Academic Regalia

Academic ceremonies with gowns, mortarboards, tassels, hoods, and maces are traditions handed down from European universities of the Middle Ages. These first organized institutions of learning originated during the 12th and 13th centuries, generally under the jurisdiction of the church. Robes, hoods, and caps were worn mainly for warmth in unheated buildings by the clerics, monks, and priests who were the first students.

European universities continue to show great diversity in their academic dress. In the United States, as the result of our English heritage, caps and gowns have been used since colonial times by the faculties of some universities and became generally standardized about 1895.

The field of study is indicated by the color of velvet facing (under the chin) of the hood of all master's and doctoral degree holders.

Maize	Agriculture
White	Arts, Letters, Humanities
Drab	Business Administration
Lilac	Dentistry
Light Blue	Education
Orange	Engineering
Antique Gold	Environmental Science and Engineering
Brown	Fine Arts, Architecture
Purple	Law
Lemon	Library Science
Kelly Green	Medicine
Pink	Music
Apricot	Nursing
Dark Blue	Philosophy
Peacock Blue	Public Administration
Salmon Pink	Public Health
Golden Yellow	Science
Bright Pink	Social Psychiatry
Citron	Social Welfare

The title of the degree, not the subject studied, governs the color of the velvet facing; e.g., a Master of Education wears light blue, but a Master of Arts with a major in education, white velvet; a Master of Public Health uses salmon pink velvet, but a Master of Science with a major in public health wears gold.

President's Message

Monica Green, Ed.D.

On behalf of the Board of Trustees, Chancellor Wolde-Ab Isaac, and our fine faculty, classified professionals, and administrative team at Norco College, it is my pleasure and privilege to welcome you to the 2020 Commencement Ceremony.

Commencement is a time to celebrate the fulfillment of a goal and our mission to provide transformational educational opportunities to our students. As we do this, we are thinking about the workforce of the local and regional communities we serve. Each student who succeeds here contributes both to the economic health of our region and as a constructive citizen in his or her community.

Graduates, as you receive your degree or certificate today, many of you will continue your formal education at universities, while others will apply what you have learned here immediately in the workforce. Regardless, please know that we, like your parents, relatives, and close friends who may be with you today, are proud of you and wish you continuing success. We hope that you will remember Norco College and return here often so we may be reminded of what you and your fellow graduates have contributed to our Norco College family and the generations of students that will follow in your footsteps.

2020 Norco College Faculty Speaker

Kris Anderson
Professor, English

Kristine Anderson has taught college English for over thirty-five years. She was hired at Riverside Community College in 1989 and began teaching at Norco College in 2014. She has a Master of Fine Arts in poetry from New England College and a Master of Arts in English from San Diego State University. She considers herself a writer-teacher whereby each “hat” informs the other.

During her years at RCC, Professor Anderson served as English department chair and writing center coordinator. She was instrumental in curriculum development that made it possible for the RCC literary magazine, *MUSE*, to be produced in a college course dedicated to publishing. She has always been an advocate for local and regional arts and was involved with creating the curriculum for an English class dedicated to authors and literature of the Inland Empire. In addition, she taught twice as a study abroad instructor in Oxford, England. She initiated readings series at RCC in the 1990s, which brought authors to campus, and was a founding participant of *Voices from the Americas* lecture series at RCC in the 2000s, a collaboration of the college, the three universities in the area, the local unified school district, the public library, and other organizations. Presenters included Carlos Fuentes, Richard Rodriguez, and Maxine Hong Kingston.

In addition to being a dedicated teacher of creative writing and composition, Professor Anderson is an accomplished writer and poet receiving multiple fellowships and publications in *The Copperfield Review*, *Soundings East*, *Southern Indiana Review*, and the anthology, *Active Voices IV*. Most recently, Professor Anderson put her writing talents to work as the accreditation co-chair for Norco College and the lead editor for the college accreditation report. Her dedication to the institution, students and co-workers was evident in every page. Professor Jo Scott-Coe expressed it well when she said, “She has always been a colleague who put the ‘C’ in collegial.”

Along with these many professional and personal accomplishments, when asked to describe her accomplishments, Professor Anderson begins with “Proud wife—and colleague—of David Mills, and proud mother of Jonathan; [...] working with you [students] and helping you learn to connect with others—and with your own ideas—through writing. Laughing together, watching you grow, seeing you succeed!” Professor Anderson will be retiring this spring after twenty-nine years of service to RCCD. Our college community will be the lesser, and we can never thank her enough for her dedication, service and inspiration to all who learned with her.

2020 Norco College Student Speaker

Gabrielle Ante

Gabrielle Ante was born in Las Vegas, Nevada and raised in the Philippines. She and her family permanently settled in the United States when she began seventh grade at Arlington High School.

After graduating high school in 2015, Ante enrolled at Riverside City College, where she joined the RCC Women's Tennis team for two years while pursuing her general education requirements as a Chemical Engineering major. She earned her first degree in Math

and Science in 2018.

Ante later discovered that even though she earned the Math and Science degree with the Intersegmental General Education Transfer Curriculum plan (IGETC), she was one class short of obtaining the certification. She quickly began investigating and connecting with professors and counselors who helped her towards completion.

Today, she is graduating with seven additional associate degrees in Pre-Engineering, Mathematics, Physics, Chemistry, Social and Behavioral Studies, Humanities, and Communications. Her degrees come from a variety of disciplines, like the School of STEM, School of Arts & Humanities, and School of Social & Behavioral Sciences.

She plans to transfer to a four-year university to pursue a bachelor's degree in Chemical Engineering. In the future, she seeks to gain experience in research and development as a Chemical Engineer while working toward a master's degree and eventually a doctorate.

Ante comes from a family immersed in the STEM field. Her father is a health care practitioner and her mother is a registered nurse.

Raised in a Filipino culture centered on family and self-development, she owes her success to her family's support and guidance. Ante aspires to build a strong foundation of knowledge and community by connecting ideas and working hard to apply them in hopes to improve society. In her spare time, she enjoys watching movies, reading and drawing.

Norco Alma Mater

Lyrics by: Brady Kerr

Music by: Brady Kerr and Dina Humble

Arranged by: Kim K. Kamerin

Hail to you, oh Nor-co Col-lege, our prai-ses we sing un-to thee You im-

6
prove our lives with self en-rich-ment and tech-no-lo-gy As we strive to reach our

11
goals, and ad-vance in our ca-reers, Our time spent here as Mus-tangs will

16
stay through-out the years. We wear bur-gun-dy with dig-ni-ty, to thee we will be

21
true As no-ble stu-dents filled with pride, our fu-tures look to you. You in-

26
crease our sense of self, and love for com-mu-ni-ty. Al-ma Ma-ter Nor-co

31
Col-lege, our prai-ses we sing to thee.
