Academic Regalia

Academic ceremonies with gowns, mortarboards, tassels, hoods, and maces are traditions handed down from European universities of the Middle Ages. These first organized institutions of learning originated during the 12th and 13th centuries, generally under the jurisdiction of the church. Robes, hoods, and caps were worn mainly for warmth in unheated buildings by the clerics, monks, and priests who were the first students.

European universities continue to show great diversity in their academic dress. In the United States, as the result of our English heritage, caps and gowns have been used since colonial times by the faculties of some universities and became generally standardized about 1895.

The field of study is indicated by the color of velvet facing (under the chin) of the hood of all master's and doctoral degree holders.

Maize	Agriculture
White	Arts, Letters, Humanities
Drab	Business Administration
Lilac	Dentistry
Light Blue	Education
Orange	Engineering
Antique Gold	Environmental Science and Engineering
Brown	Fine Arts, Architecture
Purple	Law
Lemon	Library Science
Kelly Green	Medicine
Pink	Music
Apricot	Nursing
Dark Blue	Philosophy
Peacock Blue	Public Administration
Salmon Pink	Public Health
Golden Yellow	Science
Bright Pink	Social Psychiatry
Citron	Social Welfare

The title of the degree, not the subject studied, governs the color of the velvet facing; e.g., a Master of Education wears light blue, but a Master of Arts with a major in education, white velvet; a Master of Public Health uses salmon pink velvet, but a Master of Science with a major in public health wears gold.

President's Message

Monica Green, Ed.D.

On behalf of the Board of Trustees, Chancellor Wolde-Ab Isaac, and our fine faculty, classified professionals, and administrative team at Norco College, it is my pleasure and privilege to welcome you to the 2021 Commencement Ceremony.

Commencement is a time to celebrate the fulfillment of a goal and our mission to provide transformational educational opportunities to our students. As we do this, we are thinking about the workforce of the local and regional communities we serve. Each student who succeeds here contributes both to the economic health of our region and as a constructive citizen in his or her community.

Graduates, as you receive your degree or certificate today, many of you will continue your formal education at universities, while others will apply what you have learned here immediately in the workforce. Regardless, please know that we, like your parents, relatives, and close friends who may be with you today, are proud of you and wish you continuing success. We hope that you will remember Norco College and return here often so we may be reminded of what you and your fellow graduates have contributed to our Norco College family and the generations of students that will follow in your footsteps.

2021 Norco College Faculty Speaker

Dominique Hitchcock, Ph. D.
School of Arts & Humanities

Professor Dominique Hitchcock, Ph.D., teaches Spanish and French, serves on the Academic Senate, and leads several roles relating to anti-racism, equity, and inclusion at Norco College and in the Riverside Community College District.

Her career in education began thirty-seven years ago and spans from teaching high school in Los Angeles, to higher education, both in France and in the United States.

After a four-year appointment at California State University, San Bernardino, she joined the Riverside Community College District in 1996, first at Riverside City College, and later at Norco College, where she was Chair of the Department of Art, Humanities, and World Languages for nine years. She profoundly believes that being an educator is an honor and a privilege, which comes with the responsibility of innate care and respect for students.

Dr. Hitchcock is a native of France with Afro-Caribbean and Corsican ancestry. Her passion for the Spanish language came from her ancestry and from growing up in Southwest France, close to Spain. She holds a doctorate in Spanish, with a focus on Comparative Linguistics and Traductology from the University of Paris Sorbonne, France.

She is the proud mother of three sons.

2021 Norco College Student Speaker

Ashley Calderon School of STEM and Social & Behavioral Sciences

Ashley Calderon was born in San Diego, California. She moved to Temecula her sophomore year and graduated from Chaparral High School. After graduation, Calderon enrolled at Norco College to pursue a career in medicine.

Calderon's grit pushed her to complete three years of college as a full-time math major, vice president of the Honors Society, and an athlete on the Women's Cross-Country team. Her energy was endless and worked to help foster and homeless youth in the Corona-Norco Unified School District. Despite the full load, Calderon had a knack for public service and landed an internship with California State Senator Connie Leyva, all while serving in the United States Army Reserve.

Calderon strongly believes that her tumultuous upbringing as a first-generation college student and woman of color is the reason and drive behind her success. She is eternally grateful for the faculty and staff at Norco College for addressing every basic need and bridging the gap from her disparities to her academic success.

Today, Calderon is graduating with two associate degrees in Social & Behavioral Studies and Mathematics. In fall, she will be transferring to the University of California, Berkeley where she will continue her pre-med journey, while majoring in Mathematics.

Her long-term goal is to get into medical school where she can study epidemiology with a focus in diabetic research. Calderon is passionate about advocating for social reform and justice, and plans to integrate her medical degree with politics in pursuit of a congressional seat. In her spare time, she enjoys yoga, traveling and leading an active lifestyle.

Norco Alma Mater

Lyrics by: Brady Kerr

Music by: Brady Kerr and Dina Humble

Arranged by: Kim K. Kamerin

Hail to you, oh Nor-co Col-lege, our prai-ses we sing un-to thee You im-

6
prove our lives with self en-rich-ment and tech-no-lo-gy As we strive to reach our

11
goals, and ad-vance in our ca-reers, Our time spent here as Mus-tangs will

16
stay through-out the years. We wear bur-gun-dy with dig-ni-ty, to thee we will be

21
true As no-ble stu-dents filled with pride, our fu-tures look to you. You in-

26
crease our sense of self, and love for com-mu-ni-ty. Al-ma Ma-ter Nor-co

31
Col-lege, our prai-ses we sing to thee.
