Academic Regalia

Academic ceremonies with gowns, mortarboards, tassels, hoods, and maces are traditions handed down from European universities of the Middle Ages. These first organized institutions of learning originated during the 12th and 13th centuries, generally under the jurisdiction of the church. Robes, hoods, and caps were worn mainly for warmth in unheated buildings by the clerics, monks, and priests who were the first students.

European universities continue to show great diversity in their academic dress. In the United States, as the result of our English heritage, caps and gowns have been used since colonial times by the faculties of some universities and became generally standardized about 1895.

The field of study is indicated by the color of velvet facing (under the chin) of the hood of all master's and doctoral degree holders.

Maize	Agriculture
White	Arts, Letters, Humanities
Drab	Business Administration
Lilac	Dentistry
Light Blue	Education
Orange	Engineering
Antique Gold	Environmental Science and Engineering
Brown	Fine Arts, Architecture
Purple	Law
Lemon	Library Science
Kelly Green	Medicine
Pink	Music
Apricot	Nursing
Dark Blue	Philosophy
Peacock Blue	Public Administration
Salmon Pink	Public Health
Golden Yellow	Science
Bright Pink	Social Psychiatry
Citron	Social Welfare

The title of the degree, not the subject studied, governs the color of the velvet facing; e.g., a Master of Education wears light blue, but a Master of Arts with a major in education, white velvet; a Master of Public Health uses salmon pink velvet, but a Master of Science with a major in public health wears gold.

President's Message

Monica Green, Ed.D.

On behalf of the Board of Trustees, Chancellor Wolde-Ab Isaac, and our esteemed faculty, classified professionals, and administrative team at Norco College, it is my pleasure and privilege to welcome you to the 2022 Commencement Ceremony.

Commencement is a time to celebrate and acknowledge the fulfillment of a goal, and our mission to provide transformative educational opportunities to our students. As we do this, we consider the workforce of the local and regional communities we serve. Each student who succeeds here contributes both to the economic health of our region, and as a constructive citizen within the community.

Graduates, as you receive your degree or certificate today, many of you will continue your formal education at 4-year institutions, while others will apply what you have learned immediately in the workforce. Please know that we, like your parents, relatives, and close friends who may be with you today, are proud of you and wish you continued success. We hope that you remember Norco College and return here often to share in what you and your fellow graduates have contributed to our Mustang family. Continue to let your light shine bright. There are generations of students that will follow in your footsteps.

2022 Norco College Faculty Speaker

Peggy Campo, Ed. D.

School of Science, Technology, Engineering & Mathematics

Dr. Peggy Campo has been a Professor of Anatomy and Physiology at Norco College since 2008. She teaches science classes with passion and love and is highly regarded amongst her colleagues and students.

Dr. Campo obtained a Bachelor of Science in Biochemistry from La Universidad Católica de Córdoba, Argentina; a Master of Science in Biology, from the University of California, Riverside; a Master of Arts in Cell and Molecular Biology, from Harvard University; and a Doctor of Education in Leadership in Higher Education from Northcentral University. Dr. Campo's spirit embraces the mission of California Community Colleges, stressing equity, access, and inclusion, and recognizes that education is the most reliable path to expand social and economic advancement.

Dr. Campo is an energetic storyteller who incorporates common everyday examples to help students comprehend complex biological concepts. She lectures with enthusiasm, humor, and care. Dr. Campo does not take herself too seriously, but seriously cares about her students and their success. She loves both science and learning and hopes that her fervor for both shines through to her students.

Dr. Campo is an influential member of the Biology Department having served as the Norco Academic Senate President for five years and District Academic Senate President for two. During her tenure as senate president, she advocated for guided pathways, military credit for prior learning, and diversifying faculty. She can easily be found on campus, conversing loudly with everyone- avidly gesticulating, using colorful language, and laughing wholeheartedly.

Dr. Campo has been married for close to thirty years and is the proud mother to three children and multiple four-legged creatures. She lives close to her parents, siblings, nieces, and nephews, and considers family-time precious. She enjoys traveling, reading, and eating well.

2022 Norco College Student Speaker

Ahlam Gheith

School of Arts & Humanities
and Social & Behavioral Sciences

Dean's list recipient; five associate degrees, with honors; passionate community volunteer, proud mother of seven; returning to college after twenty years... That is Ahlam Gheith. A powerful, proud Palestinian-American woman who has overcome tremendous odds. She exudes compassion and kindness to all those with whom she interacts.

Ahlam understood at an early age that to live a successful life, she needed to have a mindset focused on overcoming obstacles and staying positive during life's most demanding situations. Her trust in God, and in herself, coupled with hard work and determination, have been the backbone to her obtaining five associate degrees at Norco College. Her degrees are as follows: 1. Political Science, 2. Psychology, 3. Humanities, Philosophy, and Arts, 4. Social and Behavioral Studies, and 5. Communications, Media, and Language.

Ahlam leads by example, is committed to her community, and sets a good example for her children. She is passionate about learning, and she is dedicated to improving the lives of anyone she can. As a result, Ahlam has been a board member for the School of Education of Reach Leadership Steam Academy for seven years. She has also taught two years of art and physical education at a private school. Her philosophy in life is to trust in God, keep pushing forward, and never be afraid to start over!

Ahlam loves to learn new skills and take on new hobbies; staying active outdoors and working out, including weightlifting, and is an accomplished photographer. Her future goals include using her political science and psychology background to become a national speaker advocating for others who cannot advocate for themselves and motivating and helping individuals grow. She is living proof of Abraham Lincoln's famous phrase that, "Good things come to those who wait, but better things come to those who hustle."

Ms. Gheith will be attending UCR in the fall double majoring in psychology and political science, with a minor in communication studies. Ahlam was chosen to be the 2022 Norco College Commencement Speaker because of her love for education and her passion for positively influencing others.

Norco Alma Mater

Lyrics by: Brady Kerr

Music by: Brady Kerr and Dina Humble

Arranged by: Kim K. Kamerin

Hail to you, oh Nor-co Col-lege, our prai-ses we sing un-to thee You im-
6 prove our lives with self en-rich-ment and tech-no-lo-gy As we strive to reach our
11 goals, and ad-vance in our ca-reers, Our time spent here as Mus-tangs will
16 stay through-out the years. We wear bur-gun-dy with dig-ni-ty, to thee we will be
21 true As no-ble stu-dents filled with pride, our fu-tures look to you. You in-
26 crease our sense of self, and love for com-mu-ni-ty. Al-ma Ma-ter Nor-co
31 Col-lege, our prai-ses we sing to thee.
