By submitting this request, I am authorizing Norco College staff to complete the transaction requested.

NORCO COLLEGE COTOP APPEAL

This form is for students who have received a letter from the RCCD accounting services manager-regarding outstanding fees and are filing an appeal. If you decided not to attend/log in to a course(s) and were not dropped from the course, you may have received a substandard grade or "W" and owe fees. It is the students' responsibility to drop themselves from the course if they decide not to attend. Logging into CANVAS for online classes is equivalent to attendance for an in person/lecture course. Extenuating circumstances are verified, documented cases of accidents, illnesses, or other circumstances beyond the control of the student. Claims of non attendance will be verified. Accessing CANVAS, even once, is verification of positive attendance and petition will not be approved. No appeal will be considered without proper documentation.
