

# Steps to Financial Aid

## Apply

Financial aid applications are available beginning October 1 for the next academic year.

File online at FAFSA at <https://studentaid.ed.gov/sa/fafsa>  
FAFSA School Code: 041761

OR

The Dream Application at <https://dream.csac.ca.gov>  
Dream Act School Code: 04176100

## Complete Required Tasks

Log onto <https://norcocollege.verifymyfafsa.com> using your RCCD student email and password. Follow the instructions to create your account and complete all Financial Aid Tasks.

Financial aid eligibility cannot be determined unless all Financial Aid tasks have been completed.

## Eligibility and Award Notification

Revised award notifications are emailed to students based on the file processing deadline date you have been placed on.

Financial aid eligibility can be reviewed on the Financial Aid Award Letter on MyPortal and WebAdvisor.

The amount of your award in MyPortal and WebAdvisor is based on full-time enrollment (12 units); students who attend less than full-time will receive less financial aid.

## Check your RCCD Student Email, MyPortal, and Web Advisor

It will take 2-3 weeks for applications to be received.

You will receive an email to your student email when the FAFSA application is received.

The email will contain instructions to setup an account to view your Financial Aid tasks.

You can review your California College Promise Grant (CCPG) eligibility and preliminary award notification on MyPortal and WebAdvisor.

## Know Your Deadline

Students eligible for financial aid are disbursed their aid according to their appropriate deadline date.

**Outstanding Financial Aid Tasks** – For students who have Financial Aid Tasks, you will be placed on a file processing deadline based on the date that all Financial Aid Tasks are completed.

**No Financial Aid Tasks Required** – Your deadline date is determined by the date shown in MyPortal/WebAdvisor that the FAFSA/Dream application was received by Norco College.

Disbursement dates/deadlines can be found by visiting our website or stopping into the Student Financial Services Office.

## Disbursements

**New Students:** You will receive a green welcome envelope from BankMobile and an email to your student email instructing you on how to select a disbursement method. Funds are disbursed to eligible students based on your preferred disbursement method.

**Returning Students:** If you have an existing account with Bank Mobile (or Higher One), you can review and/or update your preferred disbursement method at: [www.refundselection.com](http://www.refundselection.com)
