AI and digital tools, colleges are encouraged to modernize instruction and student services, improving access, personalization, and efficiency in education delivery.
- **Workforce-Aligned Education Models:** Expansion in actively aligning higher education with workforce needs and creating clearer pathways from education to employment, including partnerships with employers, apprenticeships, and stackable credentials that respond to labor market demands.

With the suspension of the Proposition 98 minimum guarantee for FY 2023-24, Proposition 98 funds remain set at \$98.5 billion. The minimum guarantee for FY 2025-26 of \$114.6 billion is down approximately 4% from FY 2024-25, where the guarantee is now estimated at \$120.0 billion. Of the shortfall, \$1.9 billion is scheduled as a “settle-up” payment in a future year, which will provide approximately \$207 million for community colleges.

Constitutional provisions require that the Prop. 98 guarantee be restored to the level it would have reached absent the suspension. This happens over time by accelerating growth in the

minimum guarantee depending on General Fund revenue growth. Furthermore, the maintenance factor amount is adjusted annually to reflect changes in student enrollment and the cost of living.

Overall, decisions on the minimum guarantee push large spending obligations to future budget years that add pressure to the non-Prop. 98 side of the budget. First, while the Prop. 98 suspension provides relief in 2023-24, TK-14 education will get a higher percentage of future revenue growth than normal until the maintenance factor is paid. In other words, a larger portion of General Fund revenue growth will go toward the maintenance factor obligation, leaving less funding for the non-Prop. 98 side of the budget.

The budget for community colleges defers \$408.4 million from the SCFF for FY 2025-26 to FY 2026-27 which will result in the District not receiving approximately \$11 million in cash payments until July 2026.

1. *California Public Employees Retirement System (PERS) and State Teachers*

Retirement System (STRS) – In fiscal year 2015-16 both PERS and STRS employer rates began to increase significantly under multi-year plans by each of those retirement systems to close their unfunded liability gaps. The PERS rate will be reduced from 27.05% to 26.90% fiscal 2026. The STRS rate will remain the same at 19.10% in fiscal 2026. The decrease for PERS is \$.15 million for FY 2025-26.

2. *Enrollment* – FTES targets for FY 2025-26 were established to reflect the continued growth all three colleges and BCTC have been experiencing. Preliminary indications for the Summer Intersession and the Fall 2025 term show that the District is on track to achieve the FTES targets.

3. *Build RCCD* – With the successful passage of the \$954 million Measure CC general obligation bond in November 2024, the District has launched *Build RCCD* a transformative capital program that will reshape the educational and physical landscape across the District. *Build RCCD* encompasses a wide array of major projects at each of our colleges, the Ben Clark Training Center, and the two new educational centers in the City of Jurupa Valley and the City of Corona. Many of these multi-million-dollar facilities will be developed concurrently, representing the most significant infrastructure investments in the District's history. These projects will not only modernize aging facilities but also expand access, enhance instructional capacity, and support emerging workforce needs. As *Build RCCD* moves forward, the District will be engaging in strategic planning, community partnerships, and sustainable design to ensure that these investments deliver long-term value. The result will be a dynamic, future-ready learning environment that supports student success and regional economic growth for decades to come.

4. *New Enterprise Resource Program* - The District continues to advance the implementation of its new Enterprise Resource Planning (ERP) system, Anthology, with a targeted “go live” date of Summer 2026 for the Human Resources and Finance modules, followed by the planned launch of the Student Information System in December 2026. This multi-phase rollout represents a transformational step forward in how the District delivers services to students and manages its internal operations. Anthology will replace legacy systems with a modern, integrated platform that enhances transparency, streamlines workflows, and improves data-driven decision-making across all levels of the organization. For students, the new system will offer a more intuitive and personalized experience, from enrollment and financial aid to academic planning and support services, making it easier to navigate their educational journey. For faculty and staff, the ERP will significantly improve operational efficiency, reduce administrative burden, and enable more agile responses to institutional needs.

5. *Student Housing* – The District was awarded \$75 million in FY 2023–24 to develop a groundbreaking intersegmental affordable student housing project in partnership with the University of California, Riverside (UCR). This initiative is not only a major investment in student well-being, it represents a first-of-its-kind collaboration between a University of California campus and a California Community College District. It will open on August 23, 2025 and will house 240 RCCD students out of RCCD’s total of 326 beds. It will offer them direct access to a vibrant university residential environment creating a transformational experience by exposing RCCD students to the culture, resources, and expectations of a four-year university. This project establishes a ready pathway from community college to university, fostering a sense of belonging and academic ambition among students who may not have previously envisioned themselves in a UC setting. It breaks down barriers, builds bridges, and opens doors to life-changing opportunities, from mentorship and research exposure to increased transfer readiness and career development. This partnership reflects RCCD’s commitment to innovation, equity, and student success, and sets a new standard for how institutions can collaborate to support students holistically.

6. *Districtwide Solar Project* – Construction of the Districtwide Solar Project began in fiscal year 2024 and will be fully operational by Fall 2025. This initiative spans multiple campuses and facilities, including rooftop and carport installations, and reflects years of strategic planning and collaboration with energy consultants and public utility partners. The project is a cornerstone of RCCD’s commitment to sustainability stewardship, aligning with Board Policy 6870 and the District’s Long-Term Capital Facilities Program. The solar infrastructure will generate clean, renewable energy to power campus operations, reducing greenhouse gas emissions, lowering long-term utility costs, and enhancing environmental responsibility. Beyond its environmental impact, the solar initiative represents a forward-thinking investment in economic and operational resilience, positioning RCCD as a leader in climate-conscious innovation across California’s community college system.

7. ***Inland Empire Technical Trade Center (IETTC)*** – The District received \$33 million in FY 2023–24 from the State to acquire a 24-acre site in the City of Jurupa Valley for the development of the Inland Empire Technical Trade Center (IETTC). This project is designed to serve as a regional hub for workforce innovation, with a focus on emerging industries such as health sciences, green technologies, advanced manufacturing, and logistics. The Comprehensive Vision, including the Education and Facilities Master Plans, was approved by the Board of Trustees in June 2025. Throughout fiscal year 2024 and into 2025, the District made significant progress: completing the land purchase, mitigating environmental hazards, installing perimeter security fencing, and actively pursuing entitlement of the property in collaboration with the City of Jurupa Valley. These foundational steps are critical to preparing the site for development. In fiscal year 2026, the District will finalize the entitlement process, advance planning for academic programs, and make substantial progress on facilities design. A design-build entity will be engaged to partner with the project architect, ensuring an integrated and efficient development process. Phase I of the IETTC, featuring approximately 93,000 square feet of instructional and student-centered space, is anticipated to open in Fall 2030, offering transformative opportunities for students and the broader Inland Empire region.

8. ***Corona Center Expansion*** – In March 2025, the District acquired property at the corner of Main Street and Parkridge Avenue in the City of Corona to establish a new higher education center as an extension of Norco College. This future-focused center will be designed to support STEM and Allied Health programs, expanding access to high-demand academic pathways and workforce training in one of the region’s fastest-growing communities. During fiscal 2025 and into fiscal 2026, the District mitigating environmental hazards on the site, installed perimeter security fencing, and initiating the entitlement process in close collaboration with the City of Corona. These foundational efforts are essential to preparing the site for development. In fiscal 2026, the District will finalize entitlement for the property, advance academic program planning, and make significant strides in facilities design. A design-build entity will be engaged to work alongside the project architect, ensuring an integrated and efficient development process that aligns with Norco College’s mission and the District’s broader strategic goals.

The budget outlook for California Community Colleges, and RCCD in particular, is influenced by a mix of economic factors and state-level policy decisions. Changes in Proposition 98 funding, enrollment trends, and cost-of-living adjustments all play a role in shaping the resources available to support our students and operations. The District will need to approach this environment with a focus on strategic planning and adaptability, and continue to prioritize investments that directly benefit students, such as affordable housing, modern facilities, and workforce-aligned programs, while managing our financial resources responsibly. This includes preparing for potential fluctuations in funding and making thoughtful use of one-time dollars. Ultimately, we will need to stay focused on our educational mission: expanding access, supporting student success, and serving the needs of our communities.

GLOSSARY OF TERMS

Abatements – The return of part or all of an item of income or expenditure.

Academic Employee – A district employee who is required to meet minimum academic standards as a condition of employment.

Academic Salaries (Object Code Series 1000) – Includes expenditures for full-time, part-time and prorated portions of salaries for all academic personnel.

Accounting Period – Any period of time at the end of which a district determines its financial position and results of operations.

Accounting Procedures – All processes that identify, record, classify and summarize financial information to produce reports and to provide internal control.

Accounting System – The total structure of records and procedures which identify, record, classify, and report information on the financial operations of an agency through its funds, balanced account groups, and organizational components.

Accrual Basis – The method of accounting which calls for recognizing revenues/gains and expenses/losses in the accounting period in which the transactions occur regardless of the timing of the related cash flow (contrast with cash basis).

Actuarial Basis – A basis used in computing the amount of contributions to be made periodically to a fund or account so that the total contributions plus the compounded earnings thereon will equal the required payments to be made out of the fund. The factors taken into account in arriving at the amount of these contributions include the length of time over which each

contribution is to be held and the rate of return compounded on such contribution over its life.

Apportionment Deferrals – A mechanism used by the State to defer apportionment payments owed to community college districts from one fiscal year to the next fiscal year, in lieu of budget reductions.

Allocation of Costs – Districts regularly incur costs that are not exclusively for one program. When this occurs, these costs are assigned based on the proportional benefit related to each program, using an acceptable allocation method.

Appropriation – A legal authorization granted by a legislative or governing body to make expenditures and incur obligations for a specified time and purpose.

Arbitrage – The simultaneous purchase and sale of the same or an equivalent security in order to profit from price discrepancies. In government finance, the most common occurrence of arbitrage involves the investment of the proceeds from the sale of tax-exempt securities in a taxable money market instrument that yields a higher rate, resulting in interest revenue in excess of interest costs.

Assessed Valuation – A value for land and residential or business property, set by the County Assessor for property tax purposes. The value is the cost of any newly built or purchased property, or the value on March 1, 1975, of continuously owned property plus an annual increase of 2%. (See Proposition 13) The assessed value is not necessarily equivalent to the market value, due to annual increase limitations imposed by law.

Associated Students Fund – The fund designated to account for moneys held in trust by the district for student body associations. The governing board must provide for the supervision of all moneys raised by any student body or student organization using the name of the college (ECS 76065).

Audit – An examination of financial statements and related documents, records, and accounts for the purpose of determining the propriety of transactions, whether transactions are recorded properly and whether statements drawn from accounts reflect an accurate picture of financial operations and financial status. Audits may also include reviews of compliance with applicable laws and regulations, economy and efficiency of operations and effectiveness in achieving program results. The general focus of the annual audit conducted on the District is usually a financial statement examination and compliance review.

Balance Sheet – A basic financial statement as of June 30 that shows assets, liabilities, reserves and net assets which exhibits the financial condition of a district. Balance sheets are provided in the District's external auditor's report.

Basic Skills – This program provides funding for pre-collegiate courses to correct skills deficiency.

Bonded Debt Limit – The maximum amount of bonded debt for which a community college may legally obligate itself. The total amount of bonds issued cannot exceed a stipulated percent of the assessed valuation of the District.

Books, Supplies (Object Code Series 4000) – An item of an expendable nature that is consumed, wears out, or deteriorates in use.

Budget – A plan of financial operation for a given period for specified purposes consisting of an estimate of expenditures and the proposed means of financing them.

Budget Allocation Model – The methodology used by the District to implement the set of budget principles for allocating resources to the colleges and district office and support services areas necessary to accomplish work to achieve strategic goals and objectives.

Budget and Accounting Manual (BAM) – A document produced by the California Community Colleges Chancellor's Office that defines, establishes, and maintains the budgeting and accounting structure and procedures for the California Community Colleges.

Budget Code – A sequence of numbers and/or letters assigned to ledger accounts for ease of reference.

Budget Document – The instrument used by the budget-making authority to present a comprehensive financial program (for California Community Colleges, one such document is Form CCFS-311). Included is a balanced statement of revenues and expenditures (both actual and budgeted), as well as other exhibits.

Budgetary Control – The management of business affairs in accordance with an approved plan of estimated income and expenditures.

Capital Outlay (Object Code Series 6000)

– Capital outlay expenditures are those which result in the acquisition of or addition to fixed assets. They are expenditures for land or existing buildings, improvement of sites, construction of buildings, additions to buildings, remodeling of buildings, or initial or additional equipment.

Cash Basis – Method of accounting in which income and expenditures are recorded only when cash is actually received or disbursed (contrast with accrual basis).

Categorical Funds – Money from the state or federal government granted to qualifying districts for special programs, such as Matriculation or Vocational Education. Expenditure of categorical funds is restricted by the funding source.

Chart of Accounts (COA) – A systematic list of accounts applicable to a specific entity.

Classified Salaries (Object Code Series 2000) – Includes expenditures for full-time, part-time and prorated portions of salaries for all classified personnel.

Compensated Absences – Absences, such as vacation, illness and holidays, for which it is expected employees will be paid. The term does not encompass severance or termination pay, postretirement benefits, deferred compensation or other long-term fringe benefits, such as group insurance and long-term disability pay.

Consumer Price Index (CPI) – A measure of change in the cost of living compiled by the United States Bureau of Labor Statistics. Consumer price indexes are calculated regularly for the United States, California, some regions within California and selected cities.

Contingency – That portion of the current fiscal year's budget not appropriated for a specific purpose. The District has established policy for budgeting the unrestricted general operating contingency account at not less than 5% of total available

Contingent Liabilities – Items which may become liabilities as a result of conditions undetermined at a given date, such as guarantees, pending lawsuits, judgments under appeal, unsettled disputed claims, unfilled purchase orders, and uncompleted contracts. All contingent liabilities should be disclosed within the annual audited financial statements, including the notes thereto, when there is a reasonable possibility a loss may occur.

Contributions and Donations – Anything of value received from any source for which no repayment or service to the contributor is expected.

Cost Of Living Adjustment (COLA) – A reflection of the percentage change of the Implicit Price Deflator for State and Local Government Purchases of Goods and Services for the United States, as published by the United States Department of Commerce, from the fourth calendar quarter of the prior year to the fourth calendar quarter of the latest available year rounded up to the next hundredth. Depending upon the availability of State funds, this index is used to compute a cost of living adjustment augmentation to community college districts. It is most commonly used to refer to percentage adjustments on salary schedules.

Credit FTES – Credit Full-Time Equivalent Students (FTES) is the workload measure for the program-based funding formula categories of Instruction and Instructional Services.

Current Expense of Education (CEE) –

The Unrestricted General Fund expenditures of a community college district in objects of expenditure 1000 through 5000 and 6480 (equipment replacement) for program activity codes 0100 through 6700. Excluded from the current expense of education are expenditures for student transportation, food services, community services, lease agreements for plant and equipment, and other costs specified in law and regulations. Amounts expended from State Lottery proceeds are also excluded. (See 50% Law)

Debt Service – Expenditures for the retirement of principal and interest on long-term debt.

Deferred Revenue – Revenue received prior to being earned such as advances received on Federal or State program grants or enrollment fees received for a term in a subsequent fiscal year.

Deficit – (1) Excess of liabilities over assets. (2) The excess of expenditures or expenses over revenues during an accounting period.

Depreciation – Expiration of the service life of capital assets, attributable to wear and tear, deterioration, action of the physical elements, inadequacy and obsolescence. In accounting for depreciation, the cost of a capital asset, less any salvage value, is prorated over the estimated life of such an asset, and each period is charged with a portion of such cost. Through this process, the entire cost of the asset is ultimately charged off as an expense.

Direct Costs – Expenses specifically traceable to specific goods, services, activities, programs, functions, units, or departments. Direct expenses or costs differ from indirect expenses or costs in that the latter cannot be specifically traced and so

must be allocated on some systematic and rational basis.

Education Protection Account (EPA) –

The EPA provides community colleges with general purpose state aid funding pursuant to Proposition 30. It is a component of total general apportionment.

Employee Benefits (Object Code Series

3000) – Amounts paid by an employer on behalf of employees. These amounts are not included in the gross salary, but are over and above. While not paid directly to employees, they are nevertheless a part of the total cost of employee compensation. Examples are: group health or life insurance payments; contributions to employee retirement plans; district share of Social Security taxes; worker's compensation payments.

Encumbrances – Commitments related to unperformed contracts for goods and services. Used in budgeting, encumbrances are not expenditures or liabilities but represent the estimated amount of expenditures ultimately to result if unperformed contracts in process are completed.

Enrollment Fees – Imposed for the first time in 1984, enrollment fees are a per-credit unit fee assessed all students enrolled in community colleges classes. This required student fee is set by the State. The current rate is \$20 per semester credit.

ERAF (Educational Revenue Augmentation Fund) – Implemented in 1992-93, ERAF legislation allows a portion of local property tax going to counties, cities and other local agencies to be redirected to local educational agencies within that county.

Expenditures – Outflow or other use of assets or incurrence of liabilities from delivering or producing goods, rendering services or carrying out other activities.

Fifty (50) Percent Law – Education Code §84362 requiring a district to spend at least 50% of its Current Expense of Education (CEE) on the salaries and benefits of classroom instructors and instructional aides.

Fiscal Year – For governmental entities in the State of California, the period beginning July 1 and ending June 30. Some grants use a fiscal year beginning October 1, and ending September 30, which is consistent with the federal government's fiscal year.

Full-Time Equivalent Employees (FTE) – Ratio of the hours worked based upon the standard work hours of one full-time employee.

Full-Time Equivalent Students (FTES) – One FTES represents 525 class (contact) hours of student instruction/activity in credit and noncredit courses. The number of students in attendance as determined by actual count for each class hour of attendance or by prescribed census periods. The number 525 is derived from the fact that 175 days of instruction are required each year, and students attending classes 3 hours per day for 175 days would be in attendance for 525 hours (i.e. 3 times 175 equals 525). Full-Time equivalent student (FTES) is the most significant workload measure used in the computation of State support for California community colleges.

Fund – An independent fiscal and accounting entity with a self-balancing set of accounts for recording cash and other financial resources, together with all related

liabilities and residual equities or balances, and changes therein.

Gann Limit – In California all governmental jurisdictions, including community college districts, must compute an annual appropriation limit based on the amount in prior years adjusted for changes in population, cost-of-living, and other factors, if applicable.

GASB 45 – An accounting standard issued by the Governmental Accounting Standards Board that requires community college districts to record as a liability the unfunded portion of retiree health benefit costs of current and retired employees.

General Apportionment Revenue – An amount determined by the statewide allocation formula for each community college district to be its base revenue, the major source of revenue for general unrestricted purposes. Components consist of property taxes, ERAF, 98% of enrollment fees, and State apportionment.

General Ledger – Computerized accounting software, books, files, or other devices in which accounts are kept to the degree of detail necessary to summarize financial transactions.

General Obligation Bond – A governmental debt instrument voted in by a minimum 2/3 vote (or 55% for a Proposition 39 bond) and paid through an increase in property taxes.

General Operating Resource – The resource used to account for the ordinary operations of the district. It is available for any legally authorized purpose not specified for payment by other funds.

Generally Accepted Accounting Principles (GAAP) – Uniform minimum standards and guidelines for financial accounting and reporting.

Governmental Accounting Standards Board (GASB) – The authoritative accounting and financial reporting standard-setting body for governmental entities.

Grants – Contributions or gifts of cash or other assets from another government or private organization to be used or expended for a specified purpose, activity, or facility.

Indirect Costs – Those elements of cost necessary in the production of a good or service which are not directly traceable to the product or service. Usually these costs relate to objects of expenditure that do not become an integral part of the finished product or service, such as rent, heat, light supplies, management and supervision.

Instructional Equipment – Tangible property (excluding land, buildings or improvements thereon) purchased for instructional activities to enhance student learning and skills development.

Interfund Transfers – The transfer of moneys from one fund to another fund.

Intrafund Transfers – The transfer of moneys within the same fund.

Investments – Securities, real estate, etc., held for the production of revenues in the form of interest, dividends, rentals, or lease payments. The term excludes capital assets used in governmental operations.

Lottery – Funds derived from State lottery sales that began in 1985. Approximately 34% must be distributed to public schools and colleges. The allocation of lottery

revenue is based upon prior year resident and non-resident FTES.

Mandate Block Grant Funding – A State program to provide funding to community colleges to fund the costs of various State mandated programs and activities identified in the Government Code.

Noncredit FTES – The workload measure for all Noncredit Activities including instruction, instructional support, and student services.

Nonresident Tuition – A student who is not a resident of California is required, under the uniform student residency requirements, to pay a tuition fee as prescribed by ECS 76140. The fee shall not be less than the average statewide cost per student.

Object Codes – Accounts used to record revenues and expenditures into descriptive categories.

Online Instruction – An educational delivery model where students and instructors connect via technology.

Other Financing Sources and Uses (Object Code Series 7000) – Includes expenditures for debt, interfund transfers, other transfers, appropriations for contingencies, and student financial aid.

PERB – Public Employment Relations Board, established to regulate collective bargaining between school districts and employees.

PERS – The Public Employee Retirement System, a State retirement program utilized for classified employees.

Position Budget Control – A process for monitoring and maintaining budgetary

control over authorized, full-time positions. Position control information includes the position description, incumbent, former incumbent, budgeted salary, placement, range, step, and applicable fixed charges and health benefits.

Prepaid Expenses – Goods or services for which payment has been made, but for which benefits have not been realized as of a certain date; e.g., prepaid rent, prepaid interest, and premiums on unexpired insurance. Benefits and corresponding charges to expenses will be borne in future accounting periods.

Program – Category of activities with common outputs and objectives.

Proposition 2 – An initiative passed in November 2024 authorizing \$10 billion for K-12 (\$8.5 billion) and community colleges (\$1.5 billion) in general obligation bonds to upgrade public education facilities for construction, renovation, land acquisition, and equipment purchases.

Proposition 13 – An initiative amendment passed in June 1978 which added article XIII A to the California Constitution. Tax rates on secured property are restricted to no more than 1% of full cash value. The measure also defines assessed value and the voting requirements to levy new taxes.

Proposition 30 – An initiative passed in November 2013 which provided temporary increases to the sales tax rate and the personal income tax rates for the State's highest income tax payers.

Proposition 39 – An initiative passed in November 2013 that changed the corporate income tax codes to raise taxes over a five year period to fund educational energy

efficiency projects and clean energy job creation.

Proposition 51 – An initiative passed in November 2016 to provide K-12 and Community College facility construction funding.

Proposition 55 – An initiative passed in November 2016, which extended the higher income tax rates provided under Proposition 30.

Proposition 98 – An amendment of the California Constitution establishing minimum funding levels for K-14 education and changing some of the provision of Proposition 4 (Gann limit). A Senate Constitutional Amendment, Proposition 111 (1990), modified Proposition 98 and made numerous changes to the way the appropriations limit is calculated and how the minimum funding guarantee for public schools and community colleges is determined, including the appropriations limit formula, the K-14 education funding guarantee and the allocation of excess revenues.

Purchase Order – A document issued to a vendor to authorize the delivery of specified merchandise or the performance of certain services at a specified cost.

Purchase Requisition – A document submitted to initiate a purchase order to secure specified articles or services.

Reserve – An amount set aside to provide for estimated future expenditures or losses, for working capital, or for other specified purposes.

Restricted Funds – Those moneys designated by law or a donor agency for specific purposes, such as Matriculation,

Vocational Education or Health Services. The expenditures of these funds are accounted for separately to maintain their identity.

Revolving Cash Account – A stated amount of money authorized by the district governing board to be used primarily for emergency disbursements. The fund is reimbursed periodically through properly documented expenditures which are summarized and charged to proper account classifications.

Sales and Use Tax – A tax imposed upon the sale of goods. The use tax is paid in lieu of the sales tax on goods purchased outside the State, but intended for use in the State.

Scheduled Maintenance – Major repairs of buildings and sites which have been postponed by districts, usually due to a shortage of funds. The State has provided special funding to community colleges for approved projects. The State provides for half the cost, and the district provides the other half.

Services and Operating Expenses (Object Code Series 5000) – Includes expenditures for consultants, travel, conferences, membership dues, insurance, utilities, rentals, leases, elections, audits, repair and maintenance contracts, and other contracted services.

Student Centered Funding Formula (SCFF) – A new funding formula for community colleges enacted in FY 2018-19. SCFF replaces the enrollment centric funding model under SB 361 with one that is based on a combination of enrollment, equity and student success outcomes. The equity and success components are based on the number of low income students served

and in general the number of awards and certificates granted.

STRS – State Teachers Retirement System, a State retirement program for academic employees.

Supplanting – Use of one type of funds to provide goods or services previously paid for with another type of funds. Generally, this practice is prohibited when State or Federal funds are used to replace local funds.

Tax Revenue Anticipation Note (TRAN) – Instrument issued to secure short-term moneys borrowed in expectation of collection of taxes.

Taxonomy of Programs and Services (TOPS) – Districts are required to report expenditures by program categories identified in the TOPS. The major categories are:

- Instruction
- Instructional Administration
- Instructional Support Services
- Admissions and Records
- Counseling and Guidance
- Other Student Services
- Operation and Maintenance
- Planning and Policy Making
- General Institutional Support
- Community Services
- Ancillary Services
- Property Acquisitions
- Long-term Debt
- Transfers
- Appropriations for Contingencies

Unencumbered (Available) Balance – That portion of a budget (appropriation) not yet expended or obligated.

Unrestricted Funds – Generally, those moneys of the General Fund that are not

designated by law or a donor agency for a specific purpose. Unrestricted funds may have been designated by the Board for a specific purpose, but they are still legally regarded as unrestricted since the designation may be changed at the Board's discretion.

Warrant – A written order drawn by the governing board or its authorized officer(s) or employee(s) directing the county treasurer to pay a specified amount to a designated payee.
