- June 27, 2016             1:30pm-3:00pm    ST-107 (Monday)

**Statement of Purpose**

Guided by the college mission, the Student Services Planning Council is a representative group of student services professionals that produces data-driven recommendations to increase the effectiveness of student services programs. The council drives the student services program review process, provides guidance to administrative decision-makers by developing ranking criteria, and prioritizes requests generated through program review.
