As an institution of higher education, Norco College is committed to building a more inclusive and equitable culture and learning environment. The State Chancellor's Office is inviting students, faculty, classified professionals, institutional leaders, and community partners to participate and engage in the conversation at the college level and join key activities taking place throughout the month.

Norco College is a Hispanic-Serving Institution (HSI) and Minority-Serving Institution (MSI). We serve primarily, but not exclusively, low-income students, first-generation students, and students of color. In April, we are shining the spotlight on the diverse populations we serve with events and activities.
